TRIBUTE TO THE WHEELERS
Past and Present

We know very little of our early Wheeler ancestors. We can see some of the same things in many of the Wheelers today who are distantly related. We can only assume that these could have started with our forefathers, and it was natural for them to pass them on to their children.

The Wheeler women, as well as the men, are proud of their fine heritage. The Wheelers have always been people of integrity. Most have strong personalities; and many times are leaders in their group, community, church, work, school, or whatever their involvement. Their Christian faith and church has continued to be an important part of their lives. Today, as in the days long ago, some are still answering God's call to dedicate their lives to His service as preachers and preacher's wives. Down through the years, many have chosen to be teachers and educators. This continues to be true today.

The Wheelers are proud to be Americans and have served their country during the wars and in peace time.

Some Wheelers lived in a mountain area in Bedford Co. Va. - at least four of Thomas Wheeler's sons moved to another mountain area in Tennessee. Several of William's children moved to Missouri where there were hills. Today, there are still many descendants living in the beautiful Missouri Ozarks.

Many of the descendants who are distantly related look like brothers because of their light complexion, blue eyes, long slender faces, and sandy red hair. Many Wheeler men fit another description taken from war records & family records - slender build standing over 6 feet tall, black hair and eyes, with dark complexion. Of course, there are many more who do not fit either description than those who do; and yet many still have some similarities - perhaps in the shapes of their faces, or body structure, or the way they stand.

The Wheelers have a gift of being able to talk to everyone they meet. They are full of fun and enjoy life to its fullest. They have lots of fun teasing each other and being teased in return. They overlook or quickly forgive any cutting remark that may be made. The family ties bind them tightly together and the welcome mat is always out. They are very gracious and make everyone feel comfortable while in their homes. The kinship they have for one another is that of best friends as well as family.

We are proud of the lives lived and the heritage passed down by all the Wheeler ancestors to our children and grandchildren.

DEDICATION

The fine examples left us by our Wheeler ancestors move us to express our gratitude by dedicating this book to their memory.

WHEELER COUSINS

Wheeler Cousins has grown out of the various Wheeler Reunions held over the years; but it was at the 51st Reunion held at Phelps Grove Park in Springfield, Mo. July 27, 1980 (always held on the fourth Sunday in July) that the ideas, objectives and goals began to emerge. We elected Herman Wheeler, who has been the "Spark Plug" for the Springfield, Mo. Reunion, President. Commitees were formed, the ball began rolling and on Dec 16, 1980 "WHEELER COUSINS" was incorporated as a General Not For Profit Corporation in the state of Missouri. Our membership is open to all persons related to or interested in the "Wheeler" surname.

Our present officers are: Pres. Herman Wheeler, Vice Chairman - John T. Wheeler, Vice Chairman - Marcella Wheeler, Sec-Treas. Vivagene Wheeler Handley, Asst. Sec. June Davis, Asst. Sec. Dorothy Campbell, Asst. Treas. Evelyn Israel, and Asst. Treas. Wilma Lee Wheeler.

To our book committee we extend our heartfelt thanks and much appreciation. The Chairman is Marcella Wheeler and the other memers are: Paula Baker, June Bleazard, Martha Cole, June Davis, Vivagene W. Handley, Shirlee Hendrickson, Grant Iverson, Martha Kenton, Robin Schmit, Annalene Wagonner and John T. Wheeler.

From the Genological Committee, Shirlee Hendrickson, Chairman, a short explanation of the numbering system used in this book:

The first child of Thomas and Elizabeth is number 1 (John), the second child is number 2 (Lucy) etc. John's first child is 1-1 (John"s William) indicating the first child of the first child of Thomas. The second child of number 1 (John's Elizabeth) is number 1-2 indicating the second child of the first child etc. For example, I am a descendant of Thomas (0) through his third child William (3); then through William's second child Samuel (2); then Samuel's fifth child Rhoda (5); Rhoda's fourth, James (4); James's first James W. (1); James W.'s third Elaine (3); and I am the second (2) of Elaine; therefore, the number of my family group sheet is 3-2-5-4-1-3-2. Since I am farther removed than many of you, your family group sheet may have only 4 or 5 digits. A similar numbering system has been used in other family units.

Abbreviations used generally throughout the book:

m - married
w/o - wife of
h/o - husband of
d/o daughter of
s/o - son of
ca - about (circa)
b - born
d - died
bu - buried
cem - cemetery

FORWORD

The "Wheeler Cousins" objectives are to conduct research, compile Genological and Historical material in a book form on the Wheelers of the South. We begin our research in Virginia in the early 1700's. The material is presented in summaries and records relating to individuals. Maps and an index are provided to aid in tracing specific lines, as they moved Westward.

This book results from cooperative efforts of many Wheeler descendants aided and compiled by "The Wheeler Cousins".

Effort has been made to include in this book some reference to every person of the Wheeler name discovered in the records of Bedford, Buckingham, Cumberland, Hanover and Henrico Counties of Virginia. In most instances the records found in our research have made it possible to determine family lines, and to place in the correct family the greater number of persons of the Wheeler name appear-in the records.

In a few instances, however, individuals who apparently belong somewhere in the Wheeler line cannot be assigned to a particular family because no will nor other identifying record has been found. In some cases, a summary has been included to give all available information for use by future researchers, who may find some Court record overlooked by us or not available to us. There is always a chance, too, of finding some family or church record, or reference in som un-expected place, which will supply the missing link.

We are indebted to the many Wheeler researchers for data from their family records or from their research. Some of these researchers are mentioned at appropriate places later in this book. We want to express our appreciation for their helpful contributions and generous assistance. We especially want to thank Joida Whitten of Dallas, Tx., a descendant of Benjamin Wheeler of Buck-ingham and Bedford Counties of Virginia. Joida researched and wrote pages 3-68 on the early Wheelers of Virginia.

It is well known to all genealogists, that the dates and names found on offi-cial records frequently differ from those contained in family records, bibles or inscriptions found on tombstones. In some cases, two or three dates of spelling of a name have been furnished by different members of the same family. In deciding which date or name is supported by the greatest weight of evidence, there is a possibility of error. Such is absolutely unavoidable in a work of this kind; which deals with data more or less indeterminate.

Some of the material which follow show unsolved problems. It is requested that anyone having documentary evidence for the solution of any of these problems, or information as to circumstantial evidence pointing to the solution, write to: WHEELER COUSINS, @Vivagene Wheeler Handley, 2011 E. Rosebrier, Springfield, Mo. 65804.

"Wheeler Family in America" compiled by the American College of Genealogy in 1914 under the direction of Albert Gallatin Wheeler provides over 1100 pages of additional information on the Wheelers of America.

WHEELER ROOTS

The name, first appears in history in the eighth century, when one of the Saxon Chieftains bore the name "Wielher". As the wor shows progressive changes from that date onward, there is no great difficulty in tracing the character of that change. In the grea Domesday Book, the name appears as "Weleret"; "Hugh Le Welere" is mentioned on the One Hundred Rolls in 1273 and "Richard le Whelere" on the Close Rolls in 1348. The spelling "Wheeler" does not appear until a date which precludes its origin having borne any relation to a trade, such as a wheelwright. Surnames did not appear in general use until the eleventh and twelfth centuries. This early spelling "Wielher" is evidently a compound of two Anglo-Saxon words "Wel" meaning prosperous or fortunate from which derivation the modern word wealth may be traced; and the Anglo-saxon word "Heri" meaning warrior from which our word hero can be traced. The present spelling of the family name "Wheeler" is a spelling of words which mean a lucky warrior or a prosperous hero. There are several reasons why the name Wheeler would not seem to come from the occupation of wheelwright. One, is that when surnames were being determined, the name of the family was not spelled Wheeler, but was spelled Wielher. The second, is that the wheelwright was not a distinct occupation as was Smith, Carpenter, Tailor etc. The third, is that the wheel was an object made rather than as a name of a trade.

In Colonial records alone the variations in spelling the old "Welheri" name are many: WELER, WEELER, WHELER, WHELIR, WHALOR, WHELAR, WHEELR, WHEELAR, WHEELER, WHEALER, WHEALOR, WHETER and perhaps a few others. It is well known that there was a laxity of spelling in colonial days, especially among the census takers and emmigration clerks. Prior to the year 1650, no other one surname was borne by as many families as the name Wheeler in America.

The principal reasons for the migration of the Wheelers from England closely paralleled the causes which led to almost all the migration at that period. Chief among these was the infamous Act of 1593 which said "all persons above sixteen years of age, who obstinately refuse to attend divine service at some established church, should be committed to prison, without bail, until they should conform and make public confession of conformity, in terms prescribed by the statute itself". Nothing has done more to populate New England and other parts of America than this statute. Hopes that relief from the iniquities of this Act would be realized upon the accession to the throne of James in 1603 were dashed, when James himself said, "no bishop, no King; I will make them conform themselves - or I will harry them out of the land --". Charles I ascended the throne in 1625 and still no relief. In 1627, many people of large means refused on constitutional grounds to pay the "Ship Money Tax" because it was not levied with the consent of Parliament. For eleven years, the King taxed his people without representation, and confined in the Tower those who questioned his right. Between 1629 and 1640, 200 emigrant ships had crossed the Atlantic, and 20,000 Englishmen had found refuge in the West (America). There were many Wheelers among this group. Evidence would seem to indicate that some of the Wheelers were well-to-do when they arrived in America, as their possessions enabled them at once to assume prominence among the leading citizens of the town.

DAVID WHEELER
Early Emmigrant To America

According to family stories or tradition passed down from father to son and mother to daughter, the first Wheeler to which we are kin to emigrate to America is David Wheeler b in England, s/o John and Ann Yeomans Wheeler. He came abroad the ship "Confidence" - sailing from Southampton, England 24 Apr 1936. He was one of the 20,000 Englishmen mentioned on page 1. He came from County Kent, England to Newburyport, Mass. He m May 11, 1650 Sarah Wise, d/o Humphrey & Susanna Wise at Newbury, Mass. Their children:

1. Sarah Wheeler m Mar 1675 John Spofford.
2. John Wheeler b 5 Dec 1653 Newbury, Mass m Mary ___.
3. Abigail Wheeler b 2 Feb 1656 - d 13 Apr 1742 m 20 May 1679 Samuel Hills.
4. Jonathan Wheeler b Jan 1658 m 15 Mar 1683 m Mary ___.
5. Nathan Wheeler b 27 Dec 1659 Newbury, Mass. m Rebecca ____.
6. Lydia Wheeler b7 May 1662 Newbury, Mass.
7. Jethro Wheeler b 28 Mar 1664 Newbury, Mass. m Hannah French.
8. William Wheeler b 21 Apr 1666.
9. A son b 2 Apr 1668 Newbury, Mass. - d ca 1691; (probably Benjamin, as his will mentions his brother Nathan and father, David.
10. Joseph Wheeler b 15 Sep 1669 Rowley, Mass.

The stories connecting us to David Wheeler of Newbury, Mass. were passed on to us via a statement of Charles Alexander Wheeler, s/o Alexander Sevier & Sarah E. Wilkins Wheeler, s/o Joel, S/o John, s/o Thomas of Bedford County, Va. "My mother was raised in the home of my grandfather, Joel Wheeler, knew not only my grandfather, Joel Wheeler and all of his children; but also knew of Joel's father, John Wheeler. Both my father and mother had very retentive memories and often discussed, in my presence, the Wheeler family and its history as far as they knew it. I know from family discussion, as well as other facts, that our first Wheeler ancestor in America was David Wheeler, who came from County Kent in England to Newburyport, Mass. in 1636. I have never been ble to satisfactorily connect David Wheeler with Thomas Wheeler of Bedford Co. Va., who was one of our ancestors; but as stated above, I know that Thomas Wheeler was descended from David Wheeler. Thomas Wheeler lived in Bedford Co. Va. as early as June 1762; having come there from Hanover Co. Va. His wife"s name was Elizabeth, but I do not know her maiden name. There is a granite monument at Newburyport, which I have seen, and on which is inscribed the name of David Wheeler as the head of a family who landed there in 1636." Thus this story is now related to you.

The Descendants of the Wheelers, who emigrated to America, began to move South and West. Each generation of Wheelers moved a little futher. Some of them came to Virginia, so we are including information on some of the Counties of Virginia where Wheelers were found as early as 1745.

Some Wheeler Notes: Buckingham and Cumberland Counties, Virginia

Although we have found no proof as such that the John Wheeler patent of 10 July 1745 was for John Wheeler of Henrico, it seems likely that it was. The patent, already stated in the Henrico County notes, was for 400 acres "in Goochland County" on a branch of Barren Lick Creek of Willis' River, adjacent land of Henry Cary and Samuel Ridgway. The land can be placed in Buckingham County by referring to Volume 1 of "The Edward Pleasants Valentine Papers", section devoted to the Cary family, pages 271 and 273. The Henry Cary tract is described as being "on the branches of Buck river other wise called Willis's Creek in the County of Goochland commonly called and known by the name of Buckingham". Page 326 carries abstracts of two patents to Archibald Cary, dated 12 Jan. 1746 and 1 June 1750. The earlier one is for land on the north branches of Willis's River, adjoining Henry Cary, Henry Beard and John Wheeler. The one of 1750 is for a tract on both sides of Barren Lick branch of Willis's Creek, adjoining Alexander Trent, John Hardeman, James Wilkins, John Payne, John Wheeler and Harvey (sic) Beard. A closer placing of "Barren Lick" can be found on pages 231 and 232 of the same reference.

Whether or not the John Wheeler of the 1745 patent was from Henrico, it seems probable that the Wheelers of Buckingham County lived on or adjacent the John Wheeler patent land. Because the tract was adjacent to or near the Cumberland County line, we find almost as many references to the Wheelers in the Cumberland Order Books as can be found in the few existing early records of Buckingham County. Although the Wheelers lived within Buckingham, they apparently had business with residents of Cumberland which brought them to Cumberland courts from time to time.

SARAH WHEELER. The earliest reference we have found to Sarah Wheeler of Buckingham is derived from pages 83-84 of Morgan Edward's 1772 volume, "Materials Towards a History of the Baptists in the Provinces of Maryland, Virginia, North Carolina, South Carolina, Georgia", the original copy of which is in the Baptist Historical Collection, Furman University Library, Greenville, S.C.. The pages cited cover the Baptist church in Buckingham County, which church was constituted 7 May 1772, and built in that year on land given by Seth Cason. The minister at that time was Rane Chastain, whose wife was Ann Ford. Assisting him was William Johnston. The original constituents of the Buckingham Baptist group were: Rane Chastain and wife, Joseph Carter and wife, Robert Huddleston and wife, Wm. Anderson and wife, Seth Cason and wife, Wm. Johnston, Wm. Hammonds, John Epperson, George Epperson, Thos. Holland, Steph. Garret, John Acres and wife, Henry Baker, James Ford, Philip Vest, Benj. Bristol, Benj. Goss, Wm. Peasley, John Arnold, Hanna Hudgins, An. Carter, Sarah Wheeler, Lettice Hammond, Sara Guthry, Eliz. Sharoon, Eliz. Goss and four negroes, unnamed in the Edward's history.

The Virginia Gazette (Purdie), 11 Aug. 1775, page 4, col. 1, carried a list of tobacco remaining in Rocky Ridge Warehouses, the list being primarily of persons of Cumberland and Buckingham Counties. Listed: "Feb. 18, 1773 Sarah Wheeler Note out".

Buckingham Co., Va. Tithables, 1774, page 1, list of George Hooper, 10 June 1774 lists Sary Wheler with negro Pegg as her one tithable. Listed 2 lines above Sary Wheler, was Archer Wheler (Archelaus Wheeler).

Some Wheeler Notes: Buckingham and Cumberland Cos., Va., continued:

Prince Edward Co., Va. Will Book 1, pages 343-344: Will of Edward Cason, "of Buckingham County", dated 1 February 1775. Witnessed by Boaz Ford, Hannah Ford, Sarah (+) Wheeler. The Cason will was proven 11 Aug. 1784 in Prince Edward Co. by Boaz Ford and Sarah Wheeler. Edward Cason left land in both Buckingham (on a branch of Willis Creek) and in Spottsylvania Co. (on East North East River).

Cumberland Co., Va. Order Book, 1779-1784, pages 308-309, March 1783, Mary Barker, Pltf., against Connelly Mullins and Samuel Allen, Defts., in Trespass. The jury found for Mary Barker who won 1 penny and costs. Witnesses for Mary Barker were: Elizabeth Coleman (5 days); Sarah Wheeler (2 days, and 2 times coming and returning 8 miles); John Barker (5 days, and 1 time coming and returning 175 miles); William Cox (8 days); Charles Barker (12 days). This case was also noted on pages 114, 118, 131, 132, 295, as well as 308-309. The suit was brought 25 April 1780 against the two defendants above and Joseph Towns, but abated as far as Joseph Towns was concerned, for he was "no inhabitant". During this period, Charles Barker, in his capacity as one of the Executors of Joseph Hill, deceased, was involved with the Allens and others in lawsuits. Joseph Hill had been one of the partners in Speirs and Co.. The Allens, Barkers, Hills and others appear together in various Cumberland records. It should be noted that Obedience Allen was married to William Towns (before 1774), and appears to have been a sister of one Samuel Allen.

From the foregoing we know that Sarah Wheeler was an original member of the Buckingham Baptist Church when it was formed 7 May 1772, that she lived two "doors" from Archer Wheeler (Archelaus Wheeler) in 1774, and was living 8 miles from the Cumberland Courthouse circa 1780-1783. We also know that she was still living and able bodied enough to prove the Cason will in Prince Edward Co. on 11 Aug. 1784.

SAMUEL WHEELER. Although there was a later Samuel Wheeler, son of Charles Wheeler of Buckingham, who crossed the line to live in Cumberland circa 1799, there was another, earlier Samuel Wheeler in the Buckingham-Cumberland region who appears in Cumberland Co. Order Books from 27 Feb. 1764 through 24 Feb. 1767, when he seems to have disappeared from existing records of that area. He was apparently related to Benjamin and John Wheeler, and must have lived about 10-14 miles from the Cumberland Courthouse. He was probably born by or before 1743. These assumptions are derived from the following order book items.

Cumberland Co., Va. Order Book, 1762-1764, pages 171, 210, 254, 310, 342, 391, 421, Samuel Wheeler, Pltf. against John Hughes, Deft.. Dismissed 27 March 1764, the plaintiff failing to prosecute. On 27 Feb. 1764, the witnesses for Samuel Wheeler were listed: John Clements (5 days, and 3 times coming and returning 12 miles); Thomas Roberts (6 days, 3 times coming and returning 13 miles); Thomas Oseley (5 days, 3 times coming and returning 14 miles); Collins Gooding (4 days); James Barden (4 days, 3 times coming and returning 10 miles). Witness for John Hughes was John White (5 days, coming and returning 12 miles).

Cumberland Co. Order Book, 1762-1764, p. 497, 541, and Order Book, 1764-1767, p. 43, Samuel Wheeler, Pltf. against John Hughes, Deft., in a debt. Suit began 25 June 1764 and was decided 25 September 1764 in favor of Samuel Wheeler.

In Cumberland Co. Order Book, 1764-1767, there were two suits against Samuel Wheeler running concurrently. One was a counter suit brought by John Hughes over the same issue as had been the other case, and the second case was styled as "The King vs. Samuel Wheeler", and also as, "Rachel Walden, an infant by Wm. Walden, her next friend, against Samuel Wheeler". The Walden suit ran from 27 Aug. 1764 through 24 Feb. 1767 when it was dismissed, the plaintiff failing to prosecute. Entries appear on pages 6, 10, 62, 72, 145, 194, 228, 280, 311, 339, and 409. On 27 Aug. 1764, William Mills acted as security for Samuel Wheeler on a bond of Ł 10, while on 26 Nov. 1764, Samuel Wheeler made bond of Ł 50, and Benjamin and John Wheeler each pledged Ł 25 bond on Samuel Wheeler's behalf.

The counter suit brought by John Hughes ran from 25 Sept. 1764 through 26 Aug. 1766, and is noted on pages 43, 65, 148, 195, 228, 281 and 311. Hughes had received a stay on the former judgment against him pending resolution of this second suit over the debt. When Samuel Wheeler, the defendant, failed to answer 26 Sept., 29 Oct. and 29 July 1765, the suit was decided 26 Aug. 1766 for the plaintiff, Hughes, who received a judgment of his costs in this case, and in the previous case as well. Whether or not Samuel Wheeler was physically present in the region after 26 Nov. 1764 is not stated one way or the other in the notations we have found.

CHARLES WHEELER, probably born about 1730-1735, appears in Buckingham continuously over a long period of time, and apparently died there circa 1808. It would seem from Buckingham Co. Tithables of 1773, 1774, Personal Property Tax Lists from 1782-1807 and Buckingham Co. Land Tax Books from 1782 on, that Charles Wheeler had among his children, John, Charles, Jr., Robert, Samuel and possibly James Wheeler. Some of these sons were noted later as having land on Hatchers and Buffalo Creeks and on Willis River. This family of Wheelers appear in various records having to do with Buckingham and Cumberland, descendants spreading to adjacent Cumberland, some going on in later years to Boone, Chariton and Linn Counties, Missouri. There is too much material to include it all here.

The earliest mention of Charles Wheeler that we have is in Cumberland Order Book, 1764-1767, p. 173: 22 July 1765. Alexander Steel, Pltf. against Benjamin Wheeler, Charles Wheeler and Henry Scruggs, Defts.. Because Benjamin and Charles Wheeler were not inhabitants of Cumberland Co., the suit abated as to them. A clear indication that these two Wheelers lived across the line in Buckingham, and also an indication that there was some sort of relationship between Benjamin and Charles Wheeler.

Buckingham Co., Va. Tithables, 1773, p. 3, Henry Bell's list: Charles Wheler, Joc Wheler, 2 tithables. Same, 1774, p. 11, Henry Bell's list: Charles Wheeler and son John, 2 tithables.

Buckingham Co., Va.Surveyors Platt Book, 1762-1844, Virginia State Library, Archives Division, shows a survey for Lewis Christian, circa 1779-1780, which platt reveals Charles Wheeler's neighbors on 3 sides to have been Anderson Adcock, Lewis Christian and Archibald Cary. A deed in the Prince Edward District Court records, referred to elsewhere in these notes, also places Archelaus Wheeler adjacent to Charles Wheeler prior to 1781-1782.

In 1797, Randolph Nixon was counted as one of Charles Wheeler, Sr.'s tithables. In 1798, D. Puckie (Puckett?) was listed with him as a tithable, and in 1799, W. Nixon was so listed. The Nixons may have been related to Hughriah and Lurana Nixon who appear in Prince Edward, Cumberland and Buckingham records at least as early as 1755. Of his sons, Charles Wheeler, Jr. and Robert Wheeler appear to have remained in that region. Son Samuel Wheeler appears through 1799 when he moved across the line into Cumberland where he remained.

John Wheeler, son of Charles Wheeler, Sr., was present in Buckingham in 1773 and 1774 when he was counted as a tithable in his father's household. When Andrew Chaudoin married widow, Sarah Matthews, in Buckingham on 20 Dec. 1786, John Wheeler was the surety. Witness was Matthew Branch, Jr.. (Andrew Chadoin [Sarah], Rev. War Pension W2918.) The Personal Property Tax Lists of Buckingham show John Wheeler there in 1783, 1786-1788, 1790, 1795, 1796 and no longer. Perhaps coincidentally a John Wheeler appeared in Bedford Co., Va. Tax lists in 1789 and 1790, as did a James Wheeler (believed to have been from Buckingham). This may or may not be the same John Wheeler.

Possibly a daughter of Charles Wheeler, Sr., Sally Wheeler, "spinster", married John Adcock in Buckingham Co. 13 Feb. 1787. Thomas Pasley, who had married Winney Adcock in 1785, was Surety. ("Some Marriages in the Burned Record Counties of Virginia", Va. Genealogical Society Special Publication No. 4, p. 2.)

JAMES WHEELER, born ca. 1758, died 2 July 1843, made his first appearance in the Buckingham Co. Personal Property Tax Lists in 1782 when he was listed as a tithable of Charles Wheeler, Sr.. Although it seems probable that he was a son of Charles Wheeler, Sr., we do not know it to have been a fact. James Wheeler was absent from the listings from that time to 5 June 1787 when he was once again listed in Buckingham as an overseer for Henry Bell. After that time, his name does not appear again in the Buckingham Tax Lists.

In Buckingham Co., 20 June 1786, James Wheeler married Elizabeth Welch, spinster, of full age. Surety was John Welch. ("Some Marriages of Burned Record Counties of Va.", Va. Genealogical Society Special Publication No. 4, p. 107.) Circa 1808 this same couple settled in Gibson Co., Indiana where James Wheeler filed for a pension as a revolutionary Soldier, 20 Aug. 1832. On 6 Sept. 1843, Elizabeth Wheeler filed as the widow of James Wheeler, stating that they had been married in Buckingham Co., Va. "in the Summer, about four years after the Battle of Guilford Courthouse." John Wheeler and Wm. R. King verified in Gibson Co., Ind., the date of death of James Wheeler. Where James and Elizabeth Wheeler lived between

Some Wheeler Notes: Buckingham and Cumberland Cos., Va., continued:

1786 and 1808 is not stated.

The Bedford Co., Va. Personal Property Tax Lists show a James Wheeler first in 1789. He is listed through 1794. Virginia Land Patents Book 19, p. 577, lists a grant to a James Wheeler, 12 Aug. 1789, for 78 acres on Beaver Dam Creek, Bedford Co., Va..

Bedford Co., Va. Deed Book 8, p. 40, 13 June 1789, James Payne of Bedford Co. sold 30 acres on a branch of Beaver Dam Creek adjacent Dollard's to James Wheeler of Bedford Co.. Witnesses were Archelaus Whelear, William and Robert Nimmo and John Dollard. The deed was recorded 28 February 1791.

Bedford Co., Va. Deed Book 9, p. 8: 6 Dec. 1791. James and Elizabeth Wheeler and William Anderson, all of Bedford Co., sold 20 acres on Beaver Dam Creek, adjacent Wheelor, to Joseph and Andrew Patterson, both of Bedford Co.. Witnesses were Byrom Ballard, Andrew Black and Wm. Cundiff. Recorded 26 Dec. 1791.

Bedford Co., Va. Deed Book 10, p. 61: 27 Sept. 1795. James Wheeler of Bedford sold 100 acres to Andrew Patterson on the south side of Beaver Dam Creek adjacent Mede (sic), William Anderson and Patterson. Witnesses were Robt. Nimmo, John Patterson, Jos. Patterson. Memo of possession was witnessed by Francis Cole and Ruben Stanly. Recorded 29 Dec. 1795.

Bedford Co., Va. Deed Book 11, pages 32-33: Dower relinquishment of Elizabeth Wheeler, wife of James Wheeler, for the 100 acres sold to Andrew Patterson. The relinquishment was given in Sumner Co., Tenn, 22 Feb. 1799.

The foregoing notations are offered here to establish the possibility that the James and Elizabeth Wheeler of Bedford and later of Sumner Co., Tenn., could have been the same as James Wheeler and Elizabeth (Welch) Wheeler of Buckingham Co., Va. who settled much later in Gibson Co., Indiana. The fact that Archelaus Wheeler, who had come to Bedford from Buckingham, witnessed the 1789 Bedford Co., Va. deed strengthens the possibility that this might have been so.

BENJAMIN WHEELER, born circa 1742, died 1823, first appears in the region of Buckingham-Cumberland in 1763, and removed to Bedford Co., Va. between 25 Sept. 1781 and 21 Nov. 1781. Although the history of Benjamin Wheeler and his wife, Hannah, is covered more fully elsewhere in this publication, a brief listing of the Buckingham or Cumberland notes concerning Benjamin Wheeler should be included here with other Wheelers of the region as well.

Cumberland Co., Va. Order Book, 1762-1764, p. 285: 22 Aug. 1763. Benjamin Wheeler, Pltf. against Henry Scruggs, Deft.. In case. By consent of parties this suit was dismissed at the defendant's costs.

Cumberland Co., Va. Order Book, 1762-1764, p. 494: June 1764. Benjamin Wheeler, Pltf. vs. Lawrence Smith, Deft. Defendant failed to appear and the Plaintiff was to recover the sum of £ 1. 15 shillings and costs.

Cumberland Co., Va. Order Book, 1764-1767, p. 72: 26 Nov. 1764. The King against Samuel Wheeler. Samuel Wheeler gave his bond for £ 50. Benjamin and John Wheeler each pledged bond of £ 25 on behalf of Samuel Wheeler. This item establishes some sort of relationship between the three men - Samuel Wheeler, Benjamin Wheeler and John Wheeler.

Cumberland Co., Va. Order Book 1764-1767, p. 173: 22 July 1765. Alexander Steel, Pltf., against Benjamin Wheeler , Charles Wheeler and Henry Scruggs, Defts.. This suit abates as to the defendants Benajmin Wheeler and Charles Wheeler, being "no inhabitants of this county". An attachment was ordered against the defendant Henry Scrugg's estate. This order book entry leads us to believe that there was a relationship between Benjamin and Charles Wheeler, and reinforces the fact that they were residents of Buckingham rather than Cumberland.

Cumberland Co., Va. Order Book, 1764 - 1767, p. 433: 23 March 1767. Benjamin Wheeler, Pltf. against William Marshall, Deft. for £ 2.8shillings 6 pence. Benjamin Wheeler was to recover £ 2.6 pence and costs.

Virginia State Library, Archives Division, Legislative Petition from Bedford Co., Va., 21 Nov. 1781: Signed by Benjamin Wheeler, Roland Wheeler, Archelaus Wheeler and Thomas Wheeler. Establishes the fact of Benjamin Wheeler's having moved from Buckingham Co. to Bedford Co. approximately between 25 September 1781 and 21 Nov. 1781.

ARCHELAUS WHEELER. References to the early history of Archelaus Wheeler are rarely found. Following are the only two such references we have located thus far in Buckingham Co., Va..

Buckingham Co., Va. Tithables, 1774, p. 1: George Hooper's List cites Archer Wheler, with 1 tithable. Listed immediately before him was ---mes Welch (1 tithable). Listed after Archer Wheler was Archer Chastain (1 tithable), then Sary Wheler with negro Pegg (1 tithable). "Archer" is one of the many variations on the name, "Archelaus".

Prince Edward Co., Va. District Court Deeds, 1789-1816, pages 65-66: Mortgage dated 19 Jan. 1795 between David Coupland, Buckingham Co. to James, Thomas and Francis Deane, Cumberland Co. for 130 acre tract in Buckingham, together with a water grist mill thereon, "the said Land being the Tract formerly purchased by the said David Coupland of a certain Archelaus Wheeler and is bounded by the lines and lands of the Belmont Tract, Thomas Randolph, Isham Randolph, Charles Wheeler and Anderson Adcock." Recorded in Buckingham 8 June 1795. Recorded in District Court at Prince Edward, 1 Sept. 1795. The foregoing tract had to have been purchased by David Coupland from Archelaus Wheeler before late 1781, and would tend to extend the relationship of Charles Wheeler farther, this time to Archelaus Wheeler.

By 21 Nov. 1781, Archelaus Wheeler was established in Bedford Co., Va. as shown by his signature on a Legislative Petition of that date, which petition has been touched on elsewhere in these notes.

JOHN WHEELER. There were two John Wheelers in the region of Buckingham-Cumberland at a fairly early date. One, already mentioned, was John, a son of Charles Wheeler, Sr., probably born about 1750. However, there was an older John Wheeler, also already mentioned here, who might escape notice as being a separate individual. That person was the John Wheeler who, along with Benjamin Wheeler, pledged his bond of £25 on behalf of Samuel Wheeler in Cumberland Court on 26 Nov. 1764. That John Wheeler would have to have been born at least by 1742, and probably was born sometime before that date. Thus far, this one brief appearance in these records of the elder John Wheeler is the only reference we have found to him.

Putting together all the scraps of information we have been able to derive thus far from existing records of Buckingham and Cumberland Counties, we are led to believe that there was a relationship between John Wheeler, Sarah Wheeler, Samuel Wheeler, Charles Wheeler, Benjamin Wheeler and Archelaus Wheeler. They began appearing in these records circa 1763-1765, which coincides fairly well with the time at which the early Wheelers of Henrico County seem to have left that county. If this group of Wheelers found in the Buckingham-Cumberland records was from Henrico, then Rowland Wheeler, known to have come from there, must also be a part of the family group.

Some Wheeler Notes: Hanover County, Virginia

It is not possible to pursue this subject fully here, but a brief outline of the earlier Hanover County Wheelers should be made.

Benjamin Wheeler appears in the Vestry Book of St. Paul's Parish, Hanover, in processioning lists from 29 October 1731 through 11 September 1739. It is my belief at this time that he was the same Benjamin Wheeler who appears briefly in Goochland County records, settling in Albemarle County before 1748. He was probably born circa 1700, give or take a few years.

The "Merchants Ledger, Hanover County, 1750-1751", lists on May 21: "By Micajah Wheeler Credit ± 121.3.18.3." (Va. State Library; Archives Division). The name Micajah Wheeler appears early in Albemarle County, and the eldest Micajah Wheeler is thought to have been a brother of the eldest Benjamin Wheeler of that county, mentioned above.

Ann Wheeler appears in Hanover records from January 1733 to October 1735. Pages 13-14 of the Hanover Court Records, 1733-35, show that on the 19th and 20th of January 1733, Ann Wheeler, John Winn and Mary Pledger witnessed deeds of lease and release from Richard Winn and wife, Phebe, of St. Paul's Parish, Hanover, to John Winn. The land being conveyed had been purchased of John Hogg of New Kent by Phebe when she was known as the widow Phebe Pledger. On pages 16-18 of the same reference, there are deeds of lease and release dated 31 January and 1 February 1733, from John Winn and wife, Elizabeth to Richard Winn, all of Hanover. The same three persons witnessed, including Ann Wheeler. The 18 October 1735 record of the Vestry Book of St. Paul's Parish lists a charge against the parish "To Roger Williams for keeping Ann Whealer 2 months...".

The name Robert Wheeler appears in Hanover records from 9 October 1733 through 14 March 1785 when the Vestry of St. Paul's Parish allowed 10 pounds towards his support. In earlier years he had been listed as a Sexton of the Church, and his name appeared a number of times in processioning lists. On 9 October 1733, the Vestry Book stated that an orphan, Jane Austin, was to be bound to Robert Wheeler. From 19 November 1762 through 21 November 1765 Robert Wheeler was reimbursed by the parish for keeping or making clothes for George Austin. 18 November 1748 it relates that the parish was to pay Robert Wheeler for boarding Grizzel Carter 4 months. There are a number of Vestry Book entries, 20 October 1753 through 24 November 1761, listing Robert Wheeler as having kept Grizzel Carter, or of Robert Wheeler or his wife, having dressed or cared for Grizzel Carter's "sore leg".Rebecca Wheeler appears in the Vestry Book of St. Paul's Parish from 5 November 1754 through 24 November 1761 when she was paid by the parish for dressing Grizzel Carter's leg.

Thomas Wheeler is listed three times in the Vestry Book of St. Paul's Parish. On 15 April 1756, his name appears in the processioning lists of Richard Anderson and William Johnson. 25 November 1760 the parish provided an amount"To Thomas Wheeler towards his support to be Lodg'd", and 24 November 1761, Dr. Jones was allowed a charge "for tapping Thos. Wheeler".

Some Wheeler Notes: Henrico County, Virginia

The Wheelers of Henrico County, Virginia and those of Hanover County, Virginia should be considered together when attempting to reconstruct family groups. Wheelers from both counties can be traced to other regions of Virginia. Since, however, there is a definite link between some of the Wheelers of Henrico and some of those of Bedford County, Virginia, the following notes may be of interest.

Virginia Land Patents #12, 1724-1726, pages 36-37:
John Wheeler of Henrico. 412 acres in Hanover Co.. Dated: 9 July 1724. Boundaries refer to Stephen Luntors line by Bowles, Cloptons branch, hickory of Wm. Stones, Richard Allens, John Casey, Mr. Bowles. This tract of land would have fallen, I believe, near or across the Hanover Co.- Henrico Co. line.

Henrico Co., Va. Wills and Deeds, 1725-1737, No. 2, Part 2, p. 369:
Michael and Judith Holland, Hanover Co., to James Breton, Henrico Co. deed of 28 Sept. 1732. The deed and dower relinquishment both witnessed by John (W) Wheeler.

Henrico Co., Va. Wills and Deeds, 1725-1737, No. 2, Part 1, p. 476:
Joseph Mayo to Alexander Morse deed of 2 Nov. 1734. Witnessed by Anthony Whealer.

"History of Henrico Parish and Old St. John's Church, Richmond, Va., 1611-1904"; J. Staunton Moore; 1904. The following is on page 30, part of "Vestry Book of St. John's Church", processioning reports from circa January 1735/6 or slightly thereafter.
"...Robert Mosby and John Whealer processioned the Land of Obadiah Smith ...John Whealer, Thomas Conway, Obadiah Smith, processioned Matthew Hutchinson Land...John Whealer and John Royall processioned the Land of Thomas Conway and Nich's Prior...." Because of the foregoing and names and places mentioned in various deeds involving Wheelers in Henrico, it is probable that the September 1731 Vestry notes, outlining precincts to be processioned would cover the region in which the Henrico Co. Wheelers lived. Page 6 of the same reference carries a description of the precinct which should apply here: " From the Mouth of Deeprun up Tuckahoe to the Mouth of Chumbley's branch, thence along the County line to Hanover line, thence down Chiquohomony Swamp to the Mouth of upland Brook, thence up the Brook to the bridge, to be processioned by Robert Mosby and John Shepherd."

Virginia Land Patents #15, 1732-1735, pages 139-140:
John Wheeler. 388 acres in Henrico Co., north side of the James River. Robert Morris' line mentioned. Dated: 2 Aug. 1736.

Virginia Land Patents #22, 1743-1745, pages 296-297:
John Wheeler. 400 acres, Goochland Co. on branch of Barren Lick Creek of Willis' River. Dated 10 July 1745. Mentioned in boundaries: Henry Cary, Gent.,, Samuel Ridgways corner. It is believed that this tract would have been near or across the present Buckingham-Cumberland line, near the point where county road 626 intersects with 650 in Buckingham, which area is adjacent to or within the edge of the present Cumberland

William Turner, Henrico to John Mosby and John Staples, Henrico. 7 Feb. 1761. 116 acres on a branch called Pigpen, being part of a tract that did belong to William Turner, deceased. Bounded by lines of John Wheeler, Jacob Smith, Nathan Turner. Witnesses: Benja. Wilson, Bremillion Holloway, Francis (+) Cornet. Recorded 3 Aug. 1761.

Henrico Co., Va. Court Orders, 1755-1762, p. 494:
March Court 1761. "The Last Will and Testament of John Wheeler decd. is Presented in Court and proved by the oath of the witnesses thereto and ordered to be recorded." This will cannot be found in Henrico Co. Deeds and Wills, 1750-1767 (in 2 parts), or in Miscellaneous Court Records, Vol. 6, 1758-1769. There appears to have been at least one more book of records at some time, but that book has not been located to date. Perhaps something more can be learned of the will of this John Wheeler at some future date.

Henrico Co., Va. Wills and Deeds, 1750-1767, p. 814:
John Mosby, John Staples to Andrew Patterson. Tract in Henrico on Daniel Turners line. Mentioned is "a corner black oak on John Wheelers line". 7 Nov. 1763. (This is from a researcher other than myself. I do not know at this time if the date is that of writing or of recording. Likely to

Henrico Co., Va. Wills and Deeds, 1750-1767, p. 881-882:
John Wheeler and Roland Wheeler to Benjamin Bowles. 17 April 1764.
Said John Wheeler for £ 9 current money of Virginia sells 100 acres in Henrico County. In like manner as the said John Wheeler hath granted 100 acres unto the said Benjamin Bowles, so doth the above named Rowland Wheelor sell the said Benjamin Bowles 50 acres of land in Henrico County in consideration of both that and the aforesaid 100 acres included in one bounds which parcel of 150 acres of land conveyed by John Wheeler and Rowland Wheelor unto the said Benjamin Bowles is bounded as followeth, "Begining at a corner pine on Turners line...north...Jennings corner thence on his line north... to his and Morrises corners thence on Morrises line...south...east...to the begining corner...." Signed: John (I) Wheeler; Rowland Wheler. Witnesses: Ralph Hunt; David Wade; John Bowles. (Seizure Memo and memo of consideration money dated the same day, with the same witnesses and signatures.) Court 3d September 1764. John Wheeler and Roland Wheeler acknowledged deed to Benjamin Bowles proved by the witnesses. "Ann Wheeler wife of Rowland Wheeler, Privily examined Relinquished her Right of Dower." Admitted to record. (This deed was also noted in Henrico Court Orders, 1763-1767, p. 345, September 1764 Court.)

Henrico Co., Va. Court Orders, 1763-1767, p. 389, 450, 458:
(p. 389) Nov. 1764 Court. Patrick Henry, Junr., Plt. agst. Rowland Wheeler, Deft., in Debt. "This day came the Plt. by his attorney and the former writ in this suit not being executed on the motion of the said Plt. another writ is awarded him against the said Deft. returnable to next Court."
(p. 450) April 1765 Court. Same entry, wording, etc..
(p. 458) 6 May 1765 Court. Same heading, followed by: "This day came as well the Plaintiff by his attorney as the Defendant in his proper person and the said Defendant acknowledging the Debt for which this Suit was brought to be Just, and the said Plaintiff having wrote to the Court in these words to wit "Gentlemen I am willing to take Judgment against Rowland Wheeler for one pound eighteen shillings and ten pence and costs without Spl. Bail I am Gent. yr Hble. Servt. P. Henry Junr. 28 April 1765. To the Wpfull Co$^{t.}$ of Henrico." Therefore it is considered by the Court that the Plaintiff recover against the said Defendant the afsd. Sum of One Pound Eighteen Shillings and ten pence and also his costs in this behalf Expended and the said Defendant in mercy etc.."

The above interesting item is the last reference we have at this time to any of the Wheelers in Henrico Co., Va. records. Others may come to light in the future. We would be interested especially in any document touching on the will or heirs of John Wheeler who died by or before 1761.

From the foregoing we know there were at least two John Wheelers in Henrico. It is probable that the one who filed the early land patents, used "W" for his sign and left a will in 1761 was the elder John Wheeler. How the other John Wheeler, Rowland Wheeler, Anthony Wheeler and Hannah Wheeler fit into the family pattern has not been proven insofar as we know.

Some Wheeler Notes: Henrico Co., Va., continued:

It is believed that the elder John Wheeler of Henrico County was related to some of the earlier Wheelers of Hanover County, and that he lived in close proximity to them. An examination of what remains of Hanover records reveals a number of names surrounding the Wheelers of that county which are also found around the Wheelers of Henrico. Some of those same names continue on into Buckingham and Bedford Counties, Virginia, there also found in association with Wheelers. In short, it appears that at least some of the Wheelers of Hanover, Henrico, Buckingham and Bedford Counties were related to one another.

The apparently younger John Wheeler of Henrico County, who utilized as a sign the letter "J" (I), is difficult to assign to a later location because there were several men of that name living in the same general region of Virginia at that time. It should be noted that although Rowland Wheeler's wife, Ann, gave her dower relinquishment to the 1764 joint sale of Henrico acreage by John and Rowland Wheeler, there is no similar notation of John Wheeler's wife having done so. If he was married at the time, no dower relinquishment was taken, it was not recorded or the record has not been located. There are too many possible explanations to draw any valid conclusions without further documentation.

We know that Rowland Wheeler and wife, Ann, were settled in Bedford Co., Va. by at least 25 April 1769 when Rowland Wheeler finalized a land purchase on Beaver Dam Creek from John Keith. The history of Rowland Wheeler in Bedford County, and later in Kanawha County, (W.) Va. is an interesting one. Some of his descendants remained in the region of Bedford, while others moved on to other localities. We do not know the birthdate of Rowland Wheeler, but it must have been circa 1740 or before.

We have notes concerning Anthony Wheeler leading from Goochland Co., Va., 1731 through the records of Brunswick and Lunenburg Counties. We have presumed that these records pertain to the same Anthony Wheeler, the one who witnessed the 1743 Henrico deed which deed has been mentioned here. In 1742, he received a 400 acre patent on Falling River in what is now Campbell County, which land he sold to Edmund Smith in 1744 (recorded in Lunenburg, 1746). His somewhat checkered life led him deeper into difficulties and he departed Lunenburg for places unknown to his contemporaries or to us circa 1746-1748.

The name "Hannah Whealer" within the text of the 1753 Henrico deed from William and Mary Smith to Jacob Smith, which deed is already noted in these pages, produces several possibilities, one of which is that Hannah Wheeler was a daughter or daughter-in-law of the elder John Wheeler of Henrico. If Hannah Whealer survived beyond the date of the deed, we can find no trace of her under that name. It is possible that she married sometime after 1753, and so would be found under a different surname.

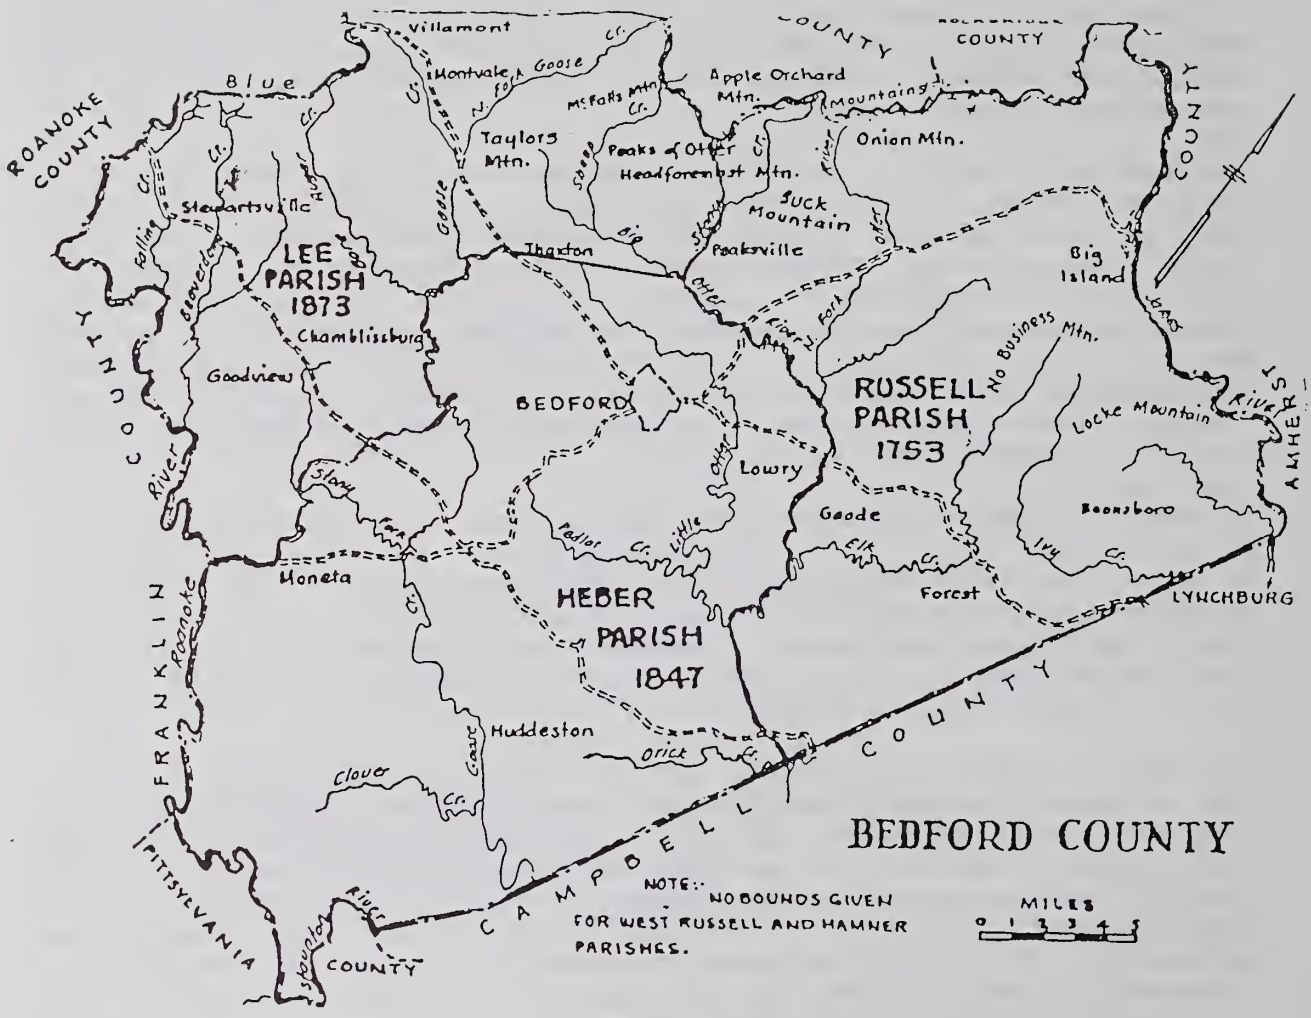
Bedford County Wheelers



From the land records of Bedford County, Va. we find Rowland Wheeler, Thomas Wheeler, Benjamin Wheeler and Archelaus Wheeler all living near one another on Beaverdam Creek near the present town of Stewartville. (1770-1790)

See pages 65-67 for details.

Notes Concerning the Earliest Wheelers of Bedford County, Virginia

Roland Wheeler, Thomas Wheeler, Benjamin Wheeler and Archelaus Wheeler are dealt with elsewhere in this publication, Roland having come from Henrico Co. to Bedford Co. sometime between 6 May 1765 and 25 April 1769, Thomas appearing in Bedford by at least 10 October 1777, Benjamin and Archelaus arriving shortly before 21 Nov. 1781. There were, however, a few other Wheelers whose names are found in Bedford County records in earlier years, and it is those references and the Wheelers they mention, that are set down here.

JAMES WHEELER (probably born ca. 1734 or before). James Wheeler's first appearance in our notes from Bedford Co., Va. records is in Order Book 1A, pages 51-52, Dec. 1754 Court, wherein "Moses Helm, William Moore, Thomas Franklin, John Bollings tyths, William Rutherford, James Murphey, James Wheeler, John Galloway, Archibald Campbell, James McRunnals, Edward Phair, Nicholas Hayse, Lewis Franklin, Edmond Franklin, John Thompson, John Pleasants tyths, Nathl. Patterson and John Carson are added to hands that work on the road whereof John Beard is Surveyor" More of less the same entry, also dated Dec. 1754, is on page 23 of Order Book 1B. A few names were omitted, possibly because they were found to live beyond the jurisdiction of Bedford.

Judging from at least some of these names, it is likely the region involved was over toward Falling River in what is now Campbell County, at or near the point where Campbell, Buckingham, Prince Edward and Charlotte Counties came together before Appomattox Co. was created. It is necessary to keep in mind that in 1754 county lines were being changed rapidly - Charlotte was still Lunenburg, Prince Edward was being formed from Amelia, and Buckingham was not yet created from what was called Albemarle, but which had covered territory that only a few years before had been considered a part of Goochland! If it is confusing to us, it is easy to see that it would have been even more so to those who were settling the region.

The foregoing is stated here because the next mention of James Wheeler that we have found in Bedford is a deed of March 1759 from John Beard, Bedford Co., Va. to James Wheeler, of Prince Edward Co., Va.. For £20 James Wheeler purchased 53 acres on the North side of the Stanton River, which tract utilized the river as part of its boundary. There were no witnesses and the deed was recorded 26 March 1759. (Bedford Co., Va. Deed Book 1, page 208.)

Order Book 3, pages 93 and 98, Court of 29 February 1764, note that James Wheeler served on a jury, and on the same day came into court for John Talbot's suit against him for a debt, and for a suit of James Wheeler's against Phillip Vest, also for a debt. The court packets reveal that on 15 Feb. 1763 James Wheeler signed a note to John Talbot in the amount of £25. 2 shillings. 11 pence half penny, which note was witnessed by John Denney and Elizabeth (X) Henson. It was signed: James ℨ Wheeler.
On the reverse side is what appears to have been a partial payment dated 11 June 1763 which amounts to a credit of £4.3.9. Charles Patterson is noted as having provided bail (for James Wheeler it is presumed). A judgment was handed down in Feb. 1764 Court. It should be noted here that John Denny's will of 1754 names, among others, a son John Denny and a daughter,

Notes Concerning the Earliest Wheelers of Bedford Co., Va., continued:

Anna Henson. (Bedford Co., Va. Deed Book 1, pages 24-25.)

A judgment was also made in the Feb. 1764 Court on James Wheeler vs. Phillip Vest. The court packet contained a note in the amount of Ł 4 made out to Thomas Dillard and signed by Phillip (X) Vest on 27 Sept. 1763. This is followed by a memo agreeing to pay the cost of a suit that Thomas Dillard had brought against him, which memo carried the same date and was witnessed by Chas. Talbot and Wm. Mead. On the reverse side of that paper was: Recd This 12 Dec. 1763 of Mr. James Wheler the contents of the within bond recd by me." (signed) Thomas Dillard. On 12 Dec. 1763, James Wheeler brought a complaint that Philip Vest was indebted to him and "delays payment or so absconds that ordinary process of law cannot be served on him". An attachment on the estate of Phillip Vest was ordered and executed the property attached being 2 feather beds, 2 bolsters, one rug, 2 dutch blankets, one sheep and 4 head of cows.

The last mention we have found of this James Wheeler in Bedford Co. is a deed of 27 Aug. 1766, wherein he sold to John Murphy of Bedford, his 53 acres on the North side of the Stanton River. It was not witnessed, and was recorded the same day.

The last reference we have which we think concerned this same James Wheeler is found in Pittsylvania Co., Va. Order Book 1, p. 275, March 1771 Court. Cited is James Wheeler, Pltf. agst. Thomas Dillard, Deft.. Dillard owed Wheeler Ł 4.2pence. John Vaughan, garnishee, had Dillard's mare and bridle, which were to be sold and Wheeler was to be paid out of the proceeds. Perhaps this was more of the story begun in Bedford Co., which was touched on above.

It should be noted that "Historical Southern Families", Vol. XVIII,(Mrs. John B. Boddie), p. 143 states that the Pittsylvania Co. Tithables of 1767-1785 list a James Wheeler and son James Wheeler, 2 tithables, which names appeared on Thomas Dillard's list, but the book either did not state the year(s) in which the Wheelers were so listed, or we failed to make note of it. Reference to the tithables lists themselves would clarify the point.

Because James Wheeler appears early in Bedford Co., Va. records, he is of special interest to us. Because his initial deed of purchase in 1759 stated that James Wheeler was of Prince Edward Co., Va. we have checked records of that county and of its parent county, Amelia, hoping to find more information. There is one brief mention of a Wheeler in Amelia Co. Order Book 2, p. 13 (right hand leaf), July 1746 Court, which notes "John Wheeler on his petition is Levy free". Also in Amelia Co., a "John Waller, Senor" and wife, Ann, of Amelia sold a tract to Patrick Mullen of Henrico, which was recorded Feb. 1746. The land had been a part of a patent to Richard Tally of 5 Sept. 1723, and the deed was witnessed by Richard, Mary and Thomas Talley. (Amelia Co., Va. Deed Book 2, p. 442-443, and Order Book 2, p. 31 [right hand leaf].) There were many Wallers in Virginia, and this deed may have been truly for a "Waller", not a "Wheeler". These two entries are the only early possibilities found thus far in either Prince Edward or Amelia Counties.

Notes Concerning the Earliest Wheelers of Bedford Co., Va., continued:

This point of research has been especially interesting because James Wheeler of Bedford Co. was not the only Wheeler who cited Prince Edward as his previous home.

John Wheeler of Livingston Co., Ky. stated in his Revolutionary War Pension application that he was born in Prince Edward Co., Va. circa 1757. His affidavit declares that in the Spring of 1776, he moved with his brother and brother's family from Surry Co., N.C. (one point of the text refers to it as Sussex Co., N.C.) to settle on the Holston River near the Long Islands. About 1783 he returned to North Carolina for a few years, then moved to a point on the Saluda River in South Carolina where he remained 11 years. After that time, he moved to Shelby Co., Ky. for about 2 years, then to Livingston Co., Ky. where he was when filing for a pension in May 1833. When his widow, Susannah, filed in May 1845, she was of Crittenden Co., Ky.. John Wheeler married Susannah Clark, a daughter of Capt. Henry Clark and his wife, Sarah Jones, and also a sister of Benjamin Clark and John Clark. Susannah was born 1761, and married John Wheeler circa 1779-1780. When Susannah submitted her own application, she included pages from their family Bible record which pages gave the names and birthdates of her parents, as well as the names and birthdates of the children of John and Susannah Wheeler, which record is included in the file. (John Wheeler, N.C., Va.; Susanna. W 8999. U.S. Archives.)

The point to which John Wheeler moved in 1776 (on the Holston River, near the Long Islands) would be approximately where Washington and Scott Cos., Va. today meet with Sullivan and Hawkins Cos., Tenn.. There are a good many Wheelers recorded early in Washington Co., Va., although they may not be of the same Wheeler lineage. For the period 1776-1783, one would need to check the old records of Fincastle, Montgomery and Washington Cos., Va., as well as other early records covering the portion of Tennessee which became Sullivan Co. in 1779. The point on the Saluda River to which John and Susannah Wheeler moved was determined through reference to the 1790 South Carolina Census (tax lists) which show in 96 District, Pendleton County, S.C. Capt. Benjamin Clark, Henry Clark, Giddian Clarke as well as John Wheeler, Ambrose Wheeler, James Wheeler and William Wheeler.

Whether or not James Wheeler of Bedford Co., Va., formerly "of Prince Edward Co., Va.", and John Wheeler of the Revolutionary War Pension record, born in Prince Edward Co. were related to one another is unknown to us, but it seems a likely possibility.

JOHN WHEELER (born circa 1708); MARY ANN WHEELER: ELIZABETH WHEELER. Although John and Mary Ann Wheeler appear in early Bedford Co., Va. records, and it was sometimes stated they were "of Bedford Co.", they left no recorded deeds in the county. For a time at least, they did have land across the Stanton River in what was then Halifax Co., Va., possibly within the portion from which Pittsylvania Co. was created.

To trace what we believe to have been the history of this John Wheeler, it is necessary to start with records of Lunenburg Co., Va.. The Lunenburg Tithables list of 1748 "from the Mouth of Falling River Upwards", taken

Notes Concerning the Earliest Wheelers of Bedford Co., Va., continued:

by John Phelps, lists a John Wheler, 1 tithable. Matthew Talbot's list in 1749 includes John Wheeler with 2 tithes, Lawrence Baker being in his household. In 1750, on the list of John Phelps was John Wheeler, 1 tithe. Falling River is now in present Campbell Co., but was within Bedford in earlier years, and within Lunenburg Co. before that. Those who took the lists of tithables, Matthew Talbot and John Phelps, were established in Bedford Co. from its earliest years.

The first reference we have to John Wheeler as being within the region of Bedford Co. is found in Maud C. Clement's "History of Pittsylvania Co., Va.", in a portion devoted to several engagements of the militia of Halifax and Bedford Counties with the Indians. A footnote cites the origin of the material as "Indian Book", Vol. 6, pp. 153-159, Columbia, S.C.. Pages 79-82 of the Clement's history tell of John Wheeler's deposition, taken at Mays Ferry (Halifax Co.) on the Staunton River 1 June 1758, which deposition concerned an engagement with the Indians in early May 1758, near the Staunton River. The depositions of John Wheeler, "aged about 50", John Hall and Richard Thompson, "aged about 25 each", William Verdeman, William Verdeman, Jr., Robert Jones, Jr. and Henry Snow stated that they were in pursuit of a group of Indians supposedly Shawnees, who had taken articles and horses from the neighborhood, and were believed to have killed a family in that area as well. Crossing the river, the men became involved in a skirmish with the Indians, during which "the father of John Hall" was mortally wounded.

In Bedford Co., Va. Deed Book 1, pages 243-245, is recorded the Inventory and Appraisement of William Hall, deceased, dated 29 December 1758, and which was taken by Augustine Leftwich, William Verdeman and John Wheeler. Mentioned in the inventory are sums due the estate by William Bennet and William Smanson. The inventory was returned to Bedford Court 26 Nov. 1759 and is the earliest mention of this John Wheeler we have found in Bedford Co. records.

Halifax Co., Va. Deed Book 1, pages 492-494 cover a deed from John Tinkler and Bridget Vardaman, of Halifax Co., Va. to John Whealer, of Bedford Co., Va. for 138 acres on both sides of Ridges Creek, adjacent land of Woodson. The tract had been granted to James Tinkler by patent 12 July 1758. Witnesses were Stephen Clement, Francis Pollard and Daniel Williams. It was recorded 15 March 1759. The next deed in the book was from Francis Pollard and wife, Betty of Bedford Co. to Stephen Clement of Halifax Co. and was witnessed by Benjamin Clement, Sr., Benjamin Clement, Jr. and by John (+) Wheeler. It was dated 20 September 1758 and recorded 15 March 1759.

Bedford Co., Va. Order Book 1B, pages 118, 119: (Israel) Peterson vs. (John) Wheeler. Jury was sworn and returned a verdict for the defendant. A motion for a new trial was granted. Witnesses for John Wheeler were Thomas and Catherine Pate, Peter Verdeman, Elizabeth Whealer, Rebecca Hudson. Robert Jones was a witness for Israel Peterson. Each were allowed 2 days attendance (fees). According to the court packet, William Verdeman was to appear for Peterson, which court packet also notes what appears to be "Peter Hudson" called to be a witness for John Wheeler. There may

Notes Concerning the Earliest Wheelers of Bedford Co., Va., continued:

be a confusion of the Hudson and Verdaman names in my notes or in those of the court clerk. The date of the verdict appears to have been 28 Aug. 1759, while the date for the witnesses allowances seems to have been 23 Dec. 1759.

Bedford Co., Va. Order Book 1B, pages 123, 124, 26 Feb. 1760 Court. Peterson vs. Whealer. Jury named and sworn. Verdict for the defendant. Witnesses were Wm. Verdeman, John Talbot, Henry Hendrickson, Robert Jones (each 7 days), Thomas Pate, Rebecca Hudson and Elizabeth Wheeler (each 3 days).

From the court packet, it appears these suits, Peterson vs. Whealer, began about May 1759, and the charge appears to have been one of Trespass.

From a Bedford Co. court packet we derived the following: 22 Oct. (1759?). John Wheeler was called to court to answer Timothy Dalton's complaint against him of trespassing. Feb. Court 1760. Dalton vs. Wheeler. Dismissed.

Bedford Co., Va. Order Book 3, p. 125. May 1764 Court. Verdeman ads. Flinn. John Wheeler and Mary Ann Wheeler allowed 5 days attendance and travelling 25 miles. (It must be kept in mind that at this date, 1764, the Bedford Courthouse was in New London, which was later cut off into Campbell Co..)

Halifax Co., Va. Deed Book 2, pages 256-258. 20 (Nov.?) 1760. John Wheeler and wife, Mary, of Bedford Co., Va. to John Ward, Halifax Co.. The Wheelers sold their 138 acres which they had purchased in 1759. This deed refers to Woodsons corner white oak sapling on Ridges Creek "at the Fauls". There were no witnesses. Signed John (+) Wheler; Maryan (on) Wheler. Recorded 20 Nov. 1760 when acknowledged by John Wheeler, and Mary Ann gave her dower relinquishment.

Whether or not the following items pertain to the same John Wheeler, I do not know, but it seems possible that they do.

From "The History of Pittsylvania Co., Va.", Maud Carter Clement, p. 283, under "A List of Tithables Taken for Pittsylvania in 1767 by John Dix: John Wheeler. Also listed by Dix was a Lawrence Barker. (See the reference to Lunenburg Tithables, 1749, "Lawrence Baker" who was with John Wheeler).

The following items concerning a Micajah Wheeler are included here because he bought land on Old Womans Creek and because of the reoccurrence of the surnames ofDalton and Collier, which names are shared with the records of the foregoing John Wheeler. Despite these points in common, Micajah Wheeler may not be connected with the earliest John Wheeler.

Pittsylvania Co., Va. Deed Book 12, page 370. 23 Feb. 1801. Ambrose Collyer and wife, Elizabeth, Pittsylvania Co. to Micajah Wheeler, Pittsylvania Co., for Ł 40 sell 220 acres on the great branch of Old Womans Creek.

Mentioned: Collier's and Wheeler's corner poplar. No witnesses. Recorded 16 April 1804.

Note: Micajah Wheeler married Martha ("Patsy") Pullen in 1799. Winston Dalton married Sarah Pullen, and Stephen Toler married Peggy Pullen. Patsy, Sarah and Peggy Pullen were daughters of Thomas and Margaret (Adams) Pullen. The Pullens were supposedly from Lancaster Co., Va. to Bedford Co. before 1764.

William and Mary Quarterly, 2nd Series, Vol. 14, pages 36-45, Winston Dalton's Register (schoolteacher), Southern part of Bedford County:

Because some of the earlier references to John Wheeler were located in records of Lunenburg Co., Va., it was determined that we should also collect data on other Wheelers of Brunswick and Lunenburg Counties, and the counties which were created from them. In doing so, we found that there were some names associated in records with John and James Wheeler of Bedford, that were also associated with other Wheelers. Because of that, we include here the following material.

SAMUEL WHEELER, MARY WHEELER, WILLIAM HOLLOWAY WHEELER, ANN WHEELER.
Brunswick Co., Va. Order Book 3, p. 361. 5 May 1748. John Daniel complained to this Court that Samuel Wheeler his Master holds him in Servitude contrary to Law. Wheeler summon'd to appear at next Court and produce Indenture by which said Daniel is bound to him.

See the John Wheeler deposition and records in these notes.)

Vestry Book of Cumberland Parish, Lunenburg Co., Va., 3 Nov. 1760. To Brice Miller for undertaking to maintain one Samll. Wheelers son to keep him from being any further charge to the Parish.

Mecklenburg Co., Va. Deed Book 3, page 503. 13 Dec. 1772. William Wheler,

Notes Concerning the Earliest Wheelers of Bedford Co., Va., continued:

Granville Co., N.C. to George Tarry, Mecklenburg Co., Va., for £ 90 sold 254 acres in Mecklenburg on South side of Roanoke River. Boundaries mention white oak on the River, said Tarry's lines. Witnesses: John Penn, Edward Taylor, William (left blank). Signed: William (+) Wheler. Recorded 14 Dec. 1772 when it was acknowledged by William Wheeler. This was probably William Holloway Wheeler, son of Samuel Wheeler. He is selling his father's patent land which was in the Southwest portion of Mecklenburg (created out of Lunenburg Co.) near the Halifax Co., Va. line, and directly north of Granville Co., N.C. where William was living in 1772.

The foregoing records seem to involve one Wheeler family group. Although not proven, it is thought that Mary Wheeler was the wife of Samuel Wheeler, and that they were parents of at least Ann Wheeler and William Holloway Wheeler.

MARY WHEELER, daughter of John Simkins. We have not determined yet which Wheeler Mary Simkins married, for there are several possibilities, but since the land of John Simkins was within the boundaries of Bedford Co., Va. (portion later cut off into Campbell Co.), this family group is of interest to our research.

Lunenburg Co., Va. Will Book 1, p. 119. Will of John Simkins, dated 22 Jan. 1754 and recorded 2 Apr. 1754. He names his wife, Elizabeth, daughters Mary Wheeler, Rachel Hog, Elizabeth Pruit, Susanna Lawson, Sary and Webby Simkins. Executors were his wife and son-in-law Michael Pruit. Witnesses were Thompson Harris, Elizabeth Hoar and Thomas Watkins. The inventory of the estate of John Simkins was made by William Fuqua, John Fuqua and James Hunt, with executors noted as being Elizabeth Simkins and Mike Pruit. It was returned and recorded in Will Book 1, p. 129 on 7 May 1754.

John Sim(p)kins was married to Elizabeth Wrench (or Rench/French) as shown by Henrico Co., Va. Wills and Deeds, 1697-1704, p. 425, will of Seth Wrench (Rench/French) dated 14 June 1704 which will named his daughters, then unmarried, and by Henrico Co., Va. Wills and Deeds, 1714-1737, pages 145-147, a 1716 deed from John Simpkin and wife, Elizabeth and John Hamilton (Hambleton), and wife, Sarah, all of Henrico to Thomas Owen, Henrico Co., followed by an agreement of 1716 between Elizabeth Simpkins and her sister, Sarah Hamilton, and also proven by Henrico Co. Wills and Deeds, 1714-1737, p. 207-209, deed of 1728 between Lancelot and Sarah Armstrong of Hanover, to Thomas Owen, Henrico Co.. There are other Henrico Co., Va. deed references to do with this family, but the last I have for the Simpkins in Henrico is in Henrico Co., Va. Wills and Deeds, 1714-1737, pages 670-671, deed of 17 Sept. 1737, John and Elizabeth Simkin, Henrico Co. to Thomas Owen, Henrico Co.. However, in Goochland Co., Va. Wills and Deeds, Book 4, pages 380-381 there is a deed dated 12 Jan. 1743 from John and Elizabeth Simkins, of Goochland Co. to Matthew Hutchason of St. James Parish, Goochland Co..

The Simkins evidently moved on to what was Lunenburg by the date of his will in 1754. In actuality, however, John Simkins land was at least in part in what became Bedford Co., later cut off into Campbell Co., Va.,

Notes Concerning the Earliest Wheelers of Bedford Co., Va., continued:

which fact is made evident by Bedford Co., Va. Deed Book 2, p. 268-270, a 1763 deed from Bartholomew Lawson to Michal Pruit, both of Bedford Co.. The deed is for 100 acres (with a burying place) on the South side of Falling River, "bequeathed to Lawson by John Simkins, deceased".

Identifying the Wheeler to whom Mary Simpkins was married is not possible without more information than we currently possess. She could have been the Mary Wheeler we believe to have been the wife of Samuel Wheeler, already discussed here, or she could have been the same as Mary Ann Wheeler, wife of the early John Wheeler of Bedford Co., Va.. It is also possible that she was married to any one of several other Wheelers living in that general region, or that she resided at a point far removed from the rest of her family. Until we learn more, we can only guess which Wheeler was the husband of Mary Simpkins.

ANTHONY WHEELER. Although he has been mentioned in the Henrico Co., Va. portion of these notes, we know that Anthony Wheeler also was in Bedford Co., Va. (the portion later cut off into Campbell Co.) early in the county's history, and references to him are found in Brunswick and Lunenburg records.

Virginia Land Patents 21, pages 116-117. 30 July 1742. Anthony Wheler. 400 acres in the County of Brunswick on both sides of Falling River. (This tract would today be within the limits of Campbell Co.).

Lunenburg Co., Va. Deed Book 1, p. 59-61. Anthony Wheeler of Brunswick Co., Va. to Edmund Smith, Late of Augusta Co., Va.. 400 acres in Brunswick on both sides of Falling River granted to Anthony Wheeler 30 July 1742. Witnesses: John Beard, Adam Beard, William Hayes. Signed: Anthony Wheler. Recorded 1 Sept. 1746.

Whether or not this refers to the same tract of land, it is of interest: Bedford Co., Va. Deed Book 1, p. 311. James Walker to Charles Simmons. 24 Nov. 1760. 217 acres on both sides of the North Fork of Falling River. Boundaries refer to Whealor's corner white oak. Witnesses: James Calloway, Frances Calloway and William Thompson. Recorded 24 Nov. 1760 when it was acknowledged by James Walker, and Mary, wife of James Walker relinquished her dower rights.

There is a patent cited in "The Edward Pleasants Valentine Papers", Vol. 1, p. 589: James Gray, patent. 400 acres in Lunenburgh Co., on both sides of Falling Creek. Formerly granted to Anthony Wheeler July 30, 1742, and since become vested in Henry Smith who failing to pay quit rents it is now granted to the said James Gray. 3 March 1760. (Va. Although we do not know if it was so, it is possible that widow Ann Smith married William Hayes circa 1747.Future research might prove or disprove the point.)

For further enlightenment on the history of Anthony Wheeler, and a possible explanation of why he had "so absconded that the ordinary process of Law could not be served", refer to "Journals of the House of Burgesses of Virginia", Vol. 7, pages 338-339, 345, 406 for entries dated 15 and 22 March 1748 and 11 May 1749. Sometime before those entries, Anthony Wheeler had run afoul of the law, and apparently was not brought to trial, for he had departed the regions. Whether or not he was guilty of the charge, we cannot know. Where he went, we do not know, but would like to find out.

It will be noted, perhaps, that we have not included two Wheeler families of Brunswick and Lunenburg in these notes. Benjamin and Elizabeth Wheeler were in Brunswick Co., Va. early, but we have pursued their history and believe that their children and descendants for the most part moved to Georgia and points other than Bedford Co.. Although there could have been one, we did not find a connection between the Wheelers of early Bedford Co. and Benjamin and Elizabeth Wheeler of early Brunswick Co..

Notes Concerning the Earliest Wheelers of Bedford Co., Va., continued:

The other rather large family of Wheelers of this general region which has not been included here, was of Charlotte Co., Va., children and descendants of John Wheeler of that county. That John Wheeler seems to have been the same as the one of Louisa Co., Va. who, with his wife Mary, executed a deed on 14 September 1772 in Louisa Co., Va., recorded in Deed Book D ½, pages 401-402 on the same day, and who did not appear thereafter in Louisa Co. deeds. On 5 October 1772, in Charlotte Co., Va., James and Margret Giddeon of Charlotte Co. sold to John Whealer, of Louisa Co., Va. a tract on the branches of Bear and Cubb Creeks. The deed was recorded the same day in Charlotte Co., Va. Deed Book 3, pages 150-152. John Wheeler of Charlotte Co., Va. married 1 Oct. 1804 Elenor Wood in Charlotte Co.. By that date he was styled as John Wheeler, Sr.. This family lived near Red House or the point which came to be known as that. It seems their location was also known as "Wheeler's Springs". It is my belief that this is the John Wheeler who appeared in the 1782 tax lists of Charlotte Co., Va. with "9 whites" in his household, and also was reported in the 1785 tax lists of Halifax Co., Va. as "John Wheeler, 9 white souls, 1 dwelling, and 2 other buildings". Both listings are found in "Heads of Families, First Census of U.S., 1790. Virginia". It seems that John Wheeler kept an ordinary at his home from 1804 until 1811, which was a "resort spa". ("Charlotte County...Rich Indeed"; Compiled by Ailsworth, Keller, Nichols and Walker; Charlotte County Board of Supervisors; Charlotte County, Va.; 1979,) This was a large family group, but one which does not seem to have had a connection that we could find with the Wheelers of early Bedford Co., Va..

Before closing this section of notes devoted to early Wheelers of Bedford Co., Va., there is one more item from Bedford that is neither very early nor about one surnamed Wheeler, but which should be included here. In Bedford Co., Va. Order Book 10, page 301, 29 April 1794, it was ordered that James Thompson, son of Mary Thompson, be bound to Daniel Baker. On page 314, 23 June 1794, it was ordered that <u>Wheeler</u> Thompson, son of Mary Thompson, be bound to Henry James. Since the Thompson surname does appear from time to time in connection with Wheeler records in Bedford, it is possible that the use of the name "Wheeler" in the Thompson family might have some significance to our research. For that reason, I include the information here.

ARCHELAUS AND MILDRED WHEELER
of
Virginia and Kentucky

Archelaus Wheeler was born circa 1740-1750 in Virginia, and died in Adair County, Kentucky in 1830. He is known to have lived in Buckingham and Bedford Counties, Virginia, in Madison County, Kentucky and in the portion of Green County which later became Adair County, Kentucky.

Archelaus Wheeler married circa 1775-1780, Mildred, whose surname is not yet known to us. Mildred was born circa 1750-1760, probably in Virginia, and died between 1840 and 1850 in Kentucky.

Because of the many variations in spelling of the name "Archelaus", we find Archelaus Wheeler sometimes as Archer, Archibald, Archless, Achilles, and even Eschelus Wheeler. Although the many variations on his name sometimes makes research more complicated, there is the advantage of knowing that apparently there was only one man named Archelaus Wheeler in Virginia during the 1700's.

The earliest record we have concerning Archelaus Wheeler is his listing in the 1774 Tithables of Buckingham Co., Va. where he appeared as "Archer Wheler", having one tithable, himself. (Buckingham Co., Va. Tithables, 1774, p. 1, List of George Hooper.)

The only other reference to Archelaus Wheeler that we have found in Buckingham Co. is one located in Prince Edward Co., Va. District Court Deeds, 1789-1816, pages 65-66, Mortgage deed dated 19 Jan. 1795 between David Coupland, Buckingham Co. to James, Thomas and Francis Deane, Cumberland Co. for 130 acres in Buckingham, together with a water grist mill thereon, "the said Land being the Tract formerly purchased by the said David Coupland of a certain Archelaus Wheeler and is bounded by the lines and lands of the Belmont Tract, Thomas Randolph, Isham Randolph, Charles Wheeler and Anderson Adcock." The Coupland deed was recorded in Buckingham 8 June 1795, and in District Court at Prince Edward 1 Sept. 1795. The tract had to have been purchased by David Coupland of Archelaus Wheeler before 1782 for the name Archelaus Wheeler does not appear in the Personal Property Tax Lists or in the Land Tax Records of Buckingham from 1782 on. David Coupland's home tract was "Springfield" which lay across the Buckingham-Cumberland line, about where Buffalo Creek empties into Willis Creek (Willis River). Whether or not the above 130 acre tract was adjacent to "Springfield", or whether or not the grist mill referred to was erected by Archelaus Wheeler or by David Coupland is not known to us at this time.

Archelaus Wheeler was in Bedford Co., Va. by 21 Nov. 1781 for his signature appears on a Legislative Petition of that date from Bedford residents, which petition is on file in the Virginia State Library, Archives Division. This same petition also carries the names of Rolen Wheller, Thos. Wheeler and Benjamin Wheeler, all the Wheeler names appearing on the same page.

Although we have found no deed recorded in the name of Archelaus Wheeler in Bedford Co., Va., we do find him listed from 1782 through 1791 in the Personal Property Tax Lists of that county, in the Southern District as

Archelaus and Mildred Wheeler, continued:

are the other Wheelers of Bedford. In all but two of those years he was the only one listed as a tithable in his household. In 1782 and in 1787, however, he had with him one other tithable, a white male of 16 and under 21. Since none of his known sons would fit this age group, we do not know who the young tithable was in either 1782 or 1787.

In February 1787 Court, Archelaus Wheeler qualified as Constable in room of Joshua May. In March 1787 Court, he qualified as Deputy Sheriff with the approbation of Wm. Leftwich, Gent., Sheriff, to collect the old arrears of Henry Ward, late Deputy Sheriff. (Bedford Co., Va. Order Book 9, pages 36 and 33.)

On 29 Aug.1787, both Benjamin Wheeler and Archelaus Wheeler served on the jury for Coffe vs. Steel. 31 Aug. 1787, Archelaus Wheeler was allowed 8 days attendance in the suit, Hengle vs. Martin., and, on the same day, Benjamin and Archelaus Wheeler were both noted as being jurors on Callaway vs. D. Sherman. It should be noted that Roland Wheeler was also present and serving on juries during these same court days in Aug. 1787. On 30 Nov. 1787 the Court ordered that Dan. James, John Wright, Archelaus Wheeler and Roland Wheeler (or any 3 of them) were to view a way to turn the road around Thomas Pate's plantation and make a report. (Bedford Co., Va. Order Book 9, pages 93, 96, 97, 131.)

In the same Order Book, page 183, there is a notation concerning a suit, Callaway and Co. vs. Archelaus Wheeler. which pertains to a court packet found among the loose papers in Bedford. On 26 May 1788 Archelaus Wheeler (Archelius [X] Wheelor) signed a note promising to pay James Callaway and Co. £ 11.19 shillings and 3 pence, with a penal sum of £ 23 18 shillings 6 pence. It was witnessed by Tho. Crump and Jacob Wad (Wade?). On 7 June 1788, the Sheriff was ordered to "take Archelaus Wheeler and him safely keep... (to appear) fourth Monday August next to answer James Callaway and Co. of a plea of debt for £ 23 18 shillings and 6 pence damages £2. The order was noted as having been executed, and Benjamin Wheeler was noted as making bail for Archelaus. The Order Book reference notes a judgment of £11. 19.3 with interest from June Court 1788, but also notes a stay of execution of the judgment until Christmas.

Bedford Co., Va. Order Book 10 carries at least 4 entries for Archelaus Wheeler. On pages 75, 76 and 78, 30 March 1791, it is noted that Archelaus Wheeler served on the juries for Callaway, late Sheriff, vs. Otey, Dickerson vs. Phelps, and also Irion vs. Markham. Although it was approximately this time (1791) that Archelaus Wheeler moved to Madison Co., Ky. there is one last Order Book 10 item concerning him on page 362, 24 March 1795 is noted, "Commonwealth vs. Archelaus Wheeler, abated by Sheriff's return".

The only other mention of Archelaus Wheeler in Bedford Co., Va. that we have found thus far is as a witness to the deed of 13 June 1789, James Payne of Bedford Co., to James Wheeler, of Bedford Co., 30 acres on branches of Beaver Dam Creek, adjacent Dollard's. The other witnesses were William Nimmo, John Dollard and Robert Nimmo. The deed was recorded 28 Feb. 1791.

According to Judge Forrest Calico on page 209 of his "History of Garrard

Archelaus and Mildred Wheeler, continued:

County, Kentucky and Its Churches", "Archibald" Wheeler was living on Paint Lick Creek before 1800, Paint Lick forming the line between Madison and Garrard Counties, Kentucky.

The 1792 Madison County, Ky. Tax Lists show Eschelus Wheeler, with 1 white male above 21, 2 horses and 3 cattle. No acreage is listed for him. He was on the list of John Adams. (Ky. Historical Society Register, Vol. 23, p. 124.)

1 Jan. 1795, Nancy, daughter of Archelaus Wheeler, married Benjamin Dabney in Madison Co., Ky.. They were married by John Manire. (Madison Co., Ky. Marriage Records, Vol. 1, page 22.)

A list of tax delinquents was returned in 1796 by the Sheriff of Madison Co., Ky., and reported on that list, along with a number of others who had removed to the same point, was Archelaus Wheeler , "Removed to Green County". (The Kentucky Researcher, Vol. 3, March, 1965, p. 5.)

The Second Census of Kentucky, 1800, lists Archless Wheeler in Green Co.. In 1801, Adair Co. was formed from Green, and from that point until his death in 1830, Archelaus Wheeler is found in records of Adair Co.. The Adair Co. Tax Books from 1802 show Archelaus Wheeler as being on Russell's Creek, on a land entry made by himself. Through many years he was shown as having 182 acres, however in 1812, he was shown with 150, while his son, Benjamin Wheeler was on 32 acres on Russell's Creek, apparently a portion of his father's original land. In 1802, Archelaus Wheeler,Jr. was already above 21 and on the Adair Co. Tax Lists. In 1804, John Wheeler's name appeared for the first time, in 1807 Allen Wheeler's name began appearing, in 1808, Charles Wheeler began being listed, in 1810 Benjamin Wheeler first appeared by name and in 1815, the name of Samuel Wheeler was first listed. I have not pursued the Adair Tax Lists beyond 1815, but the tax records covered indicate that the foregoing Wheeler's were sons of Archelaus Wheeler. Although these were their first appearances on the tax lists, all were not listed in Adair continuously thereafter. Some have been located at various times in the Wayne Co., Ky. records, and it is probable that Wheelers would be found in Russell Co., Ky. as well.

Adair Co., Ky. Deed Book I, page 29 carries a deed from Archelaus Wheeler, (Jr.) of Adair Co. to his brother William Wheeler of Adair, wherein he sold for $50 his interest in "One hundred & fifty Acres on which my father Archelus Wheeler lived for many years previous to, and at his death and which tract of land is devised by my said father in his last will & testament to the said William Wheeler, Samuel Wheeler & Allen Wheeler...after the death of my mother...." The deed is dated 25 February 1835, with no witnesses, and signed, "Archelus (X) Wheeler. It was recorded on the same day.

The will of Archelaus Wheeler was not dated, but was proven 3 Jan. 1831. Archelaus appeared on the 1830 Adair Co., Ky. census as one above the age of 80 and under the age of 90, thus we can assume he died after the census, and prior to January 1831. The will stipulates that as much of

Archelaus and Mildred Wheeler, continued:

his personal estate as required be sold to pay his debts and funeral expenses. Archelaus Wheeler gave to his wife, Mildred, all of his estate of every kind for her lifetime. After her death, the land was to be sold and the money from the sale was to be divided with one half to his son William Wheeler, and the other half to be divided between his sons, Archelaus, Allen and Samuel Wheeler. Archelaus also stipulated that after his debts, etc. were paid, the remainder of his personal estate was to be sold and the money from the sale was to be divided between his daughters Nancy Dabney, Mildred Wade and Polly Grimes, "the balance of my Children having received from me a full portion heretofore". If his three daughters Nancy, Mildred and Polly chose to do so, they had the option of dividing the personal property itself. The Executors of the will were to be his wife, Mildred Wheeler, and his son William Wheeler. The will was signed, "Archilles (X) Wheeler", and was witnessed by John Butler, David Shields, and John Smith (Sct.). Proving witnesses on 3 Jan. 1831 were David Shields and John Butler. Mildred and William Wheeler were appointed Executors, and Securities on their bond of $240 were Samuel Wheeler and Jacob Burk. The will was recorded in Adair Co., Ky. Will Book C, page 545.

From the text of the will, it is evident that Archelaus Wheeler had children other than the ones named in the will itself. It is probable that John, Benjamin and Charles Wheeler were 3 of those children. It is possible that another was one Henry J. (or Henry I.) Wheeler. There could have been one or two others as well.

There were several Wheelers in or near Adair Co. who may figure in the history of Archelaus Wheeler, including a Joseph Wheeler who took up land on the Cumberland River, at least part of which was later in the possession of Nathaniel Shrewsbury, Sr., according to the 1802 Adair Tax Books. (This was the same Nathaniel Shrewsbury who served as Baptist minister in Bedford Co., Va., and who later settled and died in what is now Wayne Co., Ky.. Two of his children, Allen Shrewsbury and Sally Shrewsbury, married two of the children of Benjamin Wheeler who was so closely associated with Archelaus Wheeler in Buckingham and Bedford Cos., Va. as well as in Kentucky.) Joseph Wheeler appeared in the 1810 Wayne Co., Ky. census with his family. He was born sometime between 1766 and 1784.

Of somewhat younger Wheelers of Adair Co., there was one who should be noted, for the town of Ben Wheeler, Texas was named for him. He was Benjamin F. Wheeler, born in Adair Co., Ky., who came to Texas about 1847 when he was supposedly about 30. He settled in Van Zandt Co., Texas, and carried mail by horseback across country until at least 1876. As of this date, we do not know the parents of this Benjamin F. Wheeler.

Although we know the names and something about a number of the grandchildren of Archelaus and Mildred Wheeler, and have a tentative list of others, there are too many gaps in our information to set it down here. Perhaps others will supply that data and add to what has been noted here concerning the history of Archelaus and Mildred Wheeler. Following is a brief outline of what we believe to be the family of Archelaus and Mildred Wheeler. Although we hope the information is reliable, it is open to correction and additions.

BENJAMIN and HANNAH WHEELER
of
Virginia and Kentucky

Benjamin Wheeler was born circa 1742 in Virginia. He died between 5 March 1823 and 6 October 1823 in Madison County, Kentucky. Known places of residency were Buckingham and Bedford Counties, Virginia, and Madison County, Kentucky. He was married circa 1768. His wife's name, Hannah, does not appear on a document insofar as we know before the date of a Bedford County deed written 27 April 1789. Although it is possible Hannah was not the first wife of Benjamin Wheeler, there is no evidence known to us at this time which would lead us to believe she was not.

Hannah Wheeler's maiden name is presently unknown to us. Although a number of logical surnames have been suggested by researchers, no documented proof of her surname has come to our attention as of this writing. Hannah Wheeler was born circa 1751 - 1755, probably in Virginia, and she died 15 June 1832, the event taking place while she was being cared for by her son, William Wheeler of Garrard County, Kentucky.

Although it is likely that both Benjamin and Hannah Wheeler were buried on or near their farm which was adjacent Paint Lick Creek in Madison County, Kentucky, their graves have not yet been located. Their "dogtrot" style two story cabin has now been replaced by a more modern home. "Wheeler Spring", a few feet from the homesite, was "sunk" by someone in comparatively recent times, but when we visited the site some years ago, there was still a remnant of an old orchard, a smokehouse and a barn and, up the hill, a good portion of the stone "Kentucky fence" still remained.

Subsequent to learning that Benjamin and Hannah Wheeler had come to Madison County, Kentucky from Bedford County, Virginia, we searched the records of Bedford in the county itself, and in the Virginia State Archives, learning that the earliest mention of Benjamin Wheeler in that county was 21 November 1781 when he signed a petition of that date. Although we believed that Benjamin Wheeler had been a resident of Buckingham County, Virginia prior to that, Buckingham is a "burned county" with few surviving early records, therefore it took a number of years to locate enough scraps of history to add substance to our premise. We have been able to satisfy ourselves on this point due to two facts - Benjamin Wheeler, and others of the Wheeler family lived in Buckingham quite close to the line between that county and Cumberland County, Virginia, enabling us to locate a few items concerning them in the Cumberland records, and also because of the simultaneous presence in Buckingham of Archelaus Wheeler, the latter being closely associated with the history of Benjamin Wheeler in both Bedford County, Virginia and in Kentucky.

Living in close proximity to the Cumberland County line, the Wheelers made a few brief appearances in the Cumberland Court Order Books, evidently because business or related family matters carried them the 8 or 10 miles to that county's courthouse. Because some of the Wheelers appeared in the earliest court orders of Cumberland, we also searched the Cumberland County will and deed books throughout the seventeen hundreds, page by page, and learned that the Wheeler name does not appear in the deed or will records at all until 1799. Therefore, it is apparent that the Wheelers in early

Benjamin and Hannah Wheeler, continued:

Cumberland Order Books were most likely the same as the Wheelers living on or just across the Cumberland-Buckingham line.

Because of the apparent relationship between Benjamin Wheeler and Archelaus Wheeler in Bedford County, Virginia, and later in Kentucky, we were convinced that Benjamin Wheeler of Buckingham County, Virginia was "ours" when we found him listed in the 1774 Tithables of Buckingham and also found Archer Wheeler listed there in that same year. (Archer and Archibald are only two of the several variations given the name Archelaus in records.) The District Court Records at Prince Edward County, Virginia yielded what we consider the final proof, for pages 65-66 of District Court Deeds, 1789-1816 carry a deed from David Coupland of Buckingham to James, Thomas and Francis Deane of Cumberland, dated January 19, 1795, in which David Coupland refers to the 130 acres in Buckingham being conveyed as having been purchased from Archelaus Wheeler. Since no Archer or Archelaus Wheeler appears in Buckingham Personal Property Tax Lists or Land Tax Records from 1782 on, we know that Archelaus Wheeler sold the land to David Coupland before 1782, and can assume that "Archer Wheeler" of the 1774 Buckingham County Tithables was indeed Archelaus Wheeler.

By this process we learned there was no one named Benjamin Wheeler, other than the one we claim, in Buckingham County or across the line in Cumberland County for the period before, during and for many years after the Revolution, and that there was no other man named Archelaus Wheeler (Archer, Archibald, etc.) in the vicinity other than the one we refer to here. Further, there were no men named Benjamin Wheeler or Archelaus Wheeler in Bedford County, Virginia before they themselves arrived there circa November 1781.

Buckingham County, Virginia

The earliest mention we have found of Benjamin Wheeler is on 22 August 1763 when he filed suit against Henry Scruggs. (Cumberland Co., Va. Order Book 1762-1764, page 285.) It is upon this date we based our approximation of the birthdate of Benjamin Wheeler, for he must have been 21 or older to have brought suit himself.

In the same Order Book, page 494, June 1764, Benjamin Wheeler was to recover £ 15 shillings and costs in his suit against Lawrence Smith who failed to appear.

In August 1764, a suit was filed against a Samuel Wheeler. It was styled as "the King vs. Wheeler" and, in later court sessions, as "Rachel Walden, an Infant by William Walden, her next friend". On 26 November 1764, Samuel Wheeler put up bond of 50 pounds, and on his behalf, Benjamin Wheeler and John Wheeler each pledged 25 pounds bond. The Walden suit carried over to 24 February 1767 when it was dismissed due to the plaintiff's failure to prosecute. From this, it would appear there was a relationship between Samuel, Benjamin and John Wheeler. (Cumberland Co., Va. Order Book 1764-1767, p. 72, 26 Nov. 1764.)

On page 173 of the same Order Book, 22 July 1765, Alexander Steel brought suit against Benjamin Wheeler, Charles Wheeler and Henry Scruggs. The suit abated as to Benjamin and Charles Wheeler, being "no inhabitants of this county". This case links Benjamin Wheeler and Charles Wheeler.

Benjamin and Hannah Wheeler, continued:

To date, the last mention we have found of Benjamin Wheeler in the Cumberland Order Books is on 23 March 1767 when he brought a successful suit against William Marshall. (Cumberland Co., Va. Order Book 1764-1767, p. 433.) Future research may reveal other informative references in the Cumberland Co. Order Books.

The Buckingham County, Virginia Tithables of 1774 list Archer Wheler with 1 tithable, which would have been Archer himself, and also list Benjamin Wheeler with 1 tithable, which would refer to Benjamin himself. Archer was listed by George Hooper, and Benjamin was in Charles May's list. (Virginia State Library, Archives Division, Buckingham Co., Va. Tithables 1773 and 1774, pages 1 and 3.)

In the Virginia Gazette, November 10, 1775, Benjamin Wheeler advertised that he had found a roan mare, "Taken up in Buckingham". (Virginia Gazette; Alexander Purdie, Printer, Friday, Nov. 10, 1775, Supplement; page 1, 2nd column.)

"The Journal of the Council of the State of Virginia", Volume 1, page 223, November 2, 1776 carries this entry: "Ordered that a Warrant issue to John Cox for seventy four pounds seven shillings and three pence for maintaining the Highland Prisoners whilst stationed at Buckingham Court House. Also a Warrant for the use of Ellyson Harvey for two pounds five shillings. Also a Warrant for the use of Benjamin Wheeler for two pounds five shillings being for Guns purchased of them by John Bates for the use of his Company employed on the Indian Expedition." These men can all be traced to Buckingham County for John Cox, Benjamin Wheeler and John Bates were all listed in the Tithables of Buckingham, 1774, while John Cox, John Bates and Ellyson Harvey appear there in the 1782 Personal Property Tax Lists as well.

In the Virginia State Library, Archives Division, there are a few scraps pertaining to Tillotson Parish, Buckingham County, Item 27 of which is a note from W. Peasely to Jno. Bernard, dated February 25, 1777 requesting that he give credit to Mr. Ben: Wheeler of 6 shillings and five pence.

Also in the Virginia State Library, Archives Division, there is a Legislative Petition from Buckingham County, dated October 9, 1778, which petition carries the signature of "Benjamin Wheler". The signature in this case is nearly identical to that of Benjamin Wheeler as seen in original copies of Kentucky records.

On 25 September 1781, in Buckingham County, a receipt was made out to Benjamin Wheeler for two and a half bushels of wheat, supplies for use during the Revolutionary War period. (Virginia State Library, Archives Division, Public Service Claims, Certificate Book 1, Certificate 147.) This is the last mention we have of Benjamin Wheeler as a resident of Buckingham County, Virginia.

Bedford County, Virginia

Benjamin Wheeler's first documented appearance on record in Bedford County, Virginia was two months later when his signature appeared on a Bedford County Legislative Petition dated 21 November 1781. This petition, which

Benjamin and Hannah Wheeler, continued:

is also filed in the Virginia State Library, Archives Division, carries the signatures of Rolen Wheller, Archeleas Whelear, Thos. Wheeler and Benjamin Wheeler, all on the same page. Since the handwriting on many or most of the signatures seems to have been created by the same person, it seems likely that the petition was recopied at some time, or the petitioners simply "touched the pen".

The Personal Property Tax Lists of Bedford begin in 1782, and Benjamin Wheeler appears on each one from 1782 through 1789. Archelaus Wheeler appears in the lists from 1782 through 1791.

On 23 February 1782, Patrick Evens of Bedford County sold Benjamin Wheler of the same county 200 acres on the North East Fork of Beaverdam Creek, bounded by land of Samuel Shrewsbury, John Finly, John Holliday and John Wright. The sum was 4000 pounds, which would seem to indicate that it was paid for with the greatly inflated paper currency of the time. It was witnessed by John Holladay, David Holliday and Avery A. King. The deed was proven 26 August 1782 by Avery King, and 22 November 1784 by John Holladay and David Holladay. (Bedford Co., Va. Deed Book 7, page 431)

On 23 June 1783, "On the motion of Elizabeth Anderson a motion is granted her on the estate of Richard Anderson, decd. who made oath and gave bond with fees according to law. Matthew Pate, Thomas Pate, John Wright and Benjamin Wheeler or any 3 of them are apptd. to appraise the sd. estate." (Bedford Co., Va. Order Book 7, page 52) Benjamin Wheeler, Matthew Pate and John Wright made the inventory and appraisement on 24 July 1783, returning it to court 28 July 1783. Aside from some household goods, two cows and calves, the only other items listed were "cash in William Anderson's hands" (40 pounds), "cash in Charles Anderson's hands" (20 pounds), and one bond in "Widow Anderson's hands" (40 pounds). (Bedford Co., Va. Will Book 1, pages 450-451) Records of Hanover County, Virginia reveal that Richard and Elizabeth Anderson had recently moved from that county, and the inventory referred to above seems to indicate that they had not yet had an opportunity to settle down in Bedford, or whatever region was their intended destination.

Bedford County, Va. Order Book 8, page 157, 27 June 1785 Court, states: "Benjamin Wheeler appointed Constable in the room of Robt. Nimmo and ordered that the said Wheeler be summoned to the next court to qualify". Apparently Benjamin was unable to serve, for the same Order Book, page 164, July 1785 states that Joshua May qualified as Constable in room of Benjamin Wheeler.

During August 1787, Benjamin, Archelaus and Roland Wheeler were in court or in the vicinity of the courthouse, for during the August 1787 court sessions Benjamin Wheeler and Archelaus Wheeler served as two of the jurors in Coffee vs. Steel, Benjamin Wheeler was allowed 2 days attendance for Thomas Huddleston ads. Commonwealth, and Roland Wheeler and Benjamin Wheeler served together on the juries of Callaway vs. Moon and Mead vs. McGlothlen. (Bedford Co., Va. Order Book 9, pages 93, 94, 95) I have a notation that the Wheelers were on other juries during this session.

In February 1787 Archelaus Wheeler was appointed Constable in room of Joshua

Benjamin and Hannah Wheeler, continued:

May. (Order Book 9, page 24) In March 1787, Archelaus Wheeler qualified as deputy sheriff. (Order Book 9, page 33.)

Among the loose papers of Bedford county, we came across a document concerning a debt for 1 pound, 19 shillings and 3 pence owed by Archelaus Wheeler to James Calloway and Co.. The note was dated 26 May 1788, signed with an "X" by Archelaus Wheeler and witnessed by Tho. Crump and Jacob Wad (Wade?). In the Bedford Court of August 1788 an order was issued to the Sheriff to "take Archelaus Wheeler and him safely keep...", to appear in Court the fourth Monday in August. There is a notation that the order was executed and "Benjn. Wheeler Bail", which would seem to mean that Benjamin Wheeler posted bail for Archelaus Wheeler.

In September 1788, Benjamin Wheeler qualified as constable. (Bedford Co., Va. Order Book 9, page 196.)

The foregoing are not all the Wheeler mentions in the Court Order Books by any means, but serve to add somewhat to our knowledge of both Benjamin Wheeler and Archelaus Wheeler, and possibly indicate some sort of connection between them and Roland Wheeler. Further research in the Order Books and loose papers might reveal more.

Other than the Order Book references and a rare mention in a deed of Benjamin Wheeler as a neighboring landowner, the only other appearance of his name in Bedford Co., Va. records known to us is when he sold his land in preparation for moving to Madison County, Kentucky. Benjamin Wheeler sold his 200 acre tract in two pieces, and these deeds carry our first documented evidence of Hannah Wheeler as the wife of Benjamin Wheeler.

Bedford Co., Va. Deed Book 8, page 173 records the sale of 120 acres by Benjamin Wheeler and his wife, Hannah Wheeler to Joseph Wooldridge of Buckingham County, Va.. The deed is dated and ordered recorded on the same day, 27 April 1789, and there were no witnesses. The sum of money was 60 pounds. The neighboring lines were those of Scott, Shrewsbury, Burton and Trigg. It refers to the fence now standing on the plantation "that Benjamin Wheeler dwells on", and to the tobacco grounds "now cleared". It is signed "Benjamin Wheler", and Hannah (X) Whealer". A marginal notation reads, in part, "...to Jacob Burton", and I later found that the same acreage had been conveyed by the new owners to Jacob Burton at a subsequent date.

Bedford Co., Va. Deed Book 8, page 175 carries the second deed executed by Benjamin and Hannah Wheeler. It bears the same date of writing and recording, 27 April 1789, and again has no witnesses. The Wheelers conveyed to Haiden Trigg, of Bedford Co., Va.. The acreage was 80 acres, and the sum was 40 pounds. Neighboring lines were those of Burton, George Scott and Wooldridge. This deed was signed, "Benjamin Wheler" and "Hinner Wheler".

These two deeds are the last documented appearance we have of Benjamin and Hannah Wheeler in Bedford County, Virginia. About a month earlier (March 16, 1789), when the 1789 Personal Property Tax Lists were made, Benjamin Wheeler was shown as having had 6 horses instead of his customary 3 horses, which indicates to me that they were preparing for an overland

journey to Kentucky.

Madison County, Kentucky

Benjamin Wheeler settled his family on land adjacent to Paint Lick Creek in Madison County, Kentucky by sometime in early 1790, although the land purchase was not finalized until 1795. In March 1790, Nancy Wheeler, daughter of Benjamin Wheeler, was married to Allen Shrewsbury in Madison County, Kentucky. Bondsman for the marriage was Peter Taylor. (Madison Co., Ky. Marriage Records, Vol. 1, page 50.) Allen Shrewsbury had also come from Bedford Co., Va..

Madison Co., Ky. Court Order Book A, page 337, 6 July 1790 carries the reference, " Ordered that Benjamin Wheler be appointed a Constable in the room of William Holland."

On 5 August 1791, Benjamin Wheeler served as a witness to a series of deeds from John Bryant of Lincoln County, Ky. for the sale of 3 tracts on Taylors Fork of Silver Creek in Madison County. The other witnesses to the deeds were grantees. (Madison Co., Ky. Deed Book B, pages 162-169, Bryant to John Yates; Bryant to Jonathan Barrett; Bryant to Robert Forbush.) All the grantees were "of Madison".

About 1792, Archelaus Wheeler also settled on land on Paint Lick Creek in Madison County, Ky., but apparently the sale was never finalized. However, in January 1795, Nancy Wheeler, daughter of Archelaus Wheeler, married Benjamin Dabney, the Dabneys being from Bedford Co., Va. also, and related to the Shrewsbury family as well. (Madison Co., Ky. Marriage Records, Vol. 1, page 22.) By 1800, Archelaus Wheeler was established in Green County, Ky., in a portion which later became Adair County. As will be seen, three of the married daughters of Benjamin Wheeler also settled in Adair County after it was formed.

On 26 May 1795, Benjamin Wheeler purchased 464 acres on Paint Lick Creek in Madison Co., Ky. from Elijah Kirtley and wife, Frances Kirtley, of Scott Co., Ky.. (Madison Co., Ky. Deed Book C, pages 459-461.) The purchase price was 100 pounds, neighboring landowners being listed as Drury Ham, Abraham Burton and Davis.. Mention was made of Kirtley's dividing line. Aron Turpin, John S. Alverson and Martin Turpin were proving witnesses on 7 July 1795. It should be noted that on the same day that the Kirtleys conveyed to Benjamin Wheeler, they also conveyed tracts to Aron Turpin, Martin Turpin and Abraham Burton.

The day on which Benjamin Wheeler's land purchase was proven, 7 July 1795, is also the date of an entry in Madison Co., Ky. Order Book B, page 297, and another on page 298, both entries being "Benjamin Wheeler, Appellant against James Williams, Appellee. On an appeal from the Judgment of Charles Debrell, Gent., a Justice of Peace for this County". The final ruling was that the Court judged there had been an error in the first ruling, ordered that that judgment be reversed and annulled, and that Benjamin Wheeler recover of James Williams his costs. On that same day, on page 299 of the same Order Book, it is noted that Benjamin Wheeler was to pay "Allin Soresberry, Nancy Soresberry and Mary Burton 25 pence each for attending 1 day as his witnesses, and James Williams was to pay Joseph

Benjamin and Hannah Wheeler, continued:

West 25 pence for his one day attendance as a witness for Williams.

On 7 March 1806, Benjamin and Hannah Wheeler sold 12 acres of their Paint Lick tract to John Davis, of Garrard Co., Ky.. Garrard lies just across Paint Lick. (Madison Co., Ky. Deed Book F, page 198.)

On 10 September 1810, Benjamin and Hannah Wheeler sold 64 acres on Paint Lick to Edward Willis, of Madison Co.. (Madison Co., Ky. Deed Book G, page 518.)

On 6 May 1816, the heirs of James Jones, deceased, by Humphrey Jones, Executor, sold to Benjamin Wheeler of Madison a tract of land, acreage unspecified. (Madison Co., Ky. Deed Book L, page 216.)

13 November 1817, Benjamin and Hannah Wheeler sold Zachariah Nowlling, of Madison Co., 100 acres on Paint Lick Creek. (Madison Co., Ky. Deed Book M., page 242.)

On 7 February 1820, Benjamin and Hannah Wheeler sold 100 acres on Paint Lick to Abraham Burton, of Madison Co.. (Madison Co., Ky. Deed Book O, page 87.)

The will of Benjamin Wheeler was dated 5 March 1823. He specified that after his debts were paid, his property both real and personal should remain in possession of his wife, Hannah Wheeler, during her natural life "provided however that in case she become unable to take care of the Estate or shall let it go to waste or destruction, in that case it is my Desire that it Shall all be sold Except such property as is hereafter otherwise directed and for her to have a full maintenance out of the profits arising from the same." He next requested that, after Hannah Wheeler's death, "my negro man George & his mother Gracey shall both be free and that they shall remain in possession of all furniture belonging to their house and that George shall have his horse bridle and Saddle, and where as my negro woman Gracy is unable to labour for her support that she shall have support out of my Estate during her natural life." He requested that after Hannah's death, the remaining estate was to be sold to the highest bidder on a credit of twelve months (both the real and personal property) "and where as some of my Children have received more property from me than others, It is my desire that their portions shall be made equal according to the charges hereafter mentioned in this Will and the Ballance of the profits arising from the sales of the Estate be Equally divided amongst them. And Where as my sons Thomas Wheeler and Benjamine Wheeler are both dead I desire that their Children Shall receive the part of my Estate which Should Belong to their fathers provided they were living."

This is followed by a statement of value already received by each child: sons William, Thomas, Benjamin and John Wheeler, daughters Sally Hurt, Mille Stotts, Susanna Saunders and Aggy Lowry had each received 22 pounds apiece. Daughters Selah Burton and Polly Wilson had each received 11 pounds. Daughter Nancy Shrewsbury had received 19 pounds.

The will of Benjamin Wheeler goes on to request that daughter Selah Burton

Benjamin and Hannah Wheeler, continued:

and his granddaughter, Hannah Burton, should have peaceable possession of the house in which they "now live in During my wife's life time or so long as they think proper to occupy the same.

The executors were to be son William Wheeler and son-in-law Thomas Saunders. Witnesses were Abraham Burton, William Salle, Jesse W. Burton. The will was proven 6 October 1823 by witnesses Will Sallee and Jesse Burton. It was recorded in Will Book C, page 388.

An inventory of the estate, dated 4 December 1823 was recorded 2 February 1824 in Will Book C, page 465. Appraisers were William Sallee, Abraham Burton and Archibald Ferrill. Items listed were cattle (including 2 work steers), 2 horses, hogs, sheep, 15 geese, farm tools and equipment, household goods and furniture, cotton, hemp in stack and also milled hemp.

Madison Co., Ky. Order Book F, page 180 notes that the Sale Bill was ordered recorded 2 November 1829, and page 431 lists the Administrators' Settlement recorded 27 May 1833.

Will Book E, pages 17-20 contain an Inventory, Sale and the 7 January 1829 order and sale of Benjamin Wheeler's land on Paint Lick, which land consisted of 285 acres, John Wheeler being the highest bidder. The sale bill was recorded 2 November 1829.

Madison Co., Ky. Will Book E, page 352 states the Administrators' Settlement. An order of the Madison County Court of August 1832 appointed Thomas Turner and George Alcorn as Commissioners to settle and adjust the estate with the Administrator, which was done on the 11 of May 1833. The settlement was recorded 27 May 1833.

For sometime we based our dating of the death of Hannah Wheeler upon a deed filed in Madison, recorded in Deed Book 2, page 128, in which William Ferril, Administrator with the Will annexed to Benjamin Wheeler, deceased conveyed to John Wheeler. The deed was dated 11 November 1844, recorded the same day. The deed stated that Benjamin Wheeler by his last will had directed his executors, after his wife's death, to sell both his real and personal estate, and that after the widow "died on the twenty-ninth of January 1829 said exr.'s proved and sold tract of land on which testator resided at his decease...". It goes on to state that John Wheeler had become the purchaser, that both the executors, William Wheeler and Thomas Sanders had "departed this life intestate and never made a deed to Wheeler the purchaser and the said Ferrill has been appointed administrator with the will annexed..." with the purpose of conveying title for the tract by deed to John Wheeler. The 285 acres so conveyed was a part of the tract deeded by Elijah Kirtley to Benjamin Wheeler 6 May 1795, and a full and informative survey description of the boundaries is given within this deed of 1844. (Mentioned are Wheeler's Branch, Nowlins Branch and the east branch of Paint Lick Creek.)

Believing as we did that this 1844 deed gave us a death date for Hannah Wheeler (29 January 1829), we found it difficult to reconcile that date with several of the dates on the estate papers. Finally this confusion

Benjamin and Hannah Wheeler, continued:

was cleared away by the work of an excellent researcher, a gentleman who is a descendant of Benjamin and Hannah Wheeler by way of their son, William Wheeler. In going through the Garrard Co., Ky. estate file of William Wheeler, he found a letter from William Wheeler to John Stevenson, dated 1 July 1832. Within the text of the letter, William Wheeler stated that he had intended coming to June Court to have seen Mr. Stevenson, but could not, "my mother was at the point of death died the 15d. of June...".

Although the word, "mother", was twice started, apparently due to a troublesome pen point which left two small ink smears, the word appears clearly to be "mother". William Wheeler's mother-in-law was deceased some time before the date of the letter, eliminating the possibility of that interpretation, however, in the 1830 census William Wheeler did have in his household a female between the ages of 70 and 80. Considering these points, and after rereading Benjamin Wheeler's will and the stipulation he had made concerning a sale of all property should Hannah Wheeler be unable to care for the estate, noting the date of the Administrators' Settlement (August 1832), which settlement included the item "To Allowance made to Wm. Wheeler for taking care of his mother in her sickness $102.00", we came to the belated conclusion that Hannah Wheeler's death occurred not 29 January 1829, but rather on 15 June 1832. The executors of Benjamin Wheeler's will must have found that Hannah Wheeler was no longer able to maintain the family home and farm, and obeying the will's directive, sold the personal and real property in 1829, and William Wheeler began the care of his mother, Hannah Wheeler. It was not until after her death on 15 June 1832 that the order was given for settlement of the estate of Benjamin Wheeler, which was also as had been stipulated in the will.

The foregoing is not all the material available concerning Benjamin and Hannah Wheeler, but includes most of the earliest data we have been able to locate concerning them. We, of course, still hope to find other early material which would enable us to learn the parents of Benjamin Wheeler and of Hannah Wheeler, and to ascertain whether or not Hannah was the only wife of Benjamin. I am personally inclined to believe that Benjamin Wheeler was a descendant of the Wheelers of Henrico and Hanover Counties, Virginia, but that point remains to be proven or disproven.

Following is a list of the children of Benjamin and Hannah Wheeler. Although we have gathered information about all of the Wheeler children, we hesitate to publish much of it in its imperfect state. Our own lineage is through Thomas Wheeler, son of Benjamin and Hannah Wheeler. We will follow that line in this publication only through the 1800's, although we have carried it down to present generations in our own notes.

The information stated here is accurate as far as we know at this time. If there are errors or omissions, we hope they are of a minor nature. We invite corrections and additions.

Born: April 1795, Ky.
Died: 21 July 1876, Saline Co., Mo..
Buried: Wolfskill Family Cem., near Slater, Saline Co., Mo..
William J. Wolfskill was a Soldier of the War of 1812, being at the Battle of the River Raisin. His mother married (2) John Heard, son of the elder John Heard of Garrard Co., Ky. who was, we believe, Susannah Wheeler's great-grandfather.

It should be noted that although a Garrard Co., Ky. marriage record carries the information that Susannah Wheeler's father was William Wheeler, that information is in error. Susannah's father was Thomas Wheeler, who was deceased at the time of her marriage. It is probable that her uncle, William Wheeler, "stood in for" his deceased brother when Susannah was married.

The children of William J. Wolfskill and wife, Susannah Wheeler:

Thanks to their combined interest and record keeping, we who came later had a head start when we picked up the thread, making it possible to contribute now to this Wheeler history.

ROWLAND AND ANN WHEELER
of
Henrico, Bedford Counties, Virginia and Kanawha Co., (West) Virginia

As seen elsewhere in these notes, John Wheeler, Rowland and Ann Wheeler, sold acreage in Henrico Co., Virginia 17 April 1764, and were present in Henrico on 3 September 1764 when the deed was admitted to record. (Henrico Co., Va. Wills and Deeds 1750-1767, pages 881-882.) The lawsuit, Patrick Henry, Jr. against Rowland Wheeler reveals that Rowland Wheeler was present in Henrico Co. at least as late as 6 May 1765 when he appeared in Court "in his proper person". (Henrico Co., Va. Court Orders 1763-1767, pages 389, 450, 458.)

By 25 April 1769, Rowland Wheeler was in Bedford Co., Va., for on that date he finalized his purchase from John Keith of a tract on Beaver Dam Creek for a sum of £ 30. The tract was part of one which had been conveyed to the "said John Keeth" by Anthony Pate, and the boundaries began above "the plantation whereon John Keeth deceased formerly lived", crossed Beaver Dam to Walton's corner and included the plantation "whereon John Keith deceased formerly lived". There were no witnesses to the deed, but it was acknowledged by John Keith and recorded 25 April 1769 in Bedford Co., Va. Deed Book 3, page 264. Although the acreage was not stated in the Keith-Wheeler deed, a search of earlier deeds of Bedford reveals that on 15 December 1759, Anthony and Sarah Pate, of Bedford, had sold for £ 8 to John Keef, son of John Keef of said county, deceased, 100 acres, "a certain part of a tract surveyed for said Anthony Pate", being part of the tract "whereon said Anthony Pate now liveth". The boundaries began at a corner pine above the plantation where said John Keef, deceased, formerly lived, crossed Beaver Dam to Walton's corner, and included "the plantation whereon ye afsd. Jno. Keef, deceased, did live". Witnesses to this Pate-Keef (Keith) deed were George Watts, Joseph Gibson and Robert Allen. It was acknowledged and recorded 25 February 1760 in Bedford Co., Va. Deed Book 1, page 255. It is probable that this was the same acreage later purchased by Rowland Wheeler from John Keith, and therefore the acreage would have amounted to about 100 acres.

On 27 February 1770, Anthony Pate, Bedford Co., sold to John Wright, Bedford Co., "for sundry causes & considerations", 111 acres on the middle fork of Beaverdam Creek, adjacent lines of Roland Whealer, George Walton and Thomas Pate. It was the land on which Anthony Pate lived, and was to go to John Wright after the decease of Anthony Pate and his wife, Sarah Pate. (Bedford Co., Va. Deed Book 3, pages 390-391.)

11 May 1772, John Pate, Bedford Co., conveyed to Thomas Pate, son of Anthony Pate, 111 acres on both sides of Beaver Dam Creek, which land was adjacent Thomas Pate. It had been a part of a tract taken up by Anthony Pate and conveyed to John Pate. Witnesses were John and David Holladay, Nathaniel Shrewsberry, Jeremiah Farmer and Roland Wheeler. (Bedford Co., Va. Deed Book 4, pages 443-446.)

On 29 October 1772, Roland Wheeler witnessed a deed from Richard Wilson, Bedford Co., to Thomas Pate, Bedford Co.. The tract conveyed was 200 acres on both sides of Staunton River. Other witnesses were Gross Scruggs, Aquilla Greer, Jr., John Brown, Sr., Bowker Smith, Jeremiah Pate and Samuel

Rowland and Ann Wheeler, continued:

Shrewsbury. (Bedford Co., Va. Deed Book 5, page 23.)

From at least 22 March 1773, there was a lawsuit in Bedford Court, Roland Wheeler vs. John Davison, John Hook and Aquilla Gilbert, the last two men having been Security for John Davison. On 22 March 1773, Roland Wheeler complained that John Davison and John Hook had refused to pay a debt of £ 23 and/or £ 2 damages, which sum was apparently based on the bond of John Davison (with John Hook as Security) to Roland Wheeler for £11.10.0. Witnessing the note was (---) Price, the first name being difficult to read, but may have been "Danl." or "Bourn". On one of the court papers it was noted, "John Hooks, Secy., he is ultimately good", while on another it was noted that the summons ordered 17 Jan. 1774 had been executed on John Hook, but "came too late to hand to execute on Davison". The suit appears to have been noted in Order Books as late as 25 March 1783. (Bedford Co., Va. Order Books 5A, page 253; 5B, page 72; 6, pages 15, 176; 7, pages 23, 39.)

22 October 1773, Roland Wheeler, Bedford Co., purchased for £ 25, a tract of 380 acres from George Walton of Prince Edward Co., Va.. The acreage was on both sides of the Middle Fork of Beaver Dam Creek, adjacent Shrewsbury, Watts and Pate's "old line". Witnesses were William Cowan, Jesse Walton, Robert Walton, Jr., Robert Bradfute. The deed was proven 27 Dec. 1773 and 24 Jan. 1774, and ordered recorded. (Bedford Co., Va. Deed Book 5, p. 177.)

Among the court papers of Bedford Co., Va. is a notation regarding Peter Terrill vs. Roland Wheeler. In May 1774 Court, Peter Terrill, (assignee?) of George Walton, recovered a judgment against Roland Wheeler for £ 48 "etc." from 25 March 1773, which judgment may have had to do with the deed of 22 Oct. 1773, George Walton to Roland Wheeler. My notes do not go beyond this information, but there may be more to learn from the Order Books and Court packets in Bedford.

On 13 October 1774, Roland Wheeler witnessed a deed, Daniel Painter, Bedford Co., to Thomas Pate, Bedford Co., for 110 acres on both sides of Falling Creek. Other witnesses were Gross Scruggs, John Holladay, James Cowdon, Samuel Shrewsbury, and George Quesenbury. Roland Wheeler was one of the proving witnesses on 22 Jan. 1776. (Bedford Co., Va. Deed Book 5, pages 360-361.) Falling Creek should not be confused with Falling River. Falling Creek is between branches of Beaver Dam Creek and Roanoke (Stanton) River.

On 16 August 1777, Roland Wheeler witnessed a deed from Peter Holland, Bedford Co. to Matthew Pate, Bedford Co.. The tract was 161 acres on branches of Beaver Dam Creek, which land had been patented to Peter Holland in 1773. Other witnesses were Caleb Tate, Jeremiah Pate, Bowker Smith, Samuel Shrewsbury and Richard Nugent. (Bedford Co., Va. Deed Book 5, p.520.)

According to the D.A.R. National Magazine, Vol. 91, Dec. 1957, page 1343, Rowland Wheeler was one of the Bedford Co., Va. residents who signed the Oath of Allegiance to the newly created U.S. government on 10 October 1777. The signers that day were listed as being Henry Ferguson, Andrew McWilliams, Val Maddox, Rowland Wheeler, Joseph Brown, William Hanes, Robert Scarbrough,

Rowland and Ann Wheeler, continued:

Thomas Wheeler and William Henson.

On 27 September 1779, Roland Wheeler witnessed a deed from Thomas Pate, of Montgomery Co., Va. to John Wright, Bedford Co., for 222 acres on a north fork of Beaverdam Creek "where Thomas Pate formerly lived". It was part of a tract conveyed from George Walton to Anthony Pate. The boundaries mentioned lines of John Wright, Isham Talbot, George Walton and a "new survey". A quarter acre cemetery was mentioned in the deed. Other witnesses were Samuel Shrewsbury, Matthew Pate, John Thomas, and Tommy Wright. Roland Wheeler was one of the proving witnesses on 22 April 1782. (Bedford Co., Va. Deed Book 7, p. 112.) It should be noted here that Thomas Pate was a son of Anthony Pate. Thomas Pate, and his wife, Catherine, had by this date moved to Montgomery Co., Va. where further records about them can be found.

Also on 27 September 1779, George Walton, Prince Edward Co., Va., sold to John Wright a tract of 270 acres on Long Branch of Beaver Dam Creek. Mentioned in the boundary description were lines of Evans, John Holladay, David Holladay, Whealer and Shrewsbury. (Bedford Co., Va. Deed Book 6, pages 329-330.) "Whealer" likely was a reference to Roland Wheeler.

About 1780, Rowland Wheeler entered a trying period of his life, one which was to lead to two lawsuits spanning several years. The first notation found forewarning of the court struggle to come is revealed in the Revolutionary War Public Service Claims, Bedford Co. Court Booklet, page 3 which fell under "The Co. of Bedford To John Mead...Upon Accot. of Tories", and appears to have commenced 23 July 1780. Listed is: "Augt. 19. To Diet for Rowland Wheeler..." The data concerning number of days, sum, etc. is missing due to a torn page.

This item is clarified by the following information from Bedford Co., Va. Order Book 6, page 301, 30 September 1780 Court, which is indexed as "Rowland Wheeler ads. Commonwealth. High Treason." "For examination of Rowland Wheeler on suspicion of high treason." The court was made up of William Mead, James Callaway, Francis Thorp, John Callaway, William Callaway and William Leftwich. "The prisoner being led to the Barr in Custody, etc. and charged with the treasons afsd. saith he is guilty of taking the following oath and admr. it to others (to wit) I do swear, etc. whereupon in the opinion of the Court that the sd. Wheeler ought to be tried for the same before the Judges of the General Court, therefore this command (to) the Sheriff that he remove him back to the goal of this city and from thence to the publick goal." By public goal, it was meant the jail in Richmond, Virginia and it was there Rowland Wheeler was taken sometime after this date. Apparently Rowland was held in Bedford and later in Richmond from at least August 1780 until at least October 1780.

A good deal more of this interesting passage in history is brought out in Hening's "Statues at Large", Vol. X, pages 324-326 regarding an Act of the General Assembly dated October 1780. The following is excerpted from that reference: "Whereas a number ...in the southwestern parts of this state have been deluded and misled by the emissaries of the common enemy...by direct falsehoods upon the credulous, ignorant and unwary, whereby

Rowland and Ann Wheeler, continued:

some of the citizens of this commonwealth have been induced to take an oath of allegiance to the king of Great Britain, and engaged to enlist for or into his service. And whereas it is represented to this general assembly that the said offending citizens have repented...and are humbly and sincerely solicitous to obtain pardon from their injured and offended country, and it is expedient to extend mercy & clemency to them: Be it enacted by the General Assembly, That all and every person and persons ...in the counties of Henry, Bedford, Pittsylvania, Botetourt, Montgomery, and Washington, who shall previous to the first day of November in the present year, have been guilty of taking an oath...to the king of Great Britain , since the expiration of the year 1776, or enlisting themselves or others into the service of the said king...shall and may go before some justice of the peace...on or before the last day of February next ensuing, and take the oath of fidelity to this commonwealth...And whereas Joseph Greer, Wayman Sinclair, John Wilks, William Chuke, Jacob Feazle, Anthony Epperson, John Ayres, Thomas Hunt, Richard Bandy, Rowland Wheeler, Josiah Meadows, Randolph Richardson, Joseph Wilson, Daniel Huddleston, Thomas Watts and Edward Hore were lately committed in order to their trial for the offences before recited, several of whom now remain in close confinement, and others of them were lately enlarged upon bail, and it is just that the benefit of this act should be also completely extended to them...all and every of the persons before named and now in the publick jail, may take and subscribe the oath of allegiance in the presence of some justice of the peace of the county of Henrico, and upon certificate to the governour from the justice...and notification thereof from the governour to the keeper of the publick jail, shall be by him discharged...the persons before named who were lately enlarged...upon bail, may take...the same oath...and upon certificate thereof from the justice to the judges of the general court, produced at any day of their session in...December...1780, or on the first day of their session in March next, shall be fully discharged from his recognizance...every such person herein before named or described...shall thenceforth be ...fully and absolutely pardoned, exempted, cleared, and exonerated...every justice administering the said oath...shall, within one month thereafter, return to the clerk of his county...who shall take the same...to be...transcribed and safely kept in his office...This act shall be published by the Sheriffs of each of the counties of Henry, Bedford, Pittsylvania, Botetourt, Montgomery and Washington, within their respective counties, at the courthouse of the county, on some court day before the last day of January next...."

Obviously there is a great deal more to be learned concerning this fraction of history. It would be interesting to know more about the circumstances leading to the charges and to the Act of the General Assembly, as well as to why the court in Bedford acted, or acted more quickly than did courts of the other counties referred to, for the men named in the above were all from the Bedford County region. The men named were, in at least several cases, men of substance, and it appears that the charges of 1780 did not diminish their standing in the community. Rowland Wheeler had, as stated before, taken an oath of fidelity to the American government in October 1777, and had, at least on one occasion, furnished provisions to the American army as shown by Bedford Co., Va, Order Book 6, page 347 wherein it states: "Court held at house of David Wright Apr. 22, 1782: Rowland Wheeler proved

Rowland and Ann Wheeler, continued:

that he furnished the sd. com(missary) with 375 pounds beef for which he is allowed 16/8p." How events evolved into a charge of treason is a puzzle we have not yet resolved.

Once the pardon had been issued, Rowland Wheeler and the others should have been able to put the stress of the events behind them. However, two lawyers, Bartlett Williams and Jerman Baker had visited the Richmond jail and had obtained the bonds or notes of several of the men charged with treason, the bonds being pledged to Williams and Baker in return for representing them before the General Court when they were to come to trial. After the pardon, the attorneys began suit to collect the sums pledged by bond, and obtained a judgment in their favor against Roland Wheeler and his security, Daniel Huddleston. Although it is likely that the suit began sometime about 1781, we have not picked up such references yet. The earliest notation we have regarding the suit, Williams vs. Wheeler & Huddleston reflects that it began sometime before March 1784. References to it can be found in Bedford Co., Va. Order Book 8, pages 8, 25, 44, 72, 122, which entries cover Court in March 1784, May 1784, July 1784, 24 August 1784 and January 1785. In March Court it had been noted that Anthony Pate supplied bail for Roland Wheeler, while Samuel Martin supplied bail for Daniel Huddleston.

After January 1785, a suit entitled "Wheeler vs. Williams" was instituted. According to the Court packet and Order Book references, the case came up in Courts of September 1785, November 1785, March 1786, May 1786, August 1786, September 1786, March 1787 and 27 August 1788. The initial entry was in Order Book 8, page 199, September 1785 Court when "on the motion of Roland Wheeler by his attorney, an injunction was granted him to stay the Judgment obtained against him & his security by Bartlett Williams until the Equity thereof could be heard on a bill filed." On 26 September 1786, Roland Wheeler gave his bond of £80 with Daniel Huddleston and Isaac Hibbs as his Security, such bond being required. Rowland Wheeler's signature on the bond appears shaky, perhaps due to the stress of events.

From the Court packet we learned that on 15 June 1786, in New Kent Co., Va., Bartlett Williams made a lengthy statement wherein he said that he had made many trips to jail to assist Rowland Wheeler when he was held in Richmond, that he had gone to considerable trouble and expense, that Roland knew of the case then before the General Assembly (reference to the Act of October 1780 then being enacted), and that he (Roland Wheeler) said he would not go back on his bond, etc..

Also in the Court packet was a statement of 26 September 1786 drawn up by Rowland Wheeler and his attorney. "To Justices of Bedford Co., sitting in Chancery. Rowland Wheeler was one among those people who was apprehended for having committed offences of a treasonable nature and was by the county court of Bedford sent to public jail in Richmond & there confined till his trial before General Court...During his confinement a certain Bartlett Williams, at that time, a practicing attorney in General Court, often visited (the jail) & by circumvention & collusion induced your orator to give his bond with Daniel Huddleston his security as a fee to defend him on his trial before the General Court for the amount of (blank) for his

Rowland and Ann Wheeler, continued:

compensation, he, with assistance of a certain Jerman Baker, would relieve him if possible from penalties inflicted by law on offences of which your orator was supposed to be guilty. Your orator from a long and tedious confinement in prison (away?) from his wife & infant family of children and anxious to (obtain?) the most distant prospect of procuring relief was in a measure compelled to give his bond for (this work?). Afterwards he was informed by law was settled at 50 shillings. That before his trial came on before General Court, the General Assembly sitting passed an act of general amnesty & pardon to all now in jail for those offences for which he was confined and of which your orator was supposed to be guilty. At the time he gave bond, the assembly acted upon the subject. It could not have been unknown to the defendant (Williams) who was in Richmond at the time."

On 12 March 1787, Thomas Leftwich, William Terry and Jeremiah Pate (or any 2 of them) were commissioned to examine witnesses in the case of Roland Wheeler against Bartlett Williams.

Apparently several suits on this subject were being heard simultaneously, for Order Book 9, page 192, 27 August 1788 carries this entry concerning the final hearing on the issue: Feazle vs. Williams; Wilks vs. Williams; Wilks vs. Baker; Hore vs. Williams; Hore vs. Baker; Wilson vs. Williams; Wilson vs. Baker; Wheeler vs. Williams; Hunt vs. Williams. "By consent of the parties the final hearing of this cause came on. Whereupon It is Decreed & Ordered by the Court on hearing the Bill answer & Sundry Depositions filed that the Injn. be made perpetual & that the Deft. be forever barred & precluded from the benefit of his judgment at law & the complainant recover his costs. From which decree the defendant Baker prayed an appeal to this day of the (high?) General Court which is granted him on giving bond & Security according to law in one month."

As can be seen, the plaintiffs were six of the fourteen men named in the Act of the General Assembly on October 1780, Jacob Feazle, John Wilks, Edward Hore, Joseph Wilson, Roland Wheeler and Thomas Hunt. Of the other eight men so named but not listed here as plaintiffs, Joseph Greer and Randolph Richardson were deceased by this date. The defendants were the two lawyers, Bartlett Williams and Jerman Baker.

After eight years, Rowland Wheeler was finally free of this issue. During the years of these lawsuits, Rowland Wheeler was in Court, or represented in Court in at least the sessions of March, May, July, and August of 1784, January, September and November of 1785, March, May, August, September, and November of 1786, March, August and November of 1787 and March and August of 1788, travelling each time he had to appear in Court from his home on Beaver Dam Creek to what is now the town of Bedford. From August 1784 through August 1788, Rowland Wheeler served on at least 15 juries and appeared as a witness for at least one other suit before the Court. Also in Court on several of these occasions and sometimes serving on the same juries with Rowland Wheeler, were Benjamin Wheeler and Archelaus Wheeler. (Bedford Co., Va. Order Book 9, pages 7, 94, 95, 97, 116, 117, 119, 126, 127, 150, 152.) Also during this time, on 24 December 1787, it was "ordered that Dav: James, John Wright & Archelaus Wheeler & Roland

Rowland and Anne Wheeler, continued:

Wheeler or any 3 be appointed to view a way to turn the road round Thomas Pates Plantation and make a report." (Bedford Co., Va. Order Book 9, page 131.)

Roland Wheeler, Thomas Wheeler, Benjamin Wheeler and Archelaus Wheeler all signed a Legislative Petition from Bedford County which was dated 21 November 1781. The petition concerned division of Bedford.

From 1782 through 1790 Rowland Wheeler appeared in the yearly Personal Property Tax Lists of Bedford which lists in 1782 showed him with 3 tithables-himself and 2 white males above the age of 16 and under 21. It is generally believed that these two young tithables were sons of Rowland Wheeler's - Anderson and William Wheeler.

On 21 August 1783, Roland Wheeler was a witness to a lease agreement between John Armour Findley, Bedford Co., and Isaac Bury (Berey?), Bedford Co., along with other witnesses, Robert Nimmo, Wayman Sinkler and Richard Bunch. He was a proving witness in Court 25 August 1783. (Bedford Co., Va. Deed Book 7, page 231.)

On 19 December 1785, Roland Wheeler acted as Surety on the Marriage Bond of William Wheeler who was to marry Sarah Wright. It is believed that William was a son of Roland and Ann Wheeler.

On 4 August 1786, Axton Scott, Bedford Co., sold 182 acres for £ 132 to Rowland Wheeler, Bedford Co.. The land was on an East fork of Beaver Dam Creek, adjacent lines of John Wright, Rowland Wheeler and David Holliday, and was the "plantation whereon Axton Scott now lives". Witnesses were John Holladay, William Wheeler and John Wright. The deed was recorded 25 December 1786. (Bedford Co., Va. Deed Book 7, page 662.)

On 5 June 1787, Roland Wheeler again acted as Surety on a Marriage Bond, this time for Anderson Wheeler who was to marry Sarah Nimmo, daughter of Robert Nimmo. The couple were married 18 June 1787 by Baptist minister, Nathaniel Shrewsbury. Anderson Wheeler is believed to have been a son of Rowland and Ann Wheeler.

On 25 April 1789, Rowland and Ann Wheeler, Bedford Co., sold 130 acres on Beaver Dam Creek to William Wheeler, Bedford Co.. The sum stated was £ 40, and the tract was adjacent lines of John Wright, David Holladay and Rowland Wheeler. Witnesses were Edward Hore, Zechariah Brown and Jonathan Groom. The deed was recorded 27 April 1789. (Bedford Co., Va. Deed Book 8, page 176.) On 25 December 1790, William and Sarah Wheeler sold this same acreage to George Scott, Bedford Co., for £ 60. Adjacent lines were given as those of John Wright, John Holladay and Rowland Wheeler. Witnesses were Haiden Trigg, John Holladay and William Brown, and the deed was recorded 28 Feb. 1791. (Bedford Co., Va. Deed Book 8, page 405.) Although William Wheeler may have gone with his father and family to Kanawha County circa 1791, he may have returned to Bedford Co. at a later time for there are two deeds which could have been those of this William and Sarah Wheeler. On 23 March 1805, a William Wheeler purchased 59 acres from William Anderson. The tract was on Beaver Dam Creek adjacent James Johnson's Mill Pond, sd.

Rowland and Ann Wheeler, continued:

William Anderson and "the patent line". Witnesses were Joseph Wright, William Pryor and John Wheeler, and the deed was recorded 23 December 1805. (Bedford Co., Va. Deed Book 11, page 1389.) On 25 September 1810, William and Sally Wheeler, then of Jackson Co., Tennessee, sold this same tract to Anthony Wright, Bedford Co.. (Bedford Co., Va. Deed Book 13, pages 589-590.)

On 27 April 1790, Roland and Ann Wheeler, Bedford Co., sold to Anderson Wheeler, Bedford Co., 100 acres for £ 30. The acreage was adjacent Shrewsbury's corner, John Wright, and Rowland Wheeler. Witnesses were Edward Hore, William Wheeler and Rowland Wheeler, Jr.. (Bedford Co., Va. Deed Book 8, page 302.)

On 24 July 1790, Roland Wheeler sold 140 acres to John Holiday for £ 100. The land was adjacent John Wright, William Wheeller, David Holliday and John Buford. Witnesses were William Brown and John Wheler. Although we did not see the name of Ann Wheeler in this deed, it was signed "Roland Wheler", and not finding "Jr." mentioned anywhere, we assume this deed was for Roland Wheeler, Sr.. It was recorded 26 July 1790. (Bedford Co., Va. Deed Book 8, page 304.)

On 30 October 1790, Roland and Ann Wheeler, Bedford Co., sold to Matthew Pate, Bedford Co., 300 acres for £160, the land being on the Middle Fork of Beaver Dam Creek. Mentioned in the boundaries were John Wright, Keith's Branch, Shrewsbury, Anderson Wheeler, John Wright, William Wheeler, a road, Matthew Pate, Nathaniel Shrewsbury. Witnesses were Nathaniel Shrewsbury, John Buckhannan, John Shrewsbury. The deed was recorded 28 February 1791. (Bedford Co., Va. Deed Book 8, page 421.)

With this last sale, Roland and Ann Wheeler had conveyed a total of 670 acres to others, about 8 more than had been purchased by them, which small difference could be accounted for by the fact that many tracts were sold in "estimated" acreage rather than surveyed acreage.

About 1791, Roland and Ann Wheeler moved to Kanawha County, Virginia, now West Virginia, leaving some of their family members in Bedford Co.. Some of the rest of their history we learn from "The Calendar of State Papers (Virginia)", Vol. 5, pages 475, 552-553, and Vol. 6, pages 237-240, 401-402. The information most pertinent to our research being that the names of Roland Wheeler, Mathew Wheeler, Rowland Wheeler and John Wheeler were on the roll of Captain John Morris' Company of Rangers called into service in Kanawha 1 May through 30 September 1791. Further, that after receiving a letter circa 20 May 1792 from Captain Hugh Caperton, William Morris, Esquire, listed 2 men to duty at his mill, the 2 being, apparently, Nathan Wheeler and Roland Wheeler, Sr.. After seeing Captain Caperton and telling him that 2 men were not enough, Caperton ordered him to enlist 2 more, which he did. Thus the 4 serving at William Morris' mill were Rowland Wheeler, Nathan Wheeler, Richard NewJen, and William Prior. These 4 men "faithfully discharged their duty". Captain Morris later recalled that Roland and Nathan Wheeler "continued to do duty at my mill until September..."

Rowland and Ann Wheeler, continued:

Included in a Roll of Captain John Morriss's Company of Rangers called into service 15 March 1792, and continuing to 1 January 1793 in Kanawha County were: "Roland Wheeler, Corporal, at Pryor's, no family, made a crop there. John Wheeler, Private. At W. Morriss'; no family; supposed to be taken by the Indians 16 October (1792). Matthew Wheeler, Private. At W. Morris'; no family; killed 16 October (1792)." On the back of the roll: "Nathan Wheeler, Private. At W. Morriss'; no family; made a crop 2 ½ miles off with his father. Roland Wheeler, Private. At Capt. W. Morriss' & Carroll's alternately; was killed 16 October, a few days after he went from Morriss'." The depositions of William and John Morris which related some of these details were taken in June 1793.

From the foregoing it would appear that Rowland Wheeler, Sr. and his son, Matthew Wheeler, were killed by the Indians 16 October 1792. Son John Wheeler was either killed or taken by the Indians on the same day, while sons Nathan Wheeler and Roland Wheeler, Jr. survived. We also learn that none of these sons of Roland and Ann Wheeler had a family of their own at the time.

According to "Abstracts of County Court Records, Kanawha County, Virginia, 1789-1803", W.P.A., page 10, on 2 May 1791 the Court ordered that Joseph Carroll, John Joanes and Robert Wheeler appraise the estate of Sherick Harraman. It is possible the name "Robert" was a misreading of "Roland".

Page 23 of the same reference cites Court of 6 November 1793: Suit, Rowland Wheeler vs. Hugh Caperton, and another lawsuit, Nathan Wheeler vs. Hugh Caperton. These 2 suits might reveal some interesting details for it was within Captain Hugh Caperton's Company that Roland and Nathan Wheeler were serving as volunteers when the foregoing difficulties with the Indians transpired.

There were 3 Wheeler documents filed in Kanawha County during Court of 7 October 1793. A deed from Leonard Morris and John Morris, Executors of the estate of William Morris, Sr., deceased, to Roland Wheeler conveyed for 5 shillings, 265 acres on the Southwest side of the "Kenhawa" River, joining between land of Benjamin Morris and a survey made for James Armstrong. Boundary description includes "pointers corner to Benjamin Morris...to the River...up the River...including an island at the upper end of the Survey to the upper end of the Island...crossing part of the river to a Birch & Linn on the Hillside..." The deed, signed by John Morris, was recorded 26 June 1794. (Kanawha Co., [W.] Va. Deed Book A, page 23.)

On the same Court day of 7 October 1793, Roland Wheler, Jr., of the County of "Kenhawa" was granted administration on the estate of Roland Wheler, Sr., deceased. He gave bond and took the oath, his Security being Daniel Huddleston of the same county. Bond was for Ł 300. The bond was recorded 18 July 1794. (Kanawha Co., [W.] Va. Deed Book A, page 36.)

On 7 October 1793 the Kanawha Court ordered that the estate of Rowland Wheeler, deceased, be appraised by Jonathan Winsor, Allen Rice and Joseph Climer. It was appraised 2 August 1794, and was evaluated at Ł80 2 shillings and 12 pence.Included in the inventory were farm tools and

Rowland and Ann Wheeler, continued:

equipment (including a plow), 3 horses, 10 cattle, sow and pigs, "1 Shoot Gun" and household furnishings consisting mainly of 26 ½ old plates, 3 beds, a rug, blanket, sheet, 3 mugs, 2 flax wheels, 5 knives and forks, 2 trunks, 1 skillet, 1 fry pan, 3 pots and sundry books.

There are several points that should be noted here. "Kanawha County Tax Lists, 1791-1813", W.P.A. lists as tithables of Kanawha in 1792, Rowlan Wheeler, John Wheeler, Rolan Wheeler, Jr. and William Wheeler. In 1793, listed are Rowlin Wheeler Sr., Rowlin Wheeler, Jr. and John Wheeler. The listing of Rowland Wheeler, Sr. and John Wheeler during 1793 may refer to their estates only, for Rowland had been killed in 1792 and John had been killed or taken by the Indians. In 1794, only Rowland Wheeler (Jr.) was listed.

Hardesty's "Historical and Geographical Encyclopedia, Kanawha Co., Va.", 1883, page 309, under "Massacre of the Wheeler Family", relates that the same year that Harriman was killed (7 March 1791), a Wheeler family came to the valley. This information ties in with the already referred to order of 2 May 1791 Court concerning an appraisal of the estate of Sherick Harraman. The reference further relates that the Wheelers remained 2 years at Kelley's Creek Settlement, and then removed 8 miles farther down the river and began an improvement. During an Autumn evening, 6 of the family were said to have been roasting chestnuts in front of the cabin, when the Indians opened fire, killing all but "one lad, nearly grown". "The boy ran and made his escape to Kelley's Creek, where he related the bloody story. Company of soldiers went down the next morning, but only to find the charred remains of five human bodies among the smoking ruins of the cabin, into which the savages had carried them before applying the torch..." This reference also states that among the early settlers of Cabin Creek District was a John Wheeler.

"History of Charleston and Kanawha Co., W.Va." by W.S. Laidley, p. 43, states that John Wheeler, his wife and four children were killed in 1792 opposite the mouth of Cabin Creek.

Although neither of these reports matches exactly the records concerning the killing of Roland and Matthew Wheeler, etc., both are close enough to have been different versions of the same events. The Wheelers' location as being across from the mouth of Cabin Creek places it slightly down river from Kellys Creek and Fort Morris, and a few miles below a site noted as being Huddleston's cabin. (Refer to "An Historical Map of the Great Kanawha Valley" as found in "Pioneers and Their Homes on Upper Kanawha", Ruth Woods Dayton.) This location also fits in well with statements cited in these notes that Nathan Wheeler and his father, Rowland Wheeler, Sr., made a crop 2 ½ miles from William Morris' mill. (It would be interesting to learn if the Huddleston cabin upriver was that of Daniel Huddleston who figures so often in records pertaining to Rowland Wheeler.)

If the information surrounding the massacre of the Laidley book is used, the date and location fit what we know of Rowland Wheeler and his family, but "John Wheeler" as head of the family does not. If Hardesty's history is utilized, the story would make sense with what we know of Rowland Wheeler

Rowland and Ann Wheeler, continued:

and his family except for the date which would have been a year after the fact. The words, "smoking ruins of the cabin" present an image of complete destruction of furnishings, but, if this story as related in Hardesty's book does refer to the family of Rowland Wheeler, the inventory of his estate indicates that some furnishings survived (as well as livestock, etc.) or were located elsewhere. All things considered, however, as stated before it seems likely that both the Hardesty and Laidley books refer to the same tragic events which befell the family of Rowland Wheeler on 16 October 1792.

In trying to piece together a list of the children of Rowland and Ann Wheeler we cannot locate any document which indicates the name of a daughter or daughters, yet it seems likely they had 2 or 3 daughters. We do know that sons born to the couple included Rowland Wheeler, Jr., John Wheeler, Matthew Wheeler and Nathan Wheeler. It is also believed that Anderson Wheeler and William Wheeler were both sons of Rowland and Ann Wheeler.

Sometime in 1800, Rowland Wheeler (Jr.) married Nancy Hill in Kanawha Co., (West) Virginia. (From typscript of "Kanawha Co. Marriage Licenses, 1792-" by Julia Morris Wintz, March 1935.)

If son John Wheeler survived the Indian attack of 16 October 1792, we do not have further information concerning him.

Matthew Wheeler was reported killed in Kanawha Co. 16 October 1792.

If Nathan Wheeler survived the Indian attack of 16 October 1792, we do not have further information regarding his history.

Anderson Wheeler married Sarah Nimmo, daughter of Robert Nimmo on 18 June 1787 in Bedford County, Virginia. The minister was Rev. Nathaniel Shrewsbury, Baptist. Rowland Wheeler had acted as Surety for the Marriage Bond which was dated 5 June 1787. Bedford Co., Va. Will Book 9, page 129 carries the will of Anderson Wheeler, dated 12 February 1836 and proven 22 February 1836. The will names his wife, Sarah Wheeler, sons Roland and Robert Wheeler, daughters Milley Douglas and Nancy Lancaster. It also names grandchildren, Elizabeth Douglas, John A. Douglas, Martha J. Douglas, Roland Douglas, Thomas Lancaster and Sally Lancaster. The Executor named was friend William McGeorge. Witnesses were Peter M. Wright, John Wright and Abram Fouts. Daughter Nancy Wheeler had married Lewis Lancaster, whose Marriage Bond was dated 23 July 1810, with John Wheeler as Surety. Milly Wheeler had married Abijah Douglass in Bedford Co. on the 6th or 7th of October 1825. Surety on the Marriage Bond was Thomas J. "Numo" (probably Nimmo). The minister was William Harris. Robert Wheeler married Miriam Payne in Franklin Co., Va.. The Marriage Bond was dated 5 February 1821, with Joseph Payne as Surety. Roland Wheeler married Sophia ----- before January 1837. It should be noted that Anderson and Sarah Wheeler could have had other children who were not named in the will of Anderson. Bedford Co., D.B. 26, p. 107 carries a deed of 7 November 1836 from Roland and Robert Wheeler to Abijah Douglas wherein it was stated that Anderson Wheeler was taken sick "and while on his death bed employed a neighbor to write

Rowland and Ann Wheeler, continued:

his will..." It is possible that there was not time or strength to dictate more than the issues which were most pressing on the mind of Anderson Wheeler at that time.

William Wheeler married Sarah Wright in Bedford Co., Va. with Roland Wheeler acting as Surety on the Marriage Bond which was dated 19 December 1785. William Wheeler first appeared under his own name in the Bedford Co., Va. Personal Property Tax Lists in 1786, at which time he was not yet 21. From these lists it appears that William was not of age until late 1787 or early 1788. After 1790, William, Rowland and John Wheeler ceased to appear on the Bedford Tax Lists. It is probable that William Wheeler also went to Kanawha Co., (W.) Va. in 1791, for the Kanawha Tithables Lists of 1792 show a William Wheeler there as well as Rowlan, John and Rollan Wheeler, Jr.. His name does not appear there in 1793 or 1794, nor is it listed in Bedford Co. in those years. As stated earlier, on 23 March 1805, a William Wheeler purchased 59 acres of Bedford Co., Va. land from William Anderson. On 25 September 1810, William and Sally Wheeler of Jackson Co., Tennessee, sold this same acreage to Anthony Wright. If this latter couple should prove to have been the same as William and Sarah (Wright) Wheeler, then we know that by at least September 1810, they were in Jackson Co., Tennessee.

There was a James Wheeler in Bedford County, Va. who has already been discussed in this publication as possibly having been a son of Charles Wheeler of Buckingham Co., Va.. (Please refer to the section on Buckingham-Cumberland notes for deed details, etc..) There is also a very good possibility that this James Wheeler was a son of Rowland and Ann Wheeler. If so, we know that that James Wheeler and wife, Elizabeth, were in Sumner Co., Tennessee by 1799.

Although there is more to be added to the history of the descendants of Rowland Wheeler, these particular notes on the family will conclude here.

Rowland Wheeler appears to have been a man of character for he did not dodge issues, painful though they might have been to him, and he pursued matters of principal to their conclusion. Of the four Bedford County, Virginia Wheelers who hold our main research interest at this time, Rowland Wheeler, Thomas Wheeler, Benjamin Wheeler and Archelaus Wheeler, it is my opinion that Rowland Wheeler is a central and key figure to their earlier history. Although we have not documented a direct connection between Rowland Wheeler and the other three Wheelers, there is some circumstantial evidence of a relationship between the four men.

We know that Rowland and Thomas Wheeler signed the Oath of Allegiance in Bedford Co., Va. on the same day in 1777. We know that Rowland Wheeler first purchased land in 1769, and that his home tract had flowing through it Keith's Creek, a branch of Beaver Dam Creek. We learned that although Thomas Wheeler was present in Bedford from at least 1777, he did not finalize a purchase of land until 1781, but that when he did so, the deed revealed he had been living on that tract and that the land was on Keith's Creek.

Rowland and Ann Wheeler, continued:

About the time Rowland Wheeler found himself embroiled in difficulties and lawsuits of a serious nature, requiring him to leave family and farm to attend long court sessions some miles distant from his home, Benjamin and Archelaus Wheeler left Buckingham Co., Va. to settle near and adjacent to Rowland Wheeler on Beaver Dam Creek, where they all remained until a final court decision in 1788 released Rowland Wheeler from his legal burden. Not until after that date did Rowland, Benjamin and Archelaus begin to move on to other points. During the years when Rowland Wheeler was required at the Courthouse so often, Benjamin and/or Archelaus Wheeler were also present during many of those same court sessions, sometimes serving on the same juries as they no doubt waited for their own court mátters to come up.

Although these points could be a matter of coincidence, at this time it seems more than that, warranting continued research efforts.

THOMAS AND ELIZABETH WHEELER
of
Bedford County, Virginia

Although Thomas Wheeler and his wife, Elizabeth, lived in Bedford County, Virginia over 50 years, we have found few records concerning them.

The earliest reference to Thomas Wheeler we have found is on 10 October 1777 when he signed the Oath of Allegiance in Bedford. On that day, the signers were Henry Ferguson, Andrew McWilliams, Val Maddox, Rowland Wheeler, Joseph Brown, William Hanes, Robert Scarbrough, Thomas Wheeler and William Henson. (D.A.R. National Magazine, Vol. 91, Dec. 1957, p. 1343.) From this we know that Thomas Wheeler already was living in the county, and, since he signed on the same day, It seems logical to assume that he at least was acquainted with Rowland Wheeler.

Among the Legislative Petitions filed in the Virginia State Library, Archives Division, are a series of petitions dated 21 November 1781 from citizens of Bedford County, Virginia requesting division of the county. The text of each is the same and many of the names on at least two of the petitions are duplicates, that is, it appears that a number of men signed two petitions. The petitions state, in part, "...Your petitioners Labour under many great inconveniences from the Large Extent of the County...our county is Seventy Miles in Lenght and thirty five in Breath on an Average thick Setled with Inhabitants. A Number of your Petitioners on the North Side of Stanton River have 35 Miles some 40 and on the South Side of Said River 60 Miles to the Court House to attend the many necessary calls which often conveneth the Free Holder & Militia..." The petitions go on to say that the county was so large, and the number of Assessors were restricted, which rendered it impossible for the Tax Assessors to assess their Hundreds in the time prescribed by Law, some assessors having districts of 30 miles in length and 15 or 20 miles in breadth to cover. They also stated that the Bedford Militia amounted to 1700 rank and file. The men wanted to divide the county by a line to begin at the mouth of Judys Creek on the James River, run to Thompsons Mill on Buffalo Creek, thence to Back Creek on Goose Creek, and from there a direct line to the Stanton River.

One copy of the above petition carries the following names: Joseph Bunch, Gideon Martin, Wm. Taylor, Jno. Campbell, Jeremiah Brown, James Balding, Jacob Cumton, Gabriel Ferrel, Patrick Evins, John Bratcher, Rolen Wheller, Rolen Adkins, James Cornut, Snr., Wm. Another of these petitions appears to have been a mixture of men from at least two different "neighborhoods". It begins with names obviously from the region of Beaverdam Creek. Following are some of the names from that petition, starting at the first of the list: Nathl.Shrewsbury, David (--------?), Samuel Shrewsbury, Junr., Dabney Shrewsbury, Avery King, John Shrewsbury, Fedrick Slinker, Randol Martin, Charles Bratcher, Nathan Hurt, Axton Scott, Wayman Sinkler, John (Pritcherds or Ritcherds), Isaac Sinckler, Archleas Wheler, Thomas Wheeler, James Mayse, Robt. Nimmo, Wm. Shrewsbury, Senr., Nich.Keith, Gabriel Keith, James Ritchie, Samuel Baker, Jonathan Grom, John Eckhols, John --ith (damaged but probably "Keith"), (Joh---------ker? torn), Joseph Wright, Andrew Blackburn, ...and the list continues.

Many of the names on these petitions were obviously written by the same hand. It is probable that the names were recopied, or that the one carrying or attending to the petition simply wrote the names for some of the men.

On 22 November 1781, Isham Talbot, Bedford County, for £ 25 sold 200 acres to Thomas Wheeler, Bedford County"..being the same land whereon the said Thomas Wheeler now lives..." The acreage was on both sides of Keeths Creek and was bounded by the patent line and the lines of James Southerland. There were no witnesses to the deed which was recorded 26 November 1781. (Bedford Co., Va. Deed Book 7, page 99.)

Although mentioned in the boundaries, James Southerland's land was not confirmed by deed until 24 February 1783 when Isham Talbot, Bedford County, executed a deed to him for 700 acres at £ 70. The tract was on Keeths fork of Beaverdam Creek, and by that date was noted as being bounded by lines of Thomas Wheeler, Samuel Shrewsberry and the "outlines of the patent". There were no witnesses to the deed which was recorded 24 February 1783. (Bedford Co., Va. Deed Book 7, page 180.)

The location of Thomas Wheeler's land is of special interest to our research because we have been attempting to learn what relationship, if any, the earlier Wheelers had to one another. We have found that Rowland Wheeler also lived on acreage which included a portion of "Keiths Branch". Keith's Branch or Creek was a branch of Beaver Dam Creek - probably of the Middle Fork of Beaver Dam. It was probably named for or by John Keith who was already deceased when Rowland Wheeler on 25 April 1769 purchased from his son, John Keith, the land which included the plantation whereon the deceased John Keith had lived. Still in Bedford Co. in the 1780's were a John Keith, Nicholas Keith and Gabriel Keith. It should be noted here that there is another early mention of the Keith family found in Bedford Co., Va. Deed Book 2, page 225, 15 June 1763 when John Talbot, Bedford Co., conveyed 100 acres for 5 shillings to Mary Keeth, Bedford County. The tract was

Thomas and Elizabeth Wheeler, continued:

"on a North branch of Stanton River" adjacent Talbot's line. The acreage included the plantation "whereon sd. Mary Keeth now lives", being part of a survey of 300 acres conveyed to John Talbot by deed in Bedford Co. Court. However, the 100 acres purchased in 1769 by Rowland Wheeler from the younger John Keith, had been purchased by the latter 15 Dec.1759 from Anthony and Sarah Pate. Even then, it was referred to as including the plantation on which John "Keef", deceased, had formerly lived. (Bedford Co., Va. Deed Book 1, page 255.)

Although we knew that Rowland Wheeler, Thomas Wheeler, Benjamin Wheeler and probably Archelaus Wheeler were all located on branches of Beaver Dam Creek, in trying to determine where each one lived in relation to where the others lived, we have found that they not only lived close enough to one another to "share" the same neighbors, but that Rowland, Thomas and Benjamin Wheeler all had land which touched upon one particular tract - that of Samuel Shrewsbury. Jeremiah, Rule, Samuel and Nathaniel Shrewsbury had come from Hanover Co., Va. to settle in Bedford. Jeremiah Shrewsbury chose land across the Stanton River. Rule Shrewsbury is believed by some to have been the father of Samuel and Nathaniel Shrewsbury, both later Baptist ministers of value to their communities. They were related to the Paynes, Poindexters and others of Hanover Co. and other regions. It is the land taken up in Bedford by Samuel Shrewsbury which serves as a catalyst when resolving the location of the various pieces of Wheeler land.

28 March 1769, George Walton sold 592 acres on the middle fork of Beaver Dam Creek to Samuel Shrewsbury, which acreage was adjacent Pate and Brice. (Bedford Co., Va. Deed Book 3, pages 257-258.) In 1770, Samuel Shrewsbury gave Rule Shrewsbury 92 acres off the upper end of his tract. (Bedford Co., Va. Deed Book 3, pages 393-39.), and sold 200 acres of his land to Nathaniel Shrewsbury, his brother. (Bedford Co., Va. Deed Book 3, pages 394-395.) When in 1774, George Walton sold Roland Wheeler 380 acres on the middle fork of Beaver Dam Creek, it was adjacent Shrewsbury. (Bedford Co., Va. Deed Book 5, page 177.) When Patrick Evans sold 200 acres to Benjamin Wheeler in 1782, it was noted that he had purchased it from George Walton and that it had as its North boundary the land of Samuel Shrewsbury. (Bedford Co., Va. Deed Book 7, page 431.) In 1783, James Southerland finalized his purchase of land from Isham Talbot, and it was noted as being adjacent Thomas Wheeler and Samuel Shrewsbury. (Bedford Co., Va. Deed Book 7, page 180.)

From the above it is possible to see that Rowland, Thomas and Benjamin Wheeler all had land touching on that of Samuel Shrewsbury. (Although Archelaus Wheeler did not leave a recorded deed in Bedford Co., the Personal Property Tax Lists always show him in close proximity to the other Wheelers.) As the years passed, and various tracts around them changed hands, there was a time when it appears some of the Wheeler lines may have been adjacent to one another as can be seen by the abbreviated list that follows:

28 March 1769. George Walton to Samuel Shrewsbury, adj. Pate & Brice. (Bedford Co., Va. Deed Book 3, pages 257-258)

13 Nov. 1784. John & Elizabeth Holladay to Jacob Burton; adj. Benjamin Wheeler, John Wright, David Holladay, Nathan Hurt. (Bedford Co., Va. Note: An earlier Edward Willis was a resident of Hanover Co., Va.. Also, in Madison Co., Ky., at a later date, Benjamin and Hannah Wheeler sold land to an Edward Willis. The Burtons were also nearby.)

17 Nov. 1784. Nathan & Frances Hurt to Jacob Burton; adj. Jacob Burton, Benjamin Wheeler, Saml. Finley, Avra King, David Holladay. (Witnesses: Thomas Pate, Wm. Burton, Edward Willis) (Bedford Co., Va. Deed Book 7, pages 427-428)

30 Oct. 1790. Rowland and Ann Wheeler to Matthew Pate, adj. John Wright, on Keiths Branch on Shrewsbury's line, Anderson Wheeler, John Wright, William Wheeler, road, Matthew Pate, Nathaniel Shrewsbury. (Bedford Co., Va. Deed Book 8, page 421)

From the foregoing, we can see that Rowland Wheeler, Thomas Wheeler, Benjamin Wheeler (and Archelaus Wheeler) settled very close together on the branches of Beaver Dam Creek near the present town of Stewartsville, Bedford County, Virginia.

The name of Thomas Wheeler appears on the Bedford County, Virginia Personal Property Tax Lists each year from 1782.

On 12 September 1803, Thomas Wheeler acted as Surety on the Marriage Bond for John Cundiff who was to marry Joice Wheeler, daughter of Thomas. Some years later, widowed Joicey Cundiff married Charles Craigg in Bedford Co.. The Marriage Bond was dated 11 February 1818, and that time Gabriel Wheeler, brother of Joice, was the Surety.

On 12 October 1803, Thomas Wheeler was Surety on the Marriage Bond for Isaac Cundiff who married Sarah Wheeler, daughter of Thomas, on 13 October 1803. The ceremony was performed by Richard Pope.

17 October 1810, for $100, Thomas Wheeler purchased 52 acres on the headwaters of Beaver Dam Creek from John H. Trent of Henry County. Witnesses were William Shrewsbury, William Johnson and John Cundiff. The deed was recorded 25 March 1811. (Bedford Co., Va. Deed Book 13, page 580.) In the will of Thomas Wheeler, this tract was described as "Trent's Place" on Green's Mountain. In 1843, a Deed of Trust from Abram and Mary Foutz was written and recorded in which the tract was described as being near the foot of Miller Mountain. Mary Foutz was a daughter of Joicy (Wheeler) Cundiff Craigg. (Bedford Co., Va. Deed Book 30, page 454: Abram and Mary Foutz, Debtors,, 1st Part; Samuel S. Preston & Silas Dearing, 2nd Part,

Thomas and Elizabeth Wheeler, continued:

Trustees; Stephen C. Hurt & Co. & Matthew Pate, 3rd Part, Creditors.) This difference in the name of the mountain is confusing. Utilizing a modern-day map, we find "Greens Knob" is on the headwaters of Beaver Dam Creek, roughly 4 miles North of Stewartsville, while Millers Mountain is shown among branches of Enochs Creek, Jumping Run and Shoulder Run (at least the last two being branches of Goose Creek, apparently) about 1 mile North of Meads Store. Evidently there has been a misunderstanding at some point, or a name change has taken place.

Thomas Wheeler left a will dated 30 June 1828. In his will, he named his wife Elizabeth, to whom he left his 200 acres on branches of Beaverdam Creek where they lived, together with his personal estate, all of which was to remain in the full control and management of their son, Gabriel Wheeler. Gabriel was to use whatever was necessary for his mother's comfort and happiness, any surplus was to be for his own use.

Thomas Wheeler gave one dollar each to his sons, John Wheeler, William Wheeler, Peter Wheeler, one dollar to the heirs of his deceased son Thomas Wheeler, one dollar to son Joell Wheeler, and one dollar to the heirs of his daughter Lucy, who had married Benjamin Burden. Both Lucy and Benjamin Burden were noted in the will as being deceased. To his daughters, Sally Cundiff and Joicy Craig, he left a 52 acre tract "commonly called Greens Mountain & known by the name of Trents Place", to be equally divided by them. He left one dollar to the heirs of his son James Wheeler, deceased. Because of the kindness and attention given to himself and his wife by Gabriel Wheeler and Gabriel's family, Thomas Wheeler gave to his son Gabriel, after the decease of his mother, the 200 acre tract on Beaver Dam Creek already referred to, and any personal estate still in his hands after the death of his mother.

Gabriel Wheeler was named Executor of the will, which was signed, Thomas (X) Wheeler. Witnesses were William (x) Maddra, William Shrewsbury and John Shrewsbury.

Thomas Wheeler's will was proven by William Maddra and John Shrewsbury 28 July 1828, and ordered recorded. Executor Gabriel Wheeler took his oath, giving bond and security . The will is recorded in Bedford County, Virginia Will Book 7, page 67.

As can be seen, Thomas Wheeler lived a long life, much of it in Bedford County among relatives and friends. However, as yet we have not found a time when Thomas Wheeler appeared in Bedford Court for a lawsuit, jury service, or as a witness for a suit. We have yet to find his name as witness on a deed or other document. His life in Bedford was extremely quiet insofar as recorded events go, almost to the degree of "studied" quietness. Whether this pattern of life was intentional, based on personal experience or convictions, or whether it was simply the way it worked out, we do not know at this time.

m Elizabeth _____.

Thomas Wheeler is first found in Bedford Co. Va. 10 Oct 1777, when he signed the Oath of Allegiance. We do not know where he came from, and we do not know Elizabeth Wheeler's maiden name; we do not know where or when they were married. They had eleven children: John, Lucy, William, Benjamin, Peter, Thomas, Sarah, Joel, Gabriel, Joicy, and James. They were all mentioned in the will of Thomas Wheeler, dated 30 June 1828 (Book 7, page 67, Wills, Bedford Co. Va.) with the exception of Benjamin who is presumed to have died young.

Thomas and family lived on a tract of land of 200 + acres lying on the branches of Beaverdam Creek in Bedford Co. Va. Thomas also owned a tract of land called Trent's lying on what is commonally called Green's Mountain containing 52 acres.

His descendants are listed in the Alphabet Section of this book following page 72.

Virgil Richard Wheeler, s/o Acel Night Wheeler, s/o Thomas Frederick, s/o William, and s/o Thomas of Bedford Co. Va. is standing in a shallow depression where the Ice House or cellar was located, being a part of Thomas Wheeler's home. Directly behind him, approximately 300 feet, is the headwaters of Beaverdam Creek, North Branch joining the East Branch of Beaverdam.

This brick, which is hand made was found where Monica, wife of Virgil R. Wheeler, is seated. That is Virgil, a great - great grandson of Thomas, standing beside her. This brick is from the fireplace of Thomas Wheeler's home in Bedford County, Virginia.

JOHN WHEELER 1
S/O THOMAS & ELIZABETH WHEELER

b 20 June 1762 probably in Bedford Co, Va.
d prior to 1840 probably ca 1838 in Blount Co,Tn.
m (1) Massey Borden prior to 1790
m (2) Margaret Roddy ca 1812

John Wheeler was the oldest child of Thomas and Elizabeth Wheeler. As far as we can tell, he was born in Bedford Co, Va. He was named as a son in the will of Thomas Wheeler of Bedford, Co Va. probated in 1828. John must have seen service in the American Revolution, but thus far it cannot be positively stated that he was the John Wheeler who served in the Lunenberg Companies.

John Wheeler married Massey Borden, d/o John and Ann Borden. John and Massie Wheeler had nine children: William, Elizabeth, Benjamin, Joel, Sevier, John, Gabriel, Jefferson and Anne. By 1794, if not before, the Wheeler family was living in East Tennessee. All of John's and Massie's children seemed to move together, as they moved around the state of Tennessee; from Knox/Blount area to White and Blesoe Cos. in Tn., to Alabama and then back to Blount Co. Tn. All of their children with the possible exception of Ann left Tn; most of them going either to Ala, Ark, or Texas.

After the death of Massie Borden, John Wheeler married Margaret Roddy, d/o James and Ann Roddy. John and Margaret had 7 children: Newton, Langdon, Morgan, James, Martha, Lucy and Jordon. When John died, his wife and relict was Margaret (Roddy) Wheeler, bu Roddy Cemetery Blount Co., Tn.

John Wheeler received, in 1807, a grant of 215 acres of land on Little River, Blount Co. Tn; it was this land that was divided.

In Knox Co. Tn. Record Book N, Vol. 1, pages 235-6, is recorded a Power of Attorney from Andrew McWilliams to John Wheeler of Co. of Blount and State Aforesaid, dated 1 April 1808. When exactly John Wheeler arrived in Blount Co. is not available on the land records; but in 1815, he bought 215 acres of land which was divided amongst his children after his death in 1836.

In 1815, John Wheeler signed in Blount Co. Tn. a Power of Attorney for Benjamin Wheeler, his son, to Humes Campbell. "I authorize my son, Benjamin Wheeler, to trade his discharge. "JOHN WHEELER". From National Archives file on Benjamin Wheeler, filed under Miscellaneous Papers.

Copies of various legal documents concerning John and his descendants will be found at the end of this section.

William Wheeler was the oldest child of John and Massey Borden Wheeler. He was probably born in Bedford Co Va and named for his uncle William s/o Thomas and Elizabeth Wheeler.

He married Nancy Watson 2 Sept 1811 in Knox Co Tn. The family of John and Massey Borden Wheeler had moved there by 1794. William evidently moved around Tn with his father's family. He and Nancy were in Ark in 1833, where his 10th child was born. Their children were: Ransom, Alford, Sarah, Martin, Elizabeth, Anderson, Marra, Martha, Modena, m, Ellen, Lucinda, and Preston.

William's first child Ransom had moved to Shelby Co. Tx by 1840; so probably the whole family had moved to Texas together. William's family with the exception of Ransom (whose household was listed separately) was listed in the Shelby Co Tx census as : William Wheeler, Nancy, Alford, Martin, Patsey, Modeny, Ellen, Lucindy, Preston, Anderson, Henry, Sary Payne (Wheeler), and (grandchildren?) Elizabeth and William. William died in Shelby Co Tx.

BENJAMIN WHEELER 1-3
SON OF JOHN AND MASSEY BORDEN WHEELER

b ca 1794 presumably in Virginia
d March 1880 Angelina Co. Texas
m 1819 White Co Tn
Mary Chandler (1801-1879)

Benjamin Wheeler, s/o John and Massey (Borden) Wheeler was born ca 1794, according to his 1812 file, National Archives, presumabley in Virgina. In Sept, he enlisted in the War of 1812 from Blount Co Tn as an East Tennessee Volunteer. He served in Major John Chiles, Capt. Reuben Tipton's Mounted Gunmen, and fought under General Andrew Jackson at the Battle of New Orleans. He was mustered out in May 1815; and in Dec 1815 he assigned a Power of Attorney to Humes Campbell of Knox Co., trading his discharge.

According to the National Archives papers, Benjamin Wheeler was six feet, with black hair and black eyes.

In 1819, in White Co. Tn, he married Mary (Polly) Chandler. Subsequently, they lived in Bledsoe Co Tn, and by 1850 they were in Benton (now Calhoun) co Ala. Their children were: Sarah, Floyd, Martin Warwick, Nancy, Jefferson, Eli Buford, Ruth E., Joel Preston, and Mary Jane.

Benjamin Wheeler received 80 acres bounty land for service in the War of 1812, following the Act of 1855; he also received another 80 acres in a subsequent bounty land grant.

In 1860, Benjamin Wheeler and Mary were in Angelina Co Tx. In 1862, he applied as Guardian for the children of Martin W. Wheeler in Angelina Co. because Martin's second wife, Margaret, was "mean" to Martin's children and he was not at home, having gone off to war. Both Mary and Benjamin lived with Martin Warwick Wheeler and Sarah Elizabeth (Burroughs) Wheeler (3rd wife) in Shelby Co. sometime after 1869. Mary Chandler Wheeler died in 1879 in Shelby Co Tx; and following her death, Benjamin went to visit Ruthie in Angelina Co Tx, where he died in March 1880.

Of Benjamin's five sons, two were lawyers (Martin W. and Eli B.) and one a schoolteacher, Jefferson Leftrey. Floyd died early, in Alabama. Joel P. became the Sheriff of Shelby Co at Center, Tx and served 5 terms.

Martin W. was a Secret Scout for the Unio during the Civil War, and he and his brothers Eli B. and Joel P. are shown on the Union Payroll.

Benjamin Wheeler's birth year of 1794 is determined by his personal declaration for bounty land of 1850, bounty land of 1855, and his petition for replacement of pension certificate in Shelby Co Tx. This information from War of 1812 Benjamin Wheeler file.

b 2 Sep 1825 Tennessee
d 8 Jan 1897 Shelby Co Tx
m 1851 (1) Elizabeth Bryant
(2) Margaret Branton
(3) Sarah Elizabeth Burroughs

Martin Warwick Wheeler, third child of Mary Chandler & Benjamin Wheeler was born the second or 22nd of Sept 1825 "on the Holston River" in Tn. In 1850, he was a student at the University of Tn in Knoxville, living with other students at the home of Caroline Plumlee, while his family was living in Benton Co Ala. The following year he married Elizabeth Bryant, d/o Mary Ann Pirkle & Augustus Gaines Bryant. In February of 1852, their daughter Mary Elizabeth Wheeler was born in Alabama. There were two other daughters of this marriage - Fanny Ruth and Sarah Emma.

In 1852, Martin represented his father, Benjamin Wheeler, in applying for bounty land offfered to veterans of the War of 1812.

By 1860, the Wheeler family (Benjamin and Mary with sons Eli B and Joel P. , and daughters, Ruth married to Robert E. Borden and Mary Jane, as well as Martin and Elizabeth and family) were in Angelina Co. Tx; where M.W. Wheeler with his brother-in-law Robert E. Borden (and cousin) formed the firm of Borden and Wheeler, Attorneys.

Martin served as a State Senator from Angelina Co, Tx in the Ninth Texas Legislature. When Texas seceded from the Union, he was so opposed to it that he, with his long time friend Sam Houston, left the capital of Texas. During the Civil War, he with his brothers Eli B. and Joel Preston were Special Scouts for the Union.

In 1867, Martin was living in Shelby Co, Texas, where 10 Aug 1867, the Commissioners of Shelby Co empowered to sell and dispose of lots and lands of said County, for $175, in hand; paid by M. W. Wheeler of Town of Center in work and services rendered in erecting the Courthouse in said Town of Center.....do hereby convey (land description) containing 5 blocks and family lots. 10 Aug 1867, filed April 30, 1888, bk. 13, pg 312 of Shelby Co. Tx.

Elizabeth Bryant Wheeler, mother of Martin's three daughters, died on about 25 June 1862. Martin Married Margaret Branton in Angelina Co Tx on the 18th Jan 1864. This marriage did not last. Following a divorce, Martin Married 16 Nov 1868 Sarah Elizabeth Burroughs, d/o John Burroughs of Somerville, Tn. Martin and Elizabeth's children were Jefferson Pat, Martin W. Jr. and Henry Clay (who died young).

MARY ELIZABETH WHEELER 1-3-3-1
D/O MARTIN WARWICK & ELIZABETH (BRYANT) WHEELER

b 6 Feb 1852 in Alabama
d 16 July 1936 Port Arthur, Tx.
m (1)19 Mar 1873; (2) 3 July 1892
1st: William Jack Duke
2nd: John Henry Bryan

Mary Elizabeth Wheeler was born 6 Feb 1852 in Alabama, first child of Martin Warwick Wheeler and Elizabeth Bryant. Sometime after 1857 the family moved to Homer, Angelina, Texas, where Elizabeth died in 1862 - June 18 or 25.

When Mary Elizabeth, who had black hair and blue eyes, was twelve years old, she had, one evening a terrible pain in her left eye. She made a hurried movement, or "grab" with her hand to her eye, but she lost the sight of her eye, and except for occasional times when she wore a "glass eye" which had been ordered for her from Denver, following the removal of her eye when she was 26, the most usual thing was to see her with a flesh colored eye patch.

When Mary Elizabeth was 21, she married William Jack Duke, s/o Anderson W. Duke and Sarah Manemia (Blelk) Duke. The marriage took place in Center, Tx, whence Martin W. Wheeler had removed around 1869, on 19 Mar 1872 in the old Lister house.

When William Jack Duke died in 1891, Mary Elizabeth was left with a family, all under the age of 19, of Andrew Warwick, Jack, Lula, Maud, Norma, Stephen Wheeler, and Blanche. There had been two other babies born to this couple, Horace and Charles, both of whom died when they were quite young.

Terms of the will of William Jack Duke stipulated that his wife, Mary Elizabeth was to be his executor unless she remarried, in which case there was to be a court-appointed guardian for the Duke minors. On 3 July 1892, vows were read for Mary Elizabeth (Wheeler) Duke and John Henry Bryan. So began the guardianship proceedings of the Duke minors.

In August 1892, Jack who was preparing to go away to the University, went on one last fishing trip, overnight, with a bunch of men. He was just a youngster, but while on that trip to the river bottom, he was murdered. The only clue to the murder was a mark of teeth on his forearm; the distinguishing feature of the bite being that the two upper front teeth were missing. Many people were suspected of the murder, but no satisfactory answer was ever given as to who actually did it. It remains a mystery. But who would want to murder a handsome 16 year old boy? Mary Elizabeth saw that Warwick had a good education - in fact - he graduated from law school and then decided he wanted to become a Medical Doctor, and went to Barnes in St. Louis. Gradually the estate left by William Jack Duke was depleted, but 1250 acres remained for Wheeler and Blanche to be divided betweem them,

Mary Elizabeth had two babies while married to Mr. Bryan; but both of them died at an early age, and he died in 1899 of a ruptured appendix. He was ten years younger than Mary Elizabeth, and a loving step-father to Blanche, although the other children in the family did not necessarily share her attachment for him.

Joel Preston Wheeler, the eighth child of Benjamin & Mary (Chandler) Wheeler, of Center, Tx bought 1280 acres on a tributary of the Sabinal River on 6 Apr 1883. He sold this land 24 July 1895. He bought 320 acres on the head of West Prong, Medina, Tx. He sold this property 26 Nov 1904. This is recorded in Bandero Co. Tx. He came to Tx with his father and family in the 1850's. He served in the Civil War with Martin Warwick Wheeler, his brother, as a special scout for the Union Army.

Joel Preston m Laura Ann Irish 5 June 1867 in Shelby Co. Tx. They had six children, Walter S., Laura Alice, Benjamin M., Joel Robert, Alpha Rodell, and Carl.Laura Ann was seriously ill with tuberculosis. Her youngest child, Carl Foster was a baby. Her doctor suggested to Joel Preston that a drier climate in a higher area would be helpful. Joel Preston went to meet his cousins Leondos Wheeler, who lived in Tilden Tx in the Southern part of the state. Leondos suggested that he take his ill wife to Bandera Co, T. Joel Preston bought land on the Sabinal River and went back to Center to get his wife and family. It is thought by some that Laura Ann's widowed sister, "Callie" came along to take care of her sister and the children. They were near San Antonio, Tx, when Laura Ann died and was buried there. Her sister stayed to care for the children. Joel Preston married Carolyn "Callie"Davis 1 Dec 1886 Bandero Co. Tx.

There have been many stories shared about Joel Preston Wheeler, Sheriff of Shelby Co. Tx; but there is one that we can relate to and be very proud of. "A man came to trade a mule for one of Joel Preston Wheeler's horses. The boys (sons) were making the trade as Joel Preston observed from some distance. As the deal was closing, Joel Preston walked over and asked what the trade was? The sons told him that it was an even trade. The mare was beautiful, but had a problem which didn't show. Joel Preston handed the man a $20 bill, a lot of money in those days, and said that would make it a fair trade since the mare had a foot that would get sore and she'd limp if overworked. He then said , WHEELERS' DON'T LIE." We feel this has been handed down to us for many generations and feel blessed to have this heritage.

Joel Preston survived both of his wives, Laura Ann Irish d 5 May 1883 near San Antonio, Tx and Carolyn Davis d 1887 in Tx. Joel Preston d 8 Feb 1918 in San Antonio, Bexar, Tx. bu Salem Cemetery in Sayer, Bexar, Tx.

The following article from The Birmingham News Herald, Sunday May 24, 1936 by Margaret Fowler is included here because so many of Calvin Wheeler's children were born, raised and remained here.

BORDEN SPRINGS IS PULSING ONCE MORE -- Famous Resort of Olden Days is Going Modern. Fruithurst, Ala -- Borden of the Blue Ridge Mountains, Springs, high in the foothills is one of the romantic spots of Alabama. From the time the Indians roved over the low, fertile plains, or hunted through the forested hills, or built their tepees in the glad around the spring, which to them contained magic water, Borden Springs has had a colorful history. It lies in a valley between mountains that lie unbroken 14 miles on either side. The spring which the Indians thought contained magic water, is a mineral spring noted over the South for its health-giving properties. A state geologist, E.A.Smith, in an analysis of the water, gave an imposing list of mineral substances which it contained.

Thirty-five years ago a company of 12 men bought the land, and built on a knoll above the spring, a hotel which was a marvel of Southern architecture --and immense for so small a place. Its broad wings sheltered more than 100 rooms, it was a house of wide porches, and many windows, which caught the sunlight from all points and glowed like a jewel in a marvelous setting, a setting of the mountains which rose on all sides, covered with pines, against whose unchanging green the less hardy trees stood out in sharp contrast--the maple, the oak, the elm, the sweet and black gum trees, that are so delicate in bud and foliage through spring and summer, and so gorgeous with color in the fall; the hickory, the ash--"grandsir graybeard" --with his long, snowy locks. Among them all, the great blocks of limestone, with their changing veins of color, stood out in bold relief.

There was soon a village of cottages around the hotel, houses built of rough lumber and much screening--and creosoted in browns and greens to harmonize with the background of pines, and the soft carpet of brown pine needles. Every cottage had electric lights, and running water, and each, one colored maid, or more. The names of the owners were synonymous with money and luxury. The public came, saw and was conquered. So much was said about the mabic properties of the spring, that it seemed a close second to Ponc de Leon's famed "Fountain of Youth." Beside the large hotel stood a small cottage built of logs that were hewed and peeled by hand, with a puncheon floor. This was the home of Sarah Alexander and C. M. Wheeler, who were among the pioneers of Borden Springs.

When the first settlers came soon after Alabama was admitted to the Union, they "entered land" at Huntsville which was the temporary capitol while Cahaba was being prepared. At that time the hills were full of mounds where the Indians had carried their dead. The first settler was John A. Borden who "took in" about 1,000 acres west of the spring lying along wide Lazy Terrapin Creek, a rich lowland, part of which overflowed each year. At a bend in the creek he built a large grist mill for wheat and corn. The Borden dwelling still stands, ante-bellum in appearance. The entry, open front and back, has the living rooms on each side. With wide fireplaces and many-paned windows, it sits snug and comfortable, facing South, the other three sides protected by the mountains, which tower above and around it.

But the thing that holds the imagination, and takes one suddenly back over the years is the long avenue of old cedars, a double row of trees so old that the trunks are divided. It would be impossible to walk in the shade of these old trees without thinking of the changes that the years have brought and trying to see with the eyes of our minds some of the things they have looked upon == years of plenty, years of famine, courage, success, pride, unhappiness, despair -- then pulling up by the very bootstraps.

Next after Borden, Arthur Alexander bought 160 acres which included the spring and the land arount it. Next his son, Matthew, bought 400 acres surrounding the 160 acres belonging to his father. Matthew Alexander married Annie Borden, daughter of John Borden. Next came C.M. Wheeler, who stepped high, wide and handsome into the Arthur Alexander affairs. He bought the spring property, which was increasing tin value since the spring was becomin noted among the whites for its "magic qualities". The he married the daughter, Sarah Alexander. So from these theree -- Borden, Alexander and Wheeler -- sprang most of the families living at Borden Springs.

Borden had six daughters and two sons. Annie Borden married Matthew Alexander, who owned the 400 acres surrounding the spring property. This 400 acres afterward became the property of George Alexander, who sold it to J. M. Lipham, who sold it to J. T. Treadaway, who died, leaving the property to his wife, who sold it to Isaac Wheeler, who, in turn, sold it to his brother, Newton Wheeler. In this way all the land surrounding the spring became the property of the Wheeler family. Mary Borden married a man named Bacon, and they inherited the Borden property, now known as the Payne property, which starts near the depot and goes back almost to the home place. Bill Borden, the oldest boy, inherited the home place, which he sold to Alex Powell, who sold it to a man named Murray, who sold to Charles Putnam, who now owns it. Campbell Borden inherited the Mill property, which is now owned by Henry Miller. W. J. or "Bill" Alexander, grandson of John Borden, inherited the property now owned by Douglas Ripley.

Sarah Alexander, who had moved to Borden Springs when she was 3 years old and lived here until her death at 72 years, was 19 when she married C.M. Wheeler. They lived just above the spring in a cottage of logs hewed and peeled by hand, and having a puncheon floor. The beds were hand turned four posters, with corded springs of rope, and mattresses of fresh wheat straw. Her feather beds were made from the picking of her own ducks and geese. During the 53 years she was married to C.M. Wheeler, she bore eight sons, seven of whom lived to be strong, stalwart men.

Today anxious mothers wonder what is the most suitable thing for "Johhny" to wear to school. Sarah Wheeler carded the wool, sheared from their own flock of sheep, spun and wove the cloth, and made two suits each for her eight men folks each year, in addition to all her other work. She thought nothing of mounting her big iron-gray horse, with the two youngest children on a pillion behind and riding 25 to 40 miles to the store for a box of matches -- a round wooden cylinder -- containing 24 matches, for which she paid a quarter.

Those were the days when "Southern Hospitality" was not talked about much, it was just lived. It grew not out of sentiment, but of mutual need in a big, open country, with few conveniences and few people. It was nothing out of the ordinary to house from six to 12 travelers who were aterbound by rising creeks which had no bridges and must be fordey by a horse and wagon, and when that happened the hospitable neighborhood turned out to a barn dance in honor of the visitors and they "cut the pigeon wing" "waded muddy water" in fine style. Imagine a big new barn, the forest smell still on the lumber, wide shadowy spaces, the highlights made by lanterns hanging on the wall, and the flickering light of the big bonfire just outside, the damp woods smell coming in, the roar of the water from rising creeks and branches heard above and between the calls of the square dance and the minuet.

At one time during the war between the States, the guerillas came to Sarah Wheeler's to take her youngest son, a boy of 17 years to join their ranks. She had the boy go into the hous, fastened it well, and took her own stand on a wide stone stoop in front with a broadax concealed beneath the folds of her capacious apron. When they rode up and demanded the boy she said, "If my son were of age to be in the army he would be there, but he is not of age and he is not going." At a threatening move on the part of the man, the ax came out and was lifted high with both hands. "If any man puts his foot on this step, his head will come off." Perhaps the men were moved with admiration of such courage, and some fear too, for they quickly put distance between themselves and that house and the boy remained at home.

At the death of C. M. Wheeler, his spring property was administered by his son, Newton Wheeler, and sold to a company of 12 men who composed the Borden-Wheeler Company. Then followed a period which reads like a few pages from "The Arabian Nights." It was if the magic lamp had been rubbed, and the beautiful cottages appeared. In the hotel there were windows everywhere, which filled the house with light, until it was like a great sun room. Broad galleries, rooms with high ceilings and wide spaces seemed to beckon with an air of gaiety. From the knoll on which the hotel stood the terraced lawns, green as emerald and smooth as velvet, dropped down past the wide dancing pavilion to the spring. There was a swimming pool, golf course and Blooded horses. The Hotel was.not a good business venture. It was rather as if the owners were intoxicated with the beauty nature spread out before them on every hand, and could not resist supplementing nature's lavish gifts with every adornment that money could procure. The electric lights shone in the great pine trees like giant fireflies. There was a sweetness and happinsess about this hotel life hard to describe. It was as if here, in this isolated mountain spot, with such beauty on every hand they gave themselves up just to being happy. So the days were filled with music and laughter and gay voices, and then suddenly came the end. Fire swept the hotel, and then the cottages, and nothing was left but ashes -- and desolation. Then the electric lights went, and then the telegraph wires were taken out.

The people of Borden Springs must have felt as Cinderella did, when the clock struck 12, and all her fine clothes fell off, and she was left in rags and ashes, her lovely golden chariot only a pumkin shell, her milk-white steeds only whit rats. But, after all, she really was the the girl with whom the prince had danced, and in the end, she married the prince, and was happy

everafter. So with Borden-Wheeler; all of the things with which they had built at the beginning were untouched, the spring was as plentiful as ever, the soil as rich, nature still had a smiling face. The people are building now on a permanent basis. Instead of brains and money, they are using brains and brawn. They are employing modern agricultural methods making a study of the soil, working to build it up, and using the best of seed. The fertile soil produces a fine grade of cotton -- tall stalks, many bolls, and long fiber. They also raise corn, wheat, oats, rye, "syrupcane", from which they make the delicious golden sorghum, which nearly every farmhouse has; tobacco, for home consumption; peanuts, plenty of sweet and Irish potatoes for home use, and some to sell, and it would never do not to mention the watermelons, large and sweet and juicy. They are beginning to equip their homes with Delco lights and water; many have radios; they are looking toward the education of their children, thus widening the horizon for them. The county supplements their efforts in many ways. The constant supervision of school work by the county superintendent and supervisor keeps the work up to a good standard; regular health clinics are supervised by the county health board; there are 4-H clubs for boys and girls under supervision of the county agricultural agent, whose work perhaps is one to fht greatest assets, since the people are so agriculturally inclined. Then the adult classwork has accomplished much for the underprivileged class, in actual study of textbooks and in study of foods, crafts and varying forms of hand work.

Lumbering is a coming industry in this heavily - forested section. Since the spring has so heavy a mineral content, it is not all out of the range of possibility that the hills covered so long with leaves, layer on layer, will in time yield a supply of mineral.

There are many possibilities for Borden Springs. The hills are covered in the Spring with hundreds of gallons of huckleberries, which are shipped North and East, and bring extravagant prices. Later follow blackberries and dewberries, in quantity. A large cannery would have plenty of material right at hand, with fruits and vegetables which are raised so abundantly. There is plenty of low-priced labor right at hand, besides, the swift mountain streams and occasional waterfalls would furnish all the electricity needed. The Scenic Highway is scheduled to cross the mountains on the very edge of Borden Springs; the site of the hotel would make a wonderful government hospital. The streams abound with fish, and the hills with game, even wild turkeys.

These are pleasant people to live among, kind in thought, friendly and generous. They are plain people -- plain in speech and manner, but why should they not be? They have the independence of security. Then, too, they have always with them the beauty and serenity, and strength of the mountains, which, in time certainly has its effect on mind, heart and spirit. The mountains -- always the same -- yesterday, today and forever.

Many family stories have been passed on from generation to generatio about the courage, fortitude, and perserverance of the Wheeler men, their wives, and children. One was about Borden Wheeler, (2) his wife Sarah Crawford and children: Liza Ann (11), Evaline (9), Bill (3), Simpson (2), and Angie ca 1 yr, left Atlanta Ga. just after the Civil War ; probably by covered wagon started West. They stopped enroute to see his "kin"; eg. his father, Joel (1-4) in Polk Co. Ga, his brother Calvin M. (1-4-1) in Borden Springs, Cleburne Co., Ala. When he reached the Mississippi River, they boarded a steamboat up the Mississippi until they reached the Arkansas River; there they camped while waiting to transfer to another boat for Ft. Smith. Ark. After leaving the boat Ft. Smith, they acquired wagons and went overland to Huntsville, Madison, Ark. They settled on a farm in Madison Co. Ark.

A great grandaughter of Borden's, Marjorie (Wharton) Bunyard remembers Borden as having a long white beard, wearing a big hat, riding on a big fat cream colored horse to her Grandpa Sisco's store where he came for supplies. Borden was one of the sandy-blonde Wheelers.

Lucy was the second child of Thomas & Elizabeth Wheeler b 3 Apr 1766 probably in Bedford County, Virginia. She married Benjamin Borden s/o John and Anne Borden. A story, yet to be proved, states a Lucy Borden was killed by Indians in a raid. Lucy Wheeler Borden was named in her father's (Thomas Wheeler) will: "to the heirs of daughter Lucy, who married Benjamin Burden, both of whom are now deceased, the sum of one dollar". This would seem to indicate that there were children who survived Lucy. William Wheeler, brother of Lucy made an affidavite (the entire copy made be found in part A John 1's Papers) to wit: " The fourth son (of John and Anne Borden) was Benjamin and he married Lucy Wheeler, his (William) sister. Both are dead and left children, names and numbers are not recalled"

Included here is a copy of a deposition, which also helps to establish the existence of children of Benjamin and Lucy (Wheeler) Borden.

WILLIAM WHEELER 3
S/O THOMAS & ELIZABETH WHEELER

b 4 May 1769 Va.
d 25 Jan 1854 Blount Co Tn
m Rebecca Willis

Eilliam Wheeler was born 4 May 1769 in Va. He was the third child and second son of Thomas and Elizabeth Wheeler of Bedford Co, Va. William and his older brother, John, migrated to the area now Blount/Knox Counties, Tn ca 1798. Most of the emigrants came to this area from the valley of Va. according to Goodspeed's History of Tn. William had 200 + acres of land in Blount Co Tn. South of the French Broad and Holston Rivers in the tract located for academies on the waters of Little River. When he first obtained the land is not known as the majority of the men did not own clear title to their land until 1806 because they claimed their land by pre-emption and occupied it before they purchase it. William's deed was dated 3 Aug 1808. His first payment was made in March of that same year. He made his final payment on the land by check No. 778 on 28 Feb 1814. He also had 50 acres of land in Blount Co. (deed dated 8 June 1825). He owned 50 Acres of land on the South side of the River French Broad and Holston on Rudy's Creek, on the waters of Little River; he also had 75 Acres of land in Blount Co. (deed dated 7 Mar 1825) (paid 12½¢/acre) and in Knox Co. (deed dated 5 Mar 1825).

No marriage record has been found for William Wheeler; however his wife"s name was Rebecca and she was born in Maryland. Rebecca was b 5 Sep 1771. Family tradition is that Rebecca was a registered Delaware Indian and possibly had a middle name of "Heady" and the last name of Willis. Others say she was very upset at the thought of registering and it is thought she never did. Tradition is also that William was disowned by his father for joing some church (probably Baptist). There is no proof. He was left $1.00 in his father's will; but it could have been because William had already left Va. when his fatherdied. William's father, Thomas, was surety for his daughters, Joice and Sarah. He could easily have disowned William for marrying out of the faith (perhaps Quaker) or if he joined a different church. On the 1800/1801 Tax List of Blount Co Tn, William Wheeler was listed as owning 200 Acres of land and had one white pole. He was in Capt. DeArmand's Co. These men elected their captain, mustered and drilled once each month. One of their objectives was to be ready to protect themselves from the Indians. In Blount Co. Court Minutes, William Wheeler was listed numerous times. Eg:

1. 1805 - William Wheeler was listed in connection with a road from the Little River by the Willis Mill on the Knox Co. Line.

2. William Wheeler was listed as a juror in Aug 1806 on the Court of Pleas and Quarter Sessions which was organized the second Monday in Sept 1795.

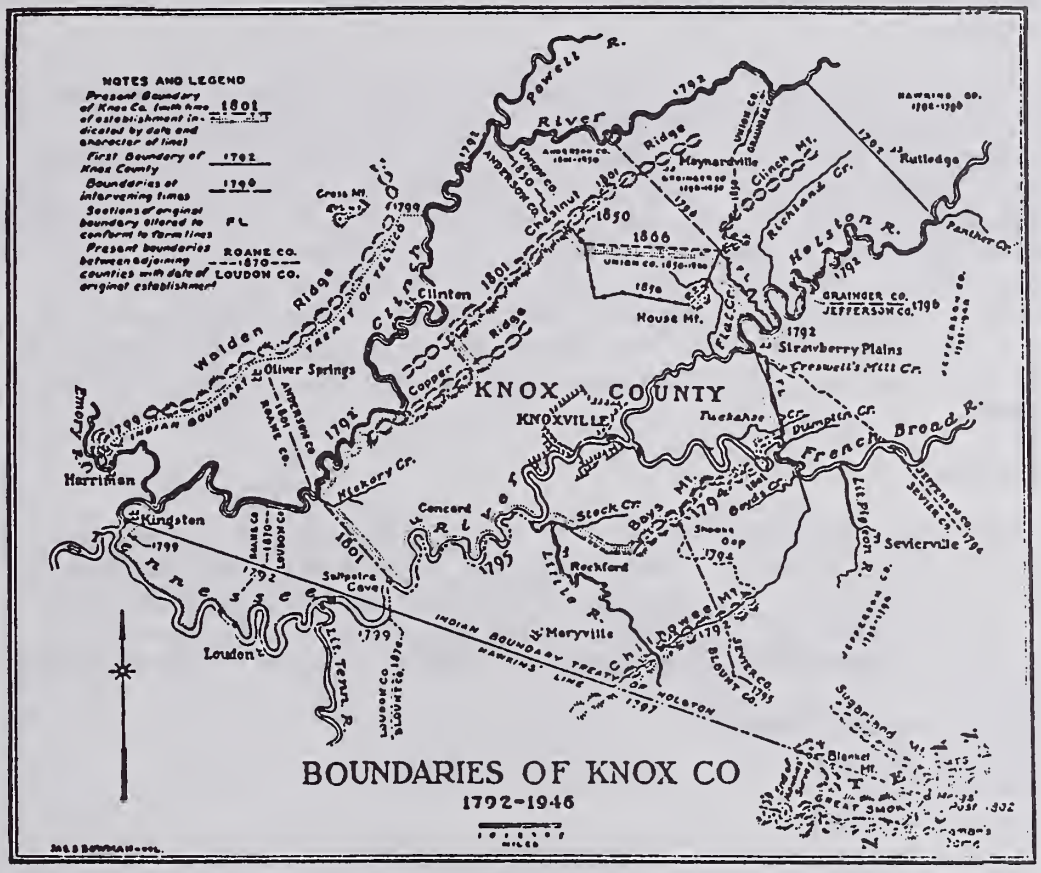
William and Rebecca Wheeler were organizing members of The Primitive Baptist Church of Christ at Stock Creek, Knox, Tn. that opened its dorrs 1 July 1839. They may have been members of the Miller's Cove Baptist Church as the Wheeler name is mentioned in the Minute Book of the church in 1812.

DESCENDANTS OF WILLIAM WHEELER 3

William and Rebecca had thirteen children: John, Samuel, Allen, James, Jacob, Joel, Peter, Rhoda, Abraham, Elizabeth, Thomas Fredrick, Calvin, and William Henry. William and Rebecca Wheeler lived until the 1850's. They were both listed in the Blount Co Tn census records for 1830, 1840 and 1850. William died 25 Jan 1854. After his death, their daughter, Rhoda Wheeler, cared for Rebecca until Rebecca died 22 April 1858. There are receipts in the estate papers showing Rhoda was paid for her services.

In the estate papers of William Wheeler, this item also appeared: "1858 Wheeler, William dec'd by his heirs, in the West - Joh, Samuel, James, Joel, Thomas, Calvin, Henry and Elizabeth Wheeler.

WILLIAM WHEELER - 3



Above is a map of Knox/Blount Co. Area of Tennessee

At least 3 of Thomas and Elizabeth Wheeler's children settled here.

John 1 owned 215 acres of land on Little River

William 3 owned 200 + acres of land on Little River near Stock Creek. He also had other acreage on Little River.

Peter 5 settled first near Bays Mt; then bought a farm of 175 acres near Bank in Blount Co.

Many of the Wheelers attended church at The Primitive Baptist Church near Stock Creek, Knox Co. Tennessee.

He grew to manhood in Blount Co., enlisted in the service of his country and was assigned to Captain Walker's Co, 39 Regiment, U.S. Infantry, and was ordered to support the Tennesse Militia under General Andrew Jackson. Their 13 children were born in Tennessee. Samuel & Margaret moved to Illinois from Tennessee in 1836 where she died 10 Nov 1837. Samuel married Susan (last name unknown) and they moved to Dade Co. Missouri in 1841. He built a cabin in Polk Township, east of the river. He owned a large tract of land between Everton and Dadeville Mo. He started a subscription school in 1841. He taught school in other places at different times. Samuel died 28 Dec 1883 in Dade Co. Mo. and is buried in Sinking Creek Cemetary. He lived nearly 90 years. D/O SAMUEL & MARGARET (COWAN) WHEELER

b 24 May 1823 Monroe Co Tn.
d 2 July 1900 Price, Carbon, Utah
m 31 Mar 1841 Clark Co, Ill.
Return Richard Hill

Rhoda Wheeler was the fifth child of Samuel and Margaret (Cowan) Wheeler. She came into the family, while they were living in Monroe Co. Tn., having recently moved there from Blount Co. Tn. A few years later, they moved to McMinn Co, Tn; then according to the application for transfer of pension of her father, the family moved again to Clark Co, Ill "for the purpose of obtaining land at a cheap rate on which to live himself and to settle his family."

The move to Illinois came during Rhoda's 13th or 14th year. At this time, there were ten children in the family including the oldest daughter, Polly, who had married Thompson Grisham and who went along with them. Two children had died evidently prior to this time. Census record indicate that other families traveled with them, including the Michael Grisham family, father of Thompson, and Thomas Wheeler, brother of Samuel. Thomas soon went on to Dade County, Mo. where two other brothers, Joel and James had migrated furing the 1830's.

Perhaps, it was due to the heavy burden of relocating or perhaps complications during childbirth, but early in Nov. 1837 Rhod's mother and a new born infant were laid to rest leaving the responsibility of rearing the family to Samuel. Fortunately, he was a good man, and concerned about the welfare of his children; Rhoda and Huldah also assumed much of the care of their younger brothers and sisters. If they need help, Polly was nearby. The family remained in Ill. until 1841 or 1842, and during this time Rhoda met and married Return Richard Hill, a few monts before her 18th birthday.

Once again it was decided to seek better land and living conditions. Samuel's pension record and census records show that his entire family joined their relatives in the Dade County, Mo. area. Four children, Huldah, Sarah Jane, Newton, and Franklin were born to Rhoda here, and we find that her father-in-law died in Dallas Co, Mo. in 1850.

About the year 1850, Return and Rhoda mad the decision to join the Church of Jesus Christ of Latter-day-Saints and soon moved to Ogden, Weber Co, Utah. Their fifth child, James Allen, was born at Ogden, Utah. It is recorded in some of the family records that the family traveled from Missouri with a cow and an ox for a team. The cow provided milk for the children. As they traveled, the cow became sick, and Return took the team over a knoll to a grassy area to rest and feed for a few hours. While he was away , a large Indian rode up to the wagon and asked Rhoda for bread and indicated other items he wanted. She gave hima pancake, but he was not satisfied and threatened to kill the baby. Rhoda looked him squarely in the eye and said, "You can't, God son't let you." At this, he said something in his Indian language and rode away. Later Rhoda learned that he had said, "You are a brave woman." Return's brother, George, was a friend to the Indians and they called him the Indian Interpreter, Inkumpompy.

Return assisted in laying the corner stone of the famous "Mormon" temple in Salt Lake City. He and Rhoda were just beginning to get established, when on November 26, 1853 Return Richard Hill passed away leaving Rhoda, a young mother of age 30, to raise their five young children by herself. Upon learning of her husband's death her father, Samuel Wheeler, sent word desiring her to return and make her home with him in Missouri. However, Rhod, having "set her hand to the plow" (Luke 9:62) could not turn back. She face great difficulties and privations, but with Wheeler determination and faith in God pushed forward accomplishing the goals she felt were right for herself and her family. Letters received from her father and family gave her comfort through the years. As the boys matured, they began to work and support themselves and their mother, Rhoda. The children married and set up households of their own. About 1870, Huldah moved to Fayette, Sanpete Co, Utah on South of Juab Co, Rhoda and her two sons Franklin and James Allen chose to join her there. James Allen was the only one to remain in Fayette for the remainder of his live, and Rhoda lived most of the time with him. At the time of her death, Rhoda was living with her daughter, Huldah, at Price, Carbon County, Utah and is buried there.

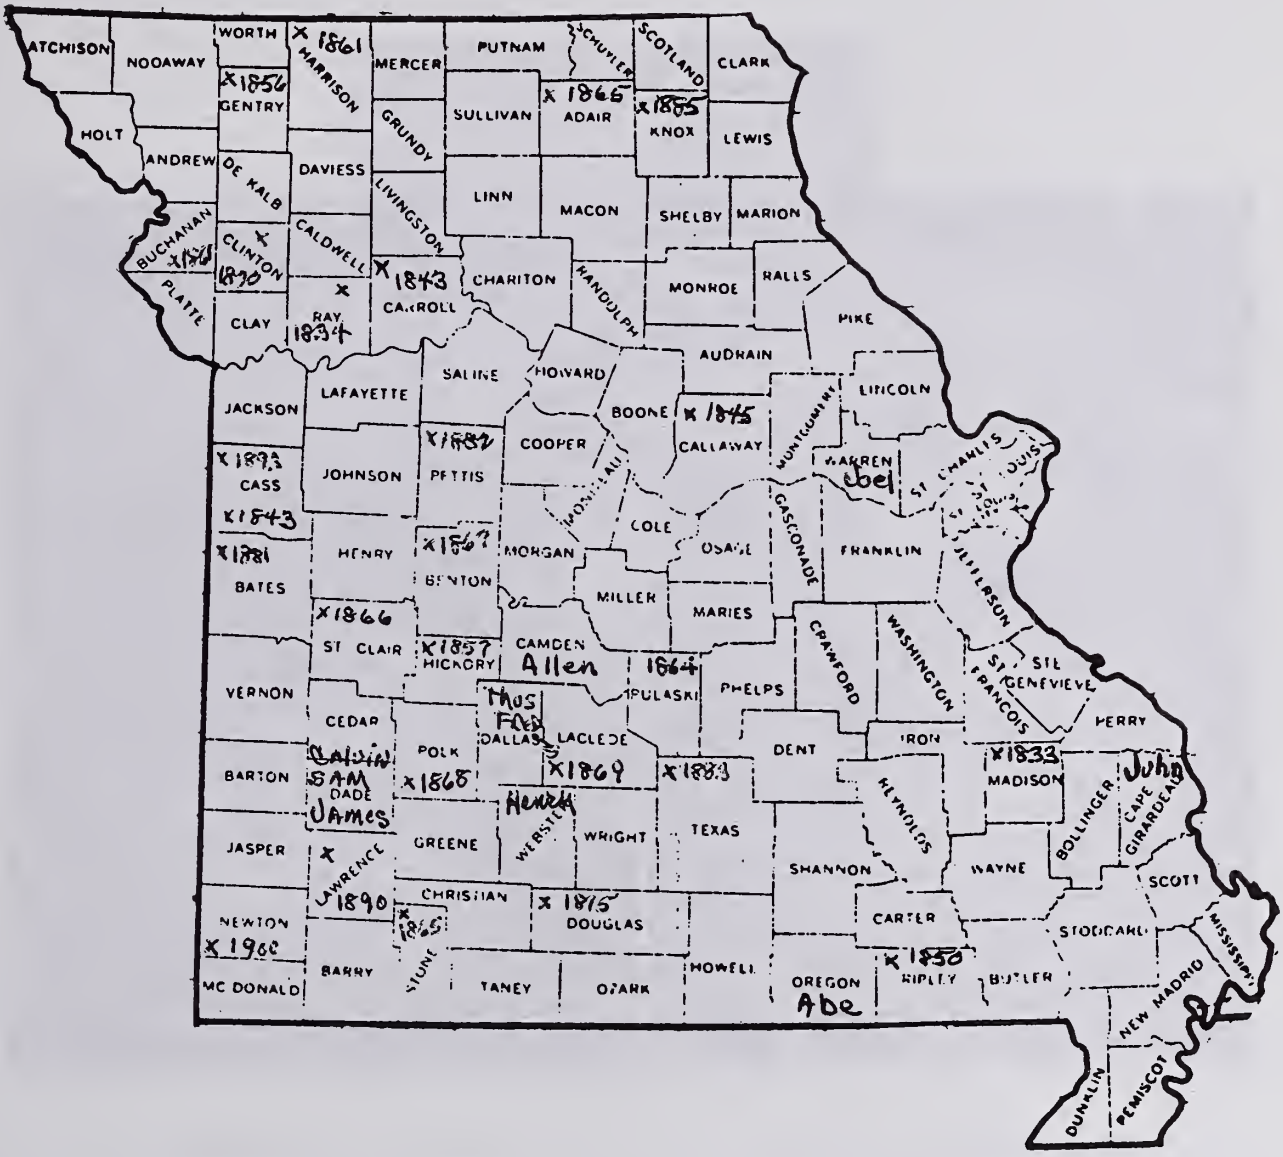
The Primitive Baptist Church of Jesus Christ at Stock Creek, Knox County, Tennessee held a meeting January 13th day and second Saturday 1844 at the home of Allen Wheeler. William and Rebecca Wheeler were members there. Allen and Louisa Wheeler (formerly Louisa Hampton) were also members at the Primitive Baptist Church.

COUNTY MAP FOR THE STATE OF MISSOURI



Missouri seemed to have a lure for the children of William Wheeler 3; at least ten of them found their way to Mo. - beginning with Joel by 1831. Among the last to arrive were Calvin, Henry and Elizabeth. The names in the counties were children of William. The dates indicate that there were Wheelers in these counties by then. The counties without dates, probably had some Wheelers too, but we have no dates to share.

d 12 Oct 1882, Dade Co Mo bu Wheeler Cemetery
m ca 1823 Barbara Julian b 2 Nov 1806 Blount Co Tn - d 13 Apr 1873 Dade Co, Mo bu Wheeler Cem, d/o Isaac & Nancy Wood Julian. 1837 -38 marked the year of arrival in Missouri, of James & Barbara Wheeler. They were in a group that included Barbara's parents and other members of her family. The Julian's settled in Greene Co, while James and Barbara found a farm, miles West on the Sac River. It was in then Polk Co, but later became a part of Dade Co. They made their home on the East side of the river along a small branch. The largest apple tree in Mo. (1900) was on their farm. It was about 25 feet tall, a circumference of 9 feet 10 inches, measured 7 feet from the ground, and with a limb spread of about 35 feet. Barbara Wheeler and Nancy Julian (probably her mother) served the area as midwives. Most of James's brothers joined him in Missouri. Thomas Wheeler's oldest daughter, Nancy, lived with them until she married.

Wheeler Cemetery is well kept, and in use for burial today. It is 2 miles East of Highway 245 on "U", ¼ mile North of the site of James and Barbara (Julian) Wheeler's home in Dade County, Missouri.

James & Barbara had ten children: Polly Ann, Nancy Jane, William, Isaac J., Susan E., Samuel H., John Calvin, Leander, Sarah Elizabeth and Rebecca Samathia.

m 16 Dec 1866 Malissa Jane Hays

John Calvin Wheeler was the ninth child of James S. & Barbara (Julian) Wheeler. He grew up on the Wheeler farm in Dade/Polk Co Mo. He met and m Melissa Jane Hays. They lived with his parents for about a year. Then they bought a farm just across the county line in Polk Co. He did some improvements on it and six years later sold it and moved to a larger farm in Barton Co Mo. After being there for two years they moved back to Dade Co and bought 260 acres of the family farm. On this farm, he built a large house and a big barn.

At the beginning of the Civil War, he enlisted in Company "L", 6th Mo Reg. serving in the South as a bugler. After returning home, their seventh child was born, a daughter. Jane wanted to name her Dolly, and John wanted to name her after a little girl, who sold the soldiers pies; so they named her Dolly Nancy Bell Wheeler. They had ten children in all: Rose, James, Lee, Rosetta, Olly, a son, Calvin, Dollie, Clarence and Bessie.

John was a Cumberland Presbyterian. At his death he was buried in The Wheeler Family Cemetery, near his parents. Later, some of his children and grandchildren were buried there. Yet today other members of the family are still being buried there.

JACOB WHEELER 3-5
S/O WILLIAM & REBECCA (WILLIS) WHEELER

b 1802 Blount Co. Tn.
m 7 July 1828 Blount Co. Tn.
Elizabeth Orman

Jacob Wheeler was the fifth child of William & Rebecca (Willis) Wheeler. He grew up on the family farm, sharing the chores and fun with his brothers and sisters. He met and married Elizabeth Orman born ca 1811 in N. C. Jacob enlisted during the Cherokke War in Capt. John Ellis's Co. of the 2nd Regt. of the 2nd Brigade of the Tn. Volunteers on the 30th day of June 1836 at Sevier City, Tn. At the time of his enlistment, he is described as 5' 8½" in height, of light complexion with black hair and blue eyes.

After Jacob Wheeler's separation at Ft. Cass, Tn. 7 July 1837, Jacob and Elizabeth (Orman) Wheeler lived in Blount Co. Tn. for about a year; afterwards, he and his family moved to Clay Co. In. (1838) where he lived until 1853. In the 1850 Clay Co Indiana Census, Jacob is listed as 47 male laborer Tn. and Elizabeth as 38 female NC. If they had children, they had left home by then.

In 1853, Jacob received a bounty land warrant for his service and moved to Story Co. Ia, where there were other members of the Wheeler family. Here, he received a patent to 160 acres. He farmed in Story and Boone Cos. until about 1876, when he moved to Wapello Co. Ia. He was at that time about 74 years old.

Jacob's pension application was signed by a David Orman and a Willowby Davis. Orman attested that he had known Jacob for more than 40 yr.; first in Blount Co. Tn, before Jacob's enlistment, then in Clay Co. In. as a neighbor and finally in Wapello Co. Ia. as a neighbor. Orman also visited Jacob in Story Co. Ia. in 1855. David Orman was perhaps Elizabeth (Orman) Wheeler's father or brother.

Jacob applied a third time for a pension on Mar 13, 1899. The notation of this date is not distinct, but if correct, Jacob Wheeler would have lived into his ninety-fifth year.

JOEL WHEELER 3-6

SON OF WILLIAM AND REBECCA (WILLIS) WHEELER

b 23 Dec 1803 Blount Co Tenn
d 29 June 1878 Lamar Co Tex
m ca 1830 Ruth Hinds (b 29 July 1809 Knox Co Tenn d 19 May 1876 Lamar Co Tex)
d/o Asa and Nancy (Cooke) Hinds

Joel Wheeler's life story begins in the Roddy Branches of Stock Creek in Blount Co Tenn where men were busy settling a new country and still had a real closeness to their original homeland. The challenge of a new frontier remained the guideline, for he was always to go to a new, perhaps better, place. He barely, because he was a bit too young, missed serving in the Indian War of 1814, so well known by the fact that Sam Houston did serve from that county and almost died from an arrow wound in his leg. However, Joel's older brother, Samuel Wheeler, did serve in that war.

Joel's wife, Ruth Hinds, was born in Knox Co Tenn and probably grew up in the same vicinity as Joel. Their marriage record has not been located but they were living in Marion Co Tenn in 1830 and appeared on Page 50 of the census taken 30 Nov 1830. It is probable they moved there because Ruth had relatives living in Marion Co. Some time after that date they moved on to St. Charles Mo following Ruth's parents, who had left Tenn prior to 1830. Joel and Ruth were in Mo when their first child was born 15 Nov 1831.

The 1840 census locates Joel and Ruth and their children (three boys and three girls) in the Elkhorn Township of Warren Co Mo where Joel was farming. It is not known when Joel bought land but deed records prove he owned land as he sold 40 acres to his brother-in-law, Levi Hinds, 8 Aug 1837 for $50.00, 80 acres to A. S. Wood on 8 Dec 1840 for $75.00, and 40 acres to Benjamin Hutchison on 8 Nov 1841 for $400.00.

By 1 Oct 1850 Joel and Ruth had moved to Dade Co Mo and had acquired 120 acres of land in the Sac River area on Sugar Maple Spring near Greenfield (Dist. 25). Probably they decided to move on because Ruth's parents had died in Warren Co in May and September of that year.

For reasons we cannot know, perhaps rumors of impending war, Joel Wheeler sold his acreage on 15 Nov 1859 to Thomas Traller for $1,200.00 as recorded in Dade Co Mo on 24 Jan 1860. He is not listed on the Dade Co 1860 census so it is assumed he was on his way to Texas with his family. His son, Houston, remained in Dade Co but later followed his parents to Texas.

Immigrants had only two land routes to Texas, one down the "Old Texas Road" and the other the Butterfield Stage, both going into Sherman (Grayson Co) Texas. Joel and his family surely must have come via the Butterfield Stage Southern Route out of Springfield Mo since that would have been the most convenient route for him. They may possibly have gone as far as Cooke Co since Joel's son, William Jefferson, married there in 1861. However, tradition is that they settled at Hackberry Branch near Sherman, and two of Joel's children married in Sherman - Rebecca in 1863 and Thomas Henry in 1865.

This area was quite unsettled at the time. The Indians still prowled and

plundered, murdering along the way, and the settlers had to be on guard at all times. There is a story of a young woman with a baby who was almost caught by the Indians. She saw a hollow log and crawled inside with the child and lay terrified that the baby would cry and alert the Indians who had come to stand on the log but the baby never whimpered.

Joel never bought land during this period so proof of his exact locale is still to be determined. Joel and his family, including his daughter, Tennessee Wheeler Wells and son Thomas Henry Wheeler, and their families, later moved to Dallas County Texas where they remained for a short time.

The final move for Joel and Ruth Wheeler came in Texas where they settled in Globe Lamar Co twelve miles N/W of Paris. Again Joel did not own any land. Per the census taken 15 Sept 1870 he was there and had personal property of $400.00. Ruth Wheeler died there 19 May 1876, only two weeks after her youngest child, a son Marion age 20, died as a result of burns. Joel died two years later, 29 June 1878. They are bur at Overstreet cem 14 miles N/W of Paris, Texas, approximately two miles from where they lived. This cem has not been used for about 100 years and is in the middle of a pasture in a cedar brake on private property now. There are no stones at their graves. There are three stones dated 1875 and about a dozen stakes in the ground. One cannot conclude the life of Joel Wheeler without mentioning some family traditions. It is said he was part Indian and was known to occasionally sit in front of a campfire in the yard wrapped in a blanket. Tradition is that Joel's mother, Rebecca Willis Wheeler, was Indian - either Delaware or Cherokee; however, nothing has been found to prove or disprove this tradition.

Joel and Ruth Wheeler's children were: Houston, Tennessee, Manirvia, William Jefferson, Rebecca Jane, Thomas Henry, Nancy, John S., Andrew J., Polly Ann, James T., **and Marion S/G Wheeler.**

Tennessee was evidently very close to her parents as she moved to the same areas as they and her father, Joel Wheeler, died at her home. It is probable that her mother died there also. 3-6-4. William Jefferson Wheeler (b 23 Dec 1836 Warren Co Mo d 21 June 1903 Globe Lamar Tex) m Sarah Ann Ramsay (b 24 Jan 1841 Boone Co Mo d 24 July 1929 Sumner Lamar Tex) d/o John Ramsay and Rachel (Ramsay) Ramsay. They were m by Rev. J. S. Elder with license issued 10 Nov 1861 in Gainesville Cooke Tex. Witnesses were J. Hinds and B. Morris.

Sarah Ann came to Tex for the second time from Mo in Dec 1859. She had lived in Tex in 1845 with her parents in the Peters Colony in S/E Denton Co. Her father was appointed a commissioner there to help choose a site for the county seat and later was elected commissioner. He died in 1848 and in 1850 she returned to Mo with her mother and other family members. Sarah Ann always told her granddaughter, Flora Ann Chitty Brewster, that she and William J. rode together on a horse from Mo to Tex. We know Sarah Ann arrived in Sherman Tex 11 Dec 1859 from Mo after 16 days in a wagon train. They evidently came in the same wagon train via the Butterfield Stage Southern Route out of Springfield, Mo. William J. also made two trips to Tex as he returned to Dade Co and was in the household of his brother, Houston, when the 1860 census was taken. Since Houston was married with a family, William J. possibly went back to Mo to help his brother prepare for his move to Texas.

William Jefferson and Sarah Ann settled around Sherman, Texas, after their marriage. On 8 March 1862 just four months after their marriage he enlisted in the Military Service of the Confederate States during the War between the States of the United States. Sarah Ann showed fortitude during this time. She was pregnant when William went to war and her sister, Christy Ann, came to stay with her. They would find Indian tracks in the mornings around the horses where the Indians had tried to unchain them. The Indians would also milk Sarah Ann's cows during the night. The women were known to have hidden in the woods several times.

William Jefferson Wheeler served as a true and faithful soldier in Company H Alexander's Regiment, Texas Dismounted Cavalry of Texas, until the end of the War. His grandson, Horace Wheeler, recalls one story his grandfather told him about the Civil War. He stood up to fire at the enemy, he looked to the left and there was nobody standing, he looked to the right and saw nobody standing. He came out of his knapsack, threw down his gun and ran into a ravine where he was able to escape certain death. Somehow he broke his finger but didn't know how. Later he sustained a leg wound that eventually led to amputation.

After the War when William J. returned home his three-year old son, Almarine, who was playing in the yard, ran frightened to his mother when he saw his father approaching. William and Sarah remained near Sherman Tex until 1865 when they made plans to move to Lamar Co Tex with Houston Wheeler and his family and Sarah Ann's mother and sister. By 1866 William and Sarah were living in Pars Prairie (also called Pinhook) Lamar Tex where their second son, Washington, was born that year on March 15.

On the 1867 Voter's Registration (calling for a Constitutional Convention) William registered July 18.

DESCENDANTS OF JOEL AND RUTH HINDS WHEELER (CONT.)

William and Sarah moved to Globe Lamar Co Tex on Emberson Prairie one year later where they lived until William died. They were members of Prairie Ridge Missionary Baptist Church, joining on recommendation December 1881. William was a delegate to the Lamar Co Baptist Associational Meeting held in July 1893.

On a personal note, William Jefferson was tall and slender and of a stern disposition. He was always called "Uncle Jeffie" or "Jeff." After the war he owned a general store at Maxey Lamar Tex with his son, Washington. Sarah Ann was short in stature, plump and of a happy disposition. She was very active into her 80th year as she crocheted, used the loom and spinning wheel, walked 1/4 mi to church and was even able to visit her foster son, George Alford, at Commerce, Tex. They had taken George from the poor farm to raise when George was six years old. William Jefferson had gone there to take some food, etc., to those in need. He saw George who was there with his mother and sister. William loved George immediately and took him home. William treated George like a son and George went on to become a teacher. When William died George was given his share of the estate.

After William Jefferson's death Sarah Ann lived with her daughter, Orlena Victoria Wheeler Floyd, at Sumner Lamar Tex until her death. On 3 March 1914 Sarah was granted a Civil War Widow's pension. William Jefferson and Sarah Ann Wheeler are buried at the Mt. Vernon cem at Maxey Tex.

The family of William Jefferson and Sarah Ann was very close with lots of reunions and Sunday gatherings. The Christmas season was especially important. For about a week the whole family would meet each day at the home of a different child of William and Sarah. The last gathering was always at the home of their dau, Cordelia Wheeler George, and her family where they had fireworks to celebrate the birthday of Cordelia's son, Edgar George, who in 1983 was 91 years old. Their children:

Almarine and Nancy bur Wolfe cem Seminole Okla. In 1884 Almarine bought land in Lamar Co Tex. In May 1888 he joined Prairie Ridge Baptist Church (by letter) at Emberson Lamar Tex. In 1894/5 he drove a dray wagon to Okla Indian Terr, 18 mi from Muskogee, sleeping under the wagon. There were mornings he would find Indian footprints where they had circled the wagon during the night. In 1902 Almarine and family moved to Ravia Okla and in 1906 to Kiowa. In 1937 they moved to Maud Okla remaining there until his death. During the Depression he sold his dray wagon, a team of horses and their bridles to the Budweiser Co. Everyone knows thru TV what these became to the Budweiser Co. Almarine and Ann belonged to the Methodist Church in Okla. After his death Ann moved to San Jose Calif to live with her grandson, Cecil McCollum. She enjoyed needlepoint and rug making which she turned into a profit. Their children:

3-6-4-2. Washington Wheeler (b Monday 15 Mar 1866 Pars Prairie Lamar Tex d 31 Oct 1939 Maxey Lamar Tex) m at Paris Tex 11 Nov 1894 Lula Amanda White (b Cabot Ark 23 Feb 1872 d 9 May 1975 Paris Tex) d/o Gus White and Mollie Wilson. They were married by the Rev. L. L. Price and present were Mr. and Mrs. Ben Dodson. Washington and Lula moved to Muskogee Okla Ind Terr some time after their marriage where he was a merchant. Their first child, Horace, was b there 25 Mar 1896. In the fall of 1896 they returned to Tex by covered wagon and settled at Maxey where he was a merchant for 45 years. His early store consisted of a barber shop, sundry shop and blacksmith shop close by. "Wash" and Lula lived in a two-room house behind the store. They moved to a larger house later and made a casket company out of the first house. Washington served on the school board, election board and was a member of the board of directors of the funeral home. Washington and Lula belonged to the Prairie Ridge Missionary Baptist Church where he was received by letter into the church in 1890. They are buried at Mt. Vernon cemetery at Maxey Texas. Their children:

3-6-4-2-1. William Horace Wheeler (b 25 Mar 1896 Muskogee Okla Ind Terr) m Lela Maud Fry (b 24 Feb 1899 Broadway Tex d 4 Jan 1971 Paris Tex bur Meadowbrook cem Paris) d/o Joe R. Fry and Alice Sears. They were married at Petty Texas 6 Oct 1917. Horace was a mechanic beginning in a shop at Maxey which was the original blacksmith shop. Horace is the oldest living grandchild of William Jefferson Wheeler and still loves to tell stories about him as well as stories about his own father.

During the time Horace was growing up, probably because there was a lack of entertainment, one of the most common forms of enjoyment was to play pranks on each other. Horace had inherited from his mother a fun-loving disposition and he did like to tease and joke. The only form of transportation was by horse, wagon or buggy and one of the most frightening spectacles was to see a white ghost waft across the road in front of you. This was enough to cause the horses to run away, and it was accomplished by stretching a wire across the road and tying a sheet to it with a string. Then they would hide and pull the string across the road and the sheet would float along.

Horace and his father usually worked on the insides of the caskets at night and this gave Horace inspiration for another joke. Three lady teachers were boarding at their home. There was also a hired hand named Rufus who lived with them, and he was a most unwilling accomplice most of the time. However Horace paid Rufus $1.00 to help him, and talked Rufus into getting into one of the coffins telling him that when he had enticed the girls into coming to the coffin shop Rufus was to raise the coffin lid up and down a bit to scare them. Horace managed to get the girls to come to the shop and while they were approaching Horace could hear them say they knew he was up to some trick but they were not going to fall for it. Horace started telling Rufus some story and instead of just raising the lid on the coffin Rufus couldn't stand it any more and kicked the lid off just as they got there saying, "Good G__, Mr. Horace, you scared me to death!" At that one of the teachers fell out the back door in a faint and Horace propped her feet up with a stick of wood. Rufus came running over and said, "Is she dead? Is she dead?" Horace said, "Shut your mouth. If she is dead, it's all your fault." With that poor Rufus said, "Oh, don't say that, Mr. Horace. Don't

say that. They'll hang me!"

Another prank Horace pulled was on his Uncle Alec Graham. Uncle Alec had a chicken house full of chickens. One day Horace borrowed his uncle's gun so his uncle wouldn't be able to shoot him. That night Horace and a friend, Lee, hid in the chicken house and created a commotion that had all the chickens squawking. Uncle Alec yelled for Aunt Ellie to bring him the gun and was told that Horace had borrowed it. He raced out to the chicken house and when he stuck his head in the door Horace poked his ribs with his flashlight and said, "Stick 'em up." Uncle Alec ran for the house and the boys took off. Lee had a new jumper on and hung it on the fence and Horace had to buy him a new one.

The following would seem more like Huckleberry Finn than a Wheeler story. One night Horace and a friend were walking by the cemetery. In the distance they saw a white ghost of a figure ahead of them. They looked over by the cemetery and there were two ghosts. They looked to the right and there was a ghost. Altogether five ghostly figures were gathering and Horace and his friend only took a second to see which way would be the fastest way out of this dilemma. They charged out across the pasture, knowing some of their friends were responsible for the ghosts, but they were not inclined to wait and find out. Horace and Lela had two children:

DESCENDANTS OF WILLIAM & REBECCA (WILLIS) WHEELER

3-7. PETER WHEELER
b Blount Co. Tennessee
d Missouri

According to a family story, Peter Wheeler came to Mo. with some of his brothers. He was unmarried and died shortly after he arrived in Mo; supposedly he was the first one to be buried in a Wheeler Cemetery - we have been unable to verify this - or even to determine which of the several Wheeler Cemeteries in Mo. that he is buried In.

3-8. RODAH WHEELER
b Blount Co. Tn..

Rodah Wheeler was the eight child of William & Rebecca Wheeler; as the first daughter, whe became a very needed helper in the household. When her mother's health failed, after the death of her father, she cared for ther mother. She never married, and as far as we can ascertain, she remained and died in Blount Co. Tn. Dated Jan 26, 1854, is a receipt in Estate papers from Rodah Wheeler for nursing Rebecca Wheeler, the widow of William Wheeler.

3-9. ABRAHAM WHEELER
b 1808 Blount Co. Tn.
m 16 Sep 1834
Charlotte Henson by Edward Mitchell J.P.

Abraham was called "Abe". He was listed as "Abel" in the marriage record. Abe was one of the brothers who left Tennesse in the 1830's and went to Missouri. Our information gives Oregon County as the place he settled, but he could have gone on to Oregon Territory to settle there.

3-10. ELIZABETH WHEELER
b ca 1810 Blount Co. Tn.

Elizabeth Wheeler was the tenth child of William & Rebecca (Willis) Wheeler. She was born ca 1810 in Blount Co. Tn. She had one sister and eleven brothers. She married and had several children. Elizabeth, widowed, came to Mo. with her children along with her brothers. We do not have her married name, so have been unable to discover her movements after she arrived at brother, James Wheeler's home in Dade Co. Mo. In 1858 sh was listed as an heir of William Wheeler (of Blount Co. Tn.) as living in the West.

b 16 May 1858 Dallas County, Missouri
d 24 Nov 1932 Webb City, Mo bur Joplin, Mo
m 11 May 1881 Laclede County Mo - THURZA VI-NETTIE HUNTER (b 27 Dec 1863 Decaturville, Camden, Mo d 11 Mar 1949 Webb City, Mo bur Joplin, Mo)
d/o Frederick Bollinger and Calpurnia (Carter) Hunter

Acil was a farmer when living in Laclede County, Missouri. Later he worked in the mines around Joplin, Missouri and Galena, Kansas. At about this time, Nettie's brother journeyed to Marietta Indian Territory. After a short while, he wrote great tales about the money that could be made out there. About 1900, Acil and his family left for the Indian Territory, in a covered wagon pulled by a span of fine large mules. Among the group was another brother of Nettie, Francis Marion Hunter, he had a balky horse and one morning the horse was unusually contrary, Francis lost his temper and attempted to give the horse a mighty kick in the belly, the horse dodged and Francis lost his shoe--it went flying high in the air--everyone had a good hearty laugh over the ordeal. They also had to keep a sharp look-out for horse-thives as they were very active. The older brother, Thomas Frederick, had a pretty fast mare, he won several races with his mare on the way to the territory. All in all they had a fairly good time on the trip across the country and made it safe to Marietta. When they arrived in Marietta, Acil soon began farming--raising cotton (on the shares). The children started to school and were astonished to find the teachers wearing guns. The older children would pick cotton in the summer and before school started in the fall. Virgil Richard, Acil's eight child, was born 10 Jan 1904. In the late fall of 1904, there was a disaster and the cotton crop failed due to a dry hot summer--Acil lost his fine span of mules along with the wagon. They stayed in Marietta Indian Territory that winter. Acil became disgusted and left in June of 1905 for the wheat harvest, and sent his family back home to Joplin, Missouri where Leland Stanford was born 19 Sep 1905. The Wheeler Family never left Missouri again until the fall of 1926.

He was named as a son in the will of William Wheeler of Blount Co. Tn. Henry migrated to Missouri in his teens along with several of his brothers and sister, Elizabeth; going first to Dade Co. where his older brother James and family had settled ca 1836. He married ca 1846 Emily Elizabeth Cotner, d/o Milly (Nease) Cotner and Jacob Cotner, b 3 Oct 1830 - d 15 Jan 1884.

WM. HENRY WHEELER
3-13

A check of census records indicate that Henry was a settler in Dallas, Webster, and Greene Counties in Mo; that he lived on a farm at Elm Springs near Fair Grove, Mo. A number of their children made their homes near there; others migrated to Ks, Ok, and Tx; and their descendants to Ca and various other states. Their children were 12: Newton M., Mary Emaline, Hezekia Calvin, William Martin, John Pinckney, Joel Thomas, Milly Josephine, Rebecca Jane, James M, Robert L., Riley Perry, and Jacob Luther. Robert L., the tenth child died at the age of four months; the rest of the children matured and moved away to establish homes of their own. Henry was called "Pap" and Emily was called "Mam" by their descendants.
There is a plaque at the Spring, at the bottom of the hill toward the Church and Elm Springs Cemetery (Henry & Emily are bu there). The family carried water from this spring to wash and cook in all kinds of weather. To heat the water, they chopped kindling to fire their wood stoves. They boiled laundry in iron kettles in the yard; scrubbe it on washboards. Ironing was a matter of lifting heavy irons heated on the stove top.
They killed and plucked their own chickens, grew and canned their own vegetables and fruits; not to mention butchering their own hogs and making their own sausage. A favorite meal was fried ham, eggs and hot biscuits. The women of the family rose before the men to start the fire in the stove, to cook breakfast. At sundown, the men drifted back from the fields worn out. They washed in basins and they were ready for supper. Emily died on the Elm Springs Farm in Green Co 15 Jan 1884. William Henry died at his oldest son, Newt's, farm 4 Dec 1905 Webster Co Mo.

Peter Cortner and Martin Luther Nease, gradfathers of Emily Cotner Wheeler were both Revolutionary soldiers.

Hezekia Calvin "Kia" Wheeler was the third child of Henry and Emily Wheeler born 14 Feb 1851 in Missouri, either in Dallad or Greene County. He grew up on farms; and when he go married, he acquired a farm in Webster Co Mo near where his brother Newt had his farm. His farm was bisected by a stream of water sometimes called "Muttonhollow". He was a Methodist and was remembered to have said many times: "Well, this is Sunday, let's wait until tomorrow and talk trade." He married (1) Mary G. Cunningham b 12 Nov 1848 - d 21 Mar 1893. They had six children: James Edward "Edd", Amanda Ella, Thomas Leander, Lawrence Winton "Wint", William Irvin, and Sadie Alice. Over nine years after the death of his first wife, he married (2) 26 Aug 1902 Cordelia Isabelle Nease, d/o William & Malinda (Otteringer) Nease. They had five children: Ida Malinda, Lucy Mae, Ulysses Guy, Edith Fay and Nellie Pearl. They all continued living on the farm raising most of what they ate; selling off excess cows, pigs, chickens, eggs, milk, and cream. Kia was a big man, good natured, dark hair, enjoyed his family with much activity around the stream of water in the summer time. In fact, most of the children spent most of the summers in the water in spite of chores etc. Kia d 24 Mar 1928 and Carda d 28 Nov 1929.

JOHN PINCKNEY WHEELER 3-13-5
S/O WILLIAM HENRY & EMILY (COTNER) WHEELER

b 6 Jan 1855 Marshfield, Webster, Mo.
d 18 Apr 1932 Donly Co, Tx.
bu Fairview Cem. Memphis, Tx.
m 7 Jan 1880 Grapevine, Tarrant, Tx.
Frances Malvina Hudgins

John P. was the fifth child of Henry & Emily Wheeler; he grew up in small towns and farms in Webster and Greene Counties in Missouri. As soon as he was able, his other brothers and sisters were eager to share their daily chores with him. When John P. was in his early twenties, he went with his brother William Martin and family to Texas in a covered wagon. They camped on the way. John P. probably rode a horse scouting the way ahead. They stayed with relatives and friends enroute whenever possible. In Grapevine, Tx, they stayed with some Methodists - El Nathan & Susan (Baker) Hudgins. There were several Hudgins daughters; but there was one, who won the heart of John P. - Frances Malvina Hudgins; they were married by Rev. El Nathan Hudgins 7 Jan 1880. The Wm Martin Wheelers returned to Mo.

John P. & Frances H. Wheeler

For several years, John P. was a partner in a hardware store, Wallace & Wheeler, which dealt in all kinds of machinery & supplies for the farm and home. After this venture was finished, John P. became a Methodist Minister. In the early 1900's, John P. began his ministry with the Methodist Church in Tx. Then he transferred to NM, from which Conference he transferred to the North Ark. Confer. in 1910. He served in active relation until 1919, when he was superannuated. He spent 35 years in the ministry, 14 yrs. as a Circuit Riding Preacher, carrying a Bible in one saddle bag and pearl handled pistols in the other. He was heard to say that he was ready for any kind of snake. He was faithful and efficent in all relationships of life. He was kind and an indulgent father, grandfather, a sympathetic pastor and a forceful preacher of the plain and powerful gospel of Christ. His faith was triumphant, and he died in great peace, surrounded by his children and loved ones. Frances Malvina (Hudgins) Wheeler was converted early in life and joined the Methodist Church remaining a faithful member until her death, 26 Feb 1942 in Dalhart, Tx. She was b 29 Aug 1862.

Her father, El Nathan Hudgins was a pioneer in Methodism in the State of Texas; His mother, Martha Ellis was descended from a long line of Methodist Ministers. John P. & Frances "Fannie" Wheeler had ten children: Henry, Cora, Louise, Laura, Alma, Frank, Virgie, Earl, Carl, and Rubie.

They both died and were buried in Enid, Ok. Their children: James H., Mary E., Everett, Roy and twin daughters.

Riley Perry had a livery stable around Springfield, and he told how the James boys used to come thru at night and trade horses; then in a few days come back and leave some money on the porch and take their horses back. When the Orient Railroad was built, a company came through Springfield, Mo. and hired Riley P. to be a teamster boss; and he furnished 32 head of horses. They worked on the Railroad from Kiow, Ks. and were at Camp Contonment, which is now Canton Lake. They lived in Tepees with some Indians. The Indians really admired Catherine B. Wheeler's red hair -- and all her children's red hair. Their twins died at Camp Contonment and are buried in the Indian and Army Cemetery there. Because of his wife's health, Riley P. quit the railroad and moved to Waynoka, Ok. where he put in a livery stable -- and continued that until the autos put him out of business. Then he took his horses, family and went to farming.

One son, Roy, went to college and became a lawyer; but after 2 years, he decided a lawyer had no chance of going to heaven, so he took up school teaching. Roy and brother, Everett put in a grocery store at Waynoka, Ok. Everett became Mayor and Roy became Supt. of Schools there.

Catherine Belle (Appleby) Wheeler used to tell about the Civil War around Springfield, Greene, Mo; she had brothers on both sides of the fighting. The brothers used to come home and spend the night. The whole family had prayer services each morning and prayed that the brothers would not kill each other that day; then they would go out and fight all day , then come home again at night to sleep and eat together.

Luther and Fanny Wheeler were loved and respected by all who knew them. They were called "PA" and "MA" Wheeler by everyone in the community as well as their children and grandchildren.

Sunday was the big day at the Wheeler home. PA always went to Buck Prairie Baptist Church, just down the road from their house. MA cooked all morning for the big family dinner. All of their children in the area brought all of their children for the dinner. This was every Sunday during the year for all the years until they were in their eighties. Still most everyone went over on Sunday afternoon. The grandchildren who lived out of town always went by to visit PA and MA when they were in the area. PA was always full of fun. As soon as he met a prospective member for the family, he would asked them two questions: 1. Are you a Southern Baptist? 2. Are you a Democrat? Those who answered "yes" to both questions had his instant approval for becoming a member of the Wheeler family. PA was a Methodist until he married MA!!

With that many grandchildren always around, they had to obey PA and MA. PA would threaten the boys when they were misbehaving that he would "make them jump a whiff." The boys behaved themselves and none of them ever did find out what a "whiff" was.

MA was strict in what she believed and everyone abided with her wishes. PA went to the smoke house to smoke his pipe and no one ever smoked in MA's house. The women all wore dresses in MA's presence -- even the granddaughters and future in-laws. She was almost totally blind for several years while she was still living and yet she continued to feed and dress herself and remained fairly independent. She was a tower of strength to those who knew her.

In 1902, they moved their family in a covered wagon to Texas where one of his brothers lived. Their fourth son was born there. They didn't like Texas. PA said years later all there was in West Texas was tumble weeds and rattle snakes. When they decided to leave Texas, MA was to take the boys on the train while PA drove the covered wagon back to Missouri. PA considered going to another state but MA had had enough so she told him he could come home to her and the boys in Missouri or she would see him in heaven--he went home!

The Wheeler Reunion in Springfield, Missouri was always looked forward to by PA. He went every year. All the families remember when they would all load in Fred's truck and go to the reunion. PA loved being around his relatives. The neices and nephews called them "Uncle Luther" and "Aunt Fanny." Every year one of PA's sons would see that he got to the Reunion.

Luther and Fanny Wheeler have given us a fine heritage of love and family pride. We are grateful to them for the influence they have had on so many lives.

Elizabeth (Coker) Johnson

Peter Wheeler was the fifth child of Thomas and Elizabeth Wheeler of Bedford Co. Va. He grew up on the family farm. He met and married Elizabeth Coker Johnson b 26 May 1781 NC - d 26 Jun 1851 Blount Co. Tn. She had a son from a previous marriage, Thomas Johnson. Peter settled near Bay's mountain in East Tn, in Knox Co on October 1, 1792. After his marriage, he moved near a little village, Bank, in Blount Co, where he bought a farm of 175 acres. There he raised a nice respectable family of two sons, five daughters and a step-son. He was not a large man, but was very active, industrious, honest and truthful. He would often say, "A liar I never did like. A thief I can lock against, but a liar I can't."

His house stood on the North side of a big spring branch that ran through the center of his farm East and West. The house was built of long straight pine logs, 16 ' wide by 30' long, hewed and weather-boarded. It looked like a frame house, two stories high with a double porch on the front South side 12'wide. On the upper porch he kept bees. About 60 yards Southwest of his house, he had a fine spring of never failing water; as good cold water as I ever drank. It comes boiling up in a small rocky cave under a low steep bluff facing the West and runs into the big branch about 30 feet away in a straight channel about 18 inches wide by 6 inches deep, affording two or three barrels of water per minute. This is the spring from which the family carried water for all their needs.

On the West part of the old farm, there is a steep bluff about 200 feet high, facing West on Little river which runs at the foot of the bluff. About 50 " above the river in the face of the bluff is a very extensive and remarkable cave. The main entrance which extends back into the bluff straight in a South-easterly direction something like 100 ' or more side and high enough to drive a two-horse wagon through, and from this there are numerous passages opening into large rooms and from these rooms other passages opening into other rooms; where there is nothing to be seen but rock, under foot, overhead, sidewalls and everywhere.

Before Peter Wheeler died, he divided his farm by giving the North half to his daughter, Margaret Wheeler Brooks and the South half to his daughter, Elizabeth Wheeler Wolf. They had seven children: Nancy, William, Mary "Polly" Margaret, Lavina, Langdon, and Elizabeth "Betsy" Wheeler.

They came over the Cumberland Mountains, through Nashville, Tn. crossed the Ohio river at Shawneetown and arrived in Mud Prairie, Ill Southeast of Washington Co. October 12 at the home of Lavina's sister Nancy Wheeler Phillips. They traveled a distance of about 500 miles. They settled on a farm 12 miles from Nasville Ill, where they went for mail and 62 miles from St. Louis, Ill. where they went to take the hogs to market and to pick up supplies like sugar, molasse, salt, coffe, bolts of dry goods and leather for shoes. They had seventeen children: Jane, William, Julia, Calvin, Joh, Margaret, Nancy, Roswell, James, Daniel, George, Martha, Marshal, Mary Ruth, Laura Lavina, Lauren, and Luella Spencer.

Occasionally a preacher would come by and preach at private houses. Theirs was open for preaching. Lavina was a Methodist. The Spencer's Christian life was not so demonstrative, as it was just living a life that was an example for their children to follow. Rhoda Bandy

Gabriel Wheeler was the ninth child of Thomas and Elizabeth. He was born, lived and died in Bedford County, Virginia. He met and Married Rhoda Bandy born in 1795 in Bedford County, Vieginia, d/o George and Percilla Bandy. They are both buried in the family cemetery, Bedford Co. Virginia.

Gabriel was given in his father's will, Thomas who died in 1828, the care of his mother, Elizabeth. At her death he received the "home farm" of 200 acres. This farm is recorded: Book 7 page 99, Deeds of Bedford Co, Va. as thus: "Isham Talbot of Bedford Co to Thomas Wheeler of same. 22 Nov 1781 for L 25, 200 Acres on Keeth's Creek-tract where on said Wheeler now lives." Recorded 26 Nov 1781. Gabriel was charged with the management of the personal estate as well. In reference to a surplus of his estate, year by year, Gabriel has the right to add it to his own acres or in any way he saw fit. Thus, we may assume that Gabriel was living near his father and mother, and that he too was a farmer.

Gabriel and Rhoda (Bandy) Wheeler had nine children: Joel, Nancy, George, Wilson, Soloman, Gabriel, Pricilla, Thomas and Rhoda.

Gabriel Wheeler, Jr. was the sixth child of Gabriel Sr. & Rhoda (Bandy) Wheeler. He grew up on a farm in Bedford County, Va. He did not remember his grandfather, Thomas Wheeler as he was just four years of age when his grandfather died; but absorbed and enjoyed all the family stories as he was growing up. We share the following information on Gabriel Wheeler, Jr. from the History of Morgana Baptist Church.....Mr. Groggin had been his pastor for 10 years and had exerted a strong religious influence upon him in the days of his youth. Gabriel shrank from preaching in the presence of his spiritual father in the ministry, but Mr. Groggin insisted"I want you to put on the harness and go to work, and I will pray over you".....at a meeting of the Beaverdam Baptist Church on Saturday before the second Lord's Day in April it was unanimously determined to ordain and set apart Brother Gabriel Wheeler, Jr. of Bedford Co. Va to the full work of the Gospel Ministry. Pursuant to this decision a Presbytery consisting of Elders Thomas N. Sanderson, Thomas W. Dooley, and J.R. Harrison met at said Church on Friday, May 8 and after a satisfactory examination of the candidate proceede to ordain him. From Oct. 21 to Nov. 5, 1876, Morgans Church met on 7 of the days to receive members. During the pastorate of Gabriel Wheeler at least four events of significant interest took place: (1) In Apr of 1881 a Building Committee was elected, and the work of building was carried on so that on Nov 1882, we read "We met today in our new house." (2) April 1881, by action of the church, they adopted the name "Morgans" instead of Goose Creek. (3) April 24, 1885. On motion, we meet at nine o'clock in the morning for the purpose of organizine a Sabbath school. Then we have the attendance records for May 33.8; June 41.2; and July 28.7. (4) The formation of a women's missionary society, Saturday August 1885.

Joicy was the tenth child of Thomas and Elizabeth Wheeler. The family was living, at the time, on acreage on both sides of Heeth's Creek, Bedford County, Virginia. She and her sister Sally married Cundiff brothers. It is thought that Joicy had children. Thomas Wheeler states in his will that "I give unto my daughter Sally Cundiff, and to my daughter Joicy Craig, all my tract of land lying on what is commonally called Greens Mountain, and known by the name of Trent's Place, containing fifty two acres to be equally divided between them, and their heirs and asigns forever."

11. JAMES WHEELER b 28 Dec 1788 Bedford County, Virginia d prior 1828
James Wheeler was the eleventh and last child of Thomas and Elizabeth Wheeler of Bedford County, Virginia. James left Virginia going first to Tennessee and then to Missouri. He died prior to 1828, because Thomas Wheeler states in his will, probated 1828, that "I give unto the heirs of my son, James Wheeler deceased, the sum of one dollar, to be paid them by my Executor."

THE DESCENDANTS OF BENJAMIN AND ELLEN BOSLEY WHEELER OF BALTIMORE COUNTY, MARYLAND

The earliest member of our family whose lineage can be documented is Benjamin Wheeler. He was born in Baltimore County in 1758. According to his Federal pension application (pension # 32585), he served as a private in the Baltimore Co. Militia in 1777 under Capt. Robert Lemon, and skirmished with the British at Germantown, Pa. in early October of that year. A marriage license was issued to Benjamin and Ellen Bosley on 16 September 1779 in Baltimore Co. Md. In the spring of 1780, they migrated to the Juanita River Valley in Bedford Co. Pa, shortly after the birth of their first son, Thomas. There he served against the British and Indians, under the command of Capt. William Phillips.

Benjamin and his family remained in Pa for almost ten years. Another son, John Wheeler, is known to have been born to them in 1784. In 1789, they moved to Bullitt Co. Ky. to purchase land, probably under a US or Virginia Bounty land warrant. The family farmed 320 acres there for 20 years until 1809, when Harrison Co. Ind. was organized, and opened for settlement. Benjamin, then sold his acreage in Ky and purchased new Government land, by assignment, near Elizabeth, Harrison, Ind. They still had four sons and three daughters at home in 1810. Thomas and John were married and counted separately; Eleanor had not yet been born.

Benjamin and his sons farmed this ground along Buck Creek until 1821, when he sold out and moved to Perry Co. Ind. The deed was witnessed by son, Moses. About 1825, when Clay County was organized, he moved there with his children and their families. Here he lived until his death in 1848 at age 90, as established by his final pension voucher. His wife, Ellen or Eleanor, does not appear in the Clay Co. Ind. census in 1840. According to the descendants of daughter, Sarah Wheeler Kintzley, the couple is buried in the Zenor Cemetery near Prairie City, Clay, Ind. This seems likely, the Wheeler and Zenor families were very close; others say that they are buried in The Sloan Cemetery near Bowling Green (it is probably son, Moses, who is buried there.)

It seems possible that Benjamin and Ellen, with their young son, departed Maryland to escape the violence of the Revolution, or possibly to escape a second conscription. Having served with the Baltimore Militia, it hardly seems possible that he was a Loyalist, but it is a fact that a Benjamin, Sr. and a Benjamin, Jr. were listed as "non-jurors," i.e., they refused to take the Fidelity Oath of Md. It may have been that these two were Quakers, and refused to swear on religious grounds. It is known that many Quakers fled the coastal provinces and came to the Juanita Valley; also many Loyalists, and other persons "disaffected" with the war. Yet, our Benjamin served against the British and Indians in Bedford County.

Moses farmed with Benjamin most of his short life. As an adult, he continued to live at home with his father, either as a hired hand, or as a partner. He was not listed separately in either the 1820 census of Harrison Co. Ind. or in the 1830 census of Clay Co. Ind. Yet, his presence is verified by the evidence that he purchased property in Harrison Co. in 1817, voted with Benjamin in 1818, witnessed Benjamin's signature to a deed in 1821, appeared on the tax rolls, and was issued a marriage license there.

In 1825 Moses married Ann Parish of Harrison Co. Ind. They had four children: two boys and two girls. The children were orphaned by Moses' death in the winter of 1830. He was then about 34 years of age. According to tradition, he fell through the ice near Bowling Green, Ind. while trying to cross a river in "the Maple Swamp". He died afterwards of exposure in a severe snowstorm. A grandson of John O. Wheeler, Robert F. Wheeler, recollected that Ann Wheeler was supposed to have remarried when John was about threee years of age, or ca 1831. Ann married Edmond Butt, a widower, of Clay Co. Ind. Their children were: (1) Daniel W., (2) James F., (3) Lucy and (4) Amos. This family, including the Wheeler children, moved to Ark. ca 1840. Ann died there on 9 Sep 1844 at Helena, Phillips, Co. William C. Wheeler was about 18 Years of age at the time of his mother's death. Being the eldest of the four Wheeler children, he became head of the household, and provided for the family until John was employed, and until Elizabeth and Martha were married. The Butt children apparently went back to Clay Co. Ind. although their names do not appear in the records there until after 1850. Edmond Butt's fate is unknown, but it is believed that he died before 1850. An 80 acre tract of land in Clay Co. was partitioned among his heirs in the early 1850's. William and his sisters moved to Linn Co. Ia. ca 1845. John m Sarah Ann Neil at Helena in 1850; Martha went back to Clay Co. Ind. and m Joseph Bott ca 1847; and Elizabeth m William B. Wilson, a widower, in Linn Co. Ia in 1849. With his filial duties satisfied, William C. worked for several years as a woodcutter, helping others to clear land, saving enough at last to purchase his own farm in Linn Co. Ia. Finally, at age 26, this lonely bachelor took Clementine Long as his bride, d/o Zadoc Long of Monroe Co. Ind. and Va. They were m 4 Nov 1852 near Marion, Ia.

In 1856, they moved to Albion, Marshall, Ia, where they purchased a larger farm, and built a new farm home. Here, William farmed and traded real estate for 38 years until his retirement in 1894 at age 68. Clementine bore 12 children of whom only six reached maturity. William insisted that these children attend the Albion Seminary and obtain tacher certificates. His own kin became widely scattered: John to Central City, Gilpin, Co; Elizabeth to Fort Scott, Bourbon, Ks; and Martha to McLean Co. Ill.

William was a true frontiersmand and pioneer farmer. He was a skilled lumberjack, an expert hunter and trapper, and an unusually fine marksman with the

Kentucky cap and ball rifle. For two years, he mined silver with his brothers, John and Dan Butt in Gilpin Co. CO. At the time of his death in 1908, he had accumulated a sizeable estate, about an half million dollars in 1985 money, including 240 acres in Webster Co. Mo. and 156 acres in Clay Co. Mn. all clear. Pressed for the secret of his business success, William always replied with a amile: "Pay cash for what you buy." Throughout his lifetime, he never used credit, nor did he or his family ever want for worldly goods. He did not accomplish this alone; Clementine was his loyal helpmate for 56 years. They were lifelong members of the Methodist Episcopal Church. William's thrift, foresight, and example in no small way contributed to the higher education and success of his children, grandchildren, and their descendants.

Zadoc, or "Z.L.", as he was called, started life on the old Wheeler homestead at Albion, Marshall, Ia. Marshall County had only recently been settled, and its population was still sparse. A small tribe of Sac Indians lived nearby on the Iowa River. Young Z. L. worked long hours in the fields, mostly with primitive hand implements, but he still had time for hunting, fishing, and trapping. He attended the nearby country school, and then went on to the Albion Seminary to obtain a teaching certificate. There he met Henrietta Whitacre, d/o Robert Hawley Whitacre, a Quaker, b in Lycoming Co, Pa. Robert operated a produce and general store in Albion for many years. Enos, Robert's younger brother, d in the Civil War.

After Z. L. and "Etta" were married, they taught at country schools near Albion, and continued to farm at the old homestead. In October 1896, they moved to Marshalltown where the three children attended high school. Z. L. went to work for a hardware company and soon became one of their best salesmen. When the children reached college age, they moved to Cedar Falls, Ia. where they could attend Iowa State Normal, now called the University of Northern Iowa. Z. L. was doing well in his business and soon built a large, three-story Victorian home at 2610 College Street facing the campus. Their daughter, Myrl, said of Cedar Falls: " * * * (it) was a beautiful town of about 6,000 people. We belonged to the Methodist Church there, where my parents were active. It seemed like an ideal place to live and I have memories of happy days there always. * ". After a few short years, they moved yet again to White Bear Lake, MN to be near son, Merritt, who was finishing his studies in medicine at the University of Minnesota. The early 1900's were a special time for the Z. L. Wheeler family. The horizons in science, business, and the arts were expanding rapidly. The possibilities for personal growth seemed unlimited in this peaceful era. The Wheeler children, Forrest, Merritt, and Myrl, were enthusiastic and gifted participants in this scenario. Ezekiah and Leah (Jones) Wheeler began their married life in Maryland. At least one of their children were born in Maryland, Thomas B. The next three could have been born in Md. or on the way to NC. The last three were born in Rockingham Co NC.

About the time of Andrew Jackson in 1838, several of their children, grown and married, with their families left NC in covered wagons and started on the long hazardous journey to reach DeSoto Co, where they settled 4 miles West of Hernando MS on a farm that same year, the site which may be identified as the Milton Jones place. Their mode of travel, reason for migration, means for handling emergencies and solving their many problems were not unlike that of the Westward trek of many other early pioneer settlers.

During the journey, Levin and Zilpha (Jones) Wheeler were blessed with a son b 19 Apr 1838. This event necessitated a two week halt before moving on to their destination in DeSoto Co. MS. When the son was one year old, the Levin Wheelers moved from their first location to the place 2 miles South of Hernando on what is now known as the old Wheeler place.

Five of the children of Ezekiel and Leah came to Miss. ca 1838. One son(name unknown) was a well-to-do breeder of horses had Union sympathies when the Civil War broke out and moved from the are. Catherine m William W. Mills, Caroline m Isaiah Hancock and William m Mary Jones remained in Alcorn Co. Ms. Levin and Zilpha (Jones) moved to DeSoto Ms.

THE BORDEN CONNECTION

Because the Wheeler family was closely involved with the Borden family, and because it was through research on the Bordens that the children of Thomas and Elizabeth Wheeler were identified, some information on the Bordens is pertinent.

Benjamin Borden (grandson of Richard Borden and Joan Fowle, early settlers of RI, and s/o Benjamin & Hannah (Grover) Borden of NJ) who m Zeruiah Winter in NJ, received patents of land in 1737 totaling 92,100 acres from the Proprietors of Va, which includes most of Rockbridge Co Va, to encourage settlement of the area. Benjamin Borden was later identified in the courts as "Fairfax Ben." In 1743 Benjamin Borden died an untimely death, leaving his widow Zeruiah and son Benjamin, Jr. as executors, and naming, in addition, other sons John and Joseph, and daughters Hannah, Martha, Abigail, Rebecca, Deborah, Lydia and Elizabeth. The terms of the will were virtually impossible to fulfill, and before the estate was settled, Benjamin, Jr., died in 1753. In 1754, John Borden and wife Ann, sold land in Frederick Co., VA, that he had inherited from his father, and in 1782-83 were in Bedford Co Va where, according to Court Order Book for 1782-83 John Borden (often spelled Burden) gave two stears to William Trigg for the Cherokee Expedition.

In 1799, in Augusta Co Virginia, the suit of Peck vs. Borden and Borden vs. Borden was filed to try to settle the estate. (This case dragged on in the courts until final settlement in 1907). John Borden and wife Ann, meanwhile, had gone to what was then Knox Co Tn, where John "died on the waters of Stock Creek." In an effort to locate heirs of "Fairfax Ben" Borden, depositions were taken regarding descendants. One of the deponents, Thomas Anderson, in Knox Co Tn in 1841, stated that he had "assisted at the burial of John Borden on the waters of Stock Creek nearly 40 years ago; that he knew the family well, and that he had been informed by members of the family that he had come from Bedford Co, Va." At the same time, another deponent, William Wheeler, attested that he knew the family well, knew the nine children of John and Ann Borden, "having lived as a near neighbor of John Borden who died near 43 years ago", and in naming the children of Joh and Ann Borden stated that Massey Borden one of John's daughters, m John Wheeler borther of the affiant, and that Benjamin Borden, fourth son of John Borden, m Lucy Wheeler, "sister of the affiant," both of whom were dead but had left children. A subsequent deposition from Alabama in 1877 stated that the children of Lucy Wheeler & Benjamin Borden were all girls.

William Wheeler further stated that Ann Borden (widow of John Borden) had died approximately 20 years previously at the home of his brother Joel Wheeler. (The later statement caused great confusion to researchers until it was discovered that Joel Wheeler had m Betsey McWilliams, the granddaughter of John and Ann Borden.

John and Ann Borden's children were: (1) Joseph m Mary Echols, (2) William m Nelly Hudson, (3) John died early, (4) Benjamin m Lucy Wheeler # 2, (5) Massie m John Wheeler # 1, (6) Nancy m Andrew McWilliams, (7) Rebecca m William Overstreet, (8) Margaret m Nicodemus Keith and (9) Sarah "Sally" m Enoch McCoy.

COTNER

KERTNER, KURTNER, GOERTNER, CATNER, CORTNER, COURTNER, CURTNER, AND COTNER are some of the spellings of this family name. This family is no doubt typical of the pioneer families who settled our country. Somtime in the first half of the 18th century, seven Goertner brothers migrated from Groningen Province, Northeast Holland, near the German border. In order to escape famine, some sailed on the Good Ship Hope, others on other ships to reach bountiful America. They first settled near Albany, NY with other Dutch and German immigrants. In the tx list for 1759 of Albany Township, Berks Co PA Jurg and Peter Goertner are listed. They were among the Goertners who had left NY for PA.

Jurg Goertner b ca 1710 was the oldest of the brothers and as such had received a good education. The youngest of these brothers could only make his X and had worked his way to America in the galley of the ship. Jurg and Susanne Goertner had at least six children. Three of their sons migrated to the Salisbury District, Guilford Co NC, along with other German Immigrants; most of these were members of Luthern or Reformed (Calvanist) Churches. These brothers were George, Peter, and Daniel Goertner. This new state, NC, promised religious freedom and good land. A law read "Seven or more people agreeing on a religion constitute a church". They built a Union Church (Reformed & Lutheran). They settled on Lord Granville's claim. This was a disappointing move as the land could never be sold to the settlers; but was held by Lord Granville's heirs. Their agents extracted heavy quit rents, excessive illegal fines and fees through clerks and sheriffs who served under Gov. Tyron. The sufferings were so great that the Regulation Movement was formulated to correct these abuses. This culminated in teh Battle of the Alamance in 1771. The Regulators, poorly trained and armed suffered a bloddy defeat at the hands of Gov. Tyron's troops that were well equipped. Many were killed, wounded (among them, Peter Goertner); some were hanged and others rounded up and forced to take an oath of loyality to the king. This halted open rebellion for a time.

COTNER (CONT.)

Their Union Church had some problems and split. The Reformed or Calvanists left and formed another church. Peter, Georg and Daniel Cotner helped to raise money to build the Brick Church in Salisbury District, NC organized in 1770. These men were active in the Reformed Church. Peter Cotner is buried in an unmarked grave in Brick Church cemetery.

Peter Cortner b ca 1710 Pa s/o Jurg & Susanne Goertner m Maria Catharina. They had at least five children, all born NC. His will is dated 24 Apr 1760. HUDGINS

Tradition has it, that the Hudgins were originally from Scotland. The Hudgins family from Liverpool, England and Llandaff, Wales were for generations shipbuilders and owners. They traded between England, West Indies and the Colonies. In 1743, William Hudgins and his 3 brothers left England with their families to permanently settle with their families in Virginia. They had often visited there on trading voyages.

The inscription on Susan (Baker) Hudgins tombstone in Grapevine, Tx says "She hath done what she could".

After homes and food were provided for the early Grapvine Tx residents felt the need of spiritual help. Settlers of all denominations began to meet in various homes. Finally the meetins settled to one home, that of Rev. El Nathan Hudgins. They met for Sunday and midweek services; they began to feel the need of an organized church; so the first Methodist Church in Grapevine was organized in 1866. This continued to meet in the Hudgins home for the next 13 years. The first Methodist church building was erected in 1873 at its present location on land given by Rev. E. N. Hudgins. There have been several built at the same location. The last one was consecrated 15 May 1966. El Nathan Hudgins's descendants placed a picture of Rev. E. N. Hudgins in the church built ca 1800. NEASE

KNESS, NEACE, NEAS, NEASE, NEECE, NEES, NEESE, NEHS, NESS AND NIES are some of the different spellings of this family name. The Nease family was a part of the German Immigration movement during the period from 1725-1775 entering America at Philadelphia Pa settling in Berks, Lancaster and Schuylkill Counties of Pa. Ca 1785, around 15,000 Germans emigrated from PA to NC. They mostly consisted of Lutherans and Calvanists (Reformed Lutherans). The Reformed Church was composed of people who had dissented from Martin Luther's doctrine on the Lord's Supper and were followers of John Calvin on this point of severance. Among this group were the Neases. They brought their school books, hymn books, prayer books and Bilbles (all written in German) with them. One of the first buildings that they built, after the land was cleared was a schoolhouse which doubled as a Church. They taught the rudiments of Education in German; most often in a one room school where all the grades were taught. Many school teachers did double duty as a minister too - as there was a scarcity of ministers. The church services were conducted in German (only) until 1828 when the first English Service was held in the Brick Church, Guilford Co NC

They left the train at a small station, Brush Creek, Mo. There were approximately 60 people in this group of Raders and friends.
